Rutherford B Hayes One Of The Good Colonels:

Rutherford B. Hayes Ari Hoogenboom,1997-09-01 **Rutherford B Hayes** Thomas Culbertson,2017-11-24 It had never occurred to Rutherford B Hayes that he could be a presidential contender until he won an unprecedented third term as Ohio's governor in 1875 Up to that point he had been content with his life but once he got the presidential bug it could not be shaken At the 1876 Republican National convention Maine's Senator James G Blaine appeared to have the presidential nomination within his grasp until there was a stampede for Hayes on the seventh ballot As a Civil War hero congressman governor and solid family man Hayes was an attractive candidate As a reformer he had no ties to the scandals that had marred the Johnson and Grant Administrations After a hotly contested campaign Hayes lost the popular vote to New York Governor Samuel Tilden by a quarter million votes The electoral count was unclear as both parties claimed to have won three Southern states It took three months and the creation of an Electoral Commission to declare Hayes the presidential winner just two days before his inauguration For four years President Hayes battled a hostile Congress controlled by Democrats as he attempted to reform the civil service defending the independence of the presidency in an attempt to end sectionalism His most controversial decision was to try a course of conciliation toward the South in an attempt to heal the rift from the Civil War Many historians have said that Hayes ended Reconstruction but in reality it was over before Hayes took office When he was nominated to run for President Hayes promised to serve only one term and did not renege on that promise He returned to Ohio to live out his life with his family and to work for his community veterans education prison reform and equal rights

The Life, Public Services, and Select Speeches of Rutherford B. Hayes J. Q. Howard,2016-03-14 Rutherford B Hayes is today best remembered for serving his one term as President of the United States 1877 to 1881 But how did he become the person who was elected in 1876 This classic biography first published in late 1876 before the election shows where Rutherford Hayes came from how he grew to be the man he became and how the politician evolved from his school law and military careers to his time in Congress his three terms as governor of Ohio and then his nomination to the Presidency Historian J Q Howard drew liberally from Hayes public documents and pronouncements and includes many letters and speeches written by Hayes in order to draw this picture of the man who soon after the publication of this book became the 19th President Also included are the complete texts of six important speeches from Hayes non consecutive terms as governor This new edition of the classic biography shows President Hayes from a viewpoint nearly impossible to get today written as it was before Hayes election while he was a current political figure on the rise About the author from the Report of Herbert Putnam the Librarian of Congress for the fiscal year ending June 30 1913 Another death during the past year particularly to be noted was that of James Quay Howard Born in 1836 Mr Howard had had a varied experience before coming to the Library having been successively principal of an academy a lawyer United States consul at St Johns New Brunswick editor of the Ohio State Journal and an official in the Customs Service at New York where in 1880 he became appraiser For

100 Days in the Life of Rutherford Hayes Eric Ebinger,2016 The greatest tragedy in all of American historical biography is that President Rutherford Hayes has been thrown in the trash Ignored or worse dismissed as an average president Hayes has since he left office in 1881 become one of the least regarded presidents in United States history It is time for the tide to turn He was not flashy He was not loud He did not beat his chest and demand attention He was a man who has received little if any of the recognition to which he is entitled In this consolidated biography presidential enthusiast Eric Ebinger selects 100 days in the life of Hayes which he believes best represents Hayes character Employing the dramatic and revealing Hayes diary Ebinger walks the reader through a remarkable passionate and ultimately noble life One thing is guaranteed Rutherford B Hayes does not disappoint

The Life, Public Services and Select Speeches of Rutherford B. Hayes James Quay Howard,2016-05-13 The conclusions which we draw from the examination of the records of the ancestral descent of

Rutherford B Hayes are that his progenitors have in each generation displayed courage and capacity to fight limited only by the strength of the enemy to hold out. It was a habit they had to fight on the side in the right and on the side that won. Three of his immediate ancestors Elias Birchard, Israel Smith and Daniel Austin gave proofs of valor and patriotism in the War of Independence. Another characteristic of the Hayes stock is the almost uniform tendency toward longevity. It is a robust race presenting an extraordinary number of large families.

Letters and Messages of Rutherford B. Hayes, President of the United States Rutherford B. Hayes, 2018-02-07 Excerpt from Letters and Messages of Rutherford B Hayes President of the United States Together With Letter of Acceptance and Inaugural Address On the currency question I have frequently expressed my views in public and I stand by my record on this subject I regard all the laws of the United States relating to the payment of the public indebtedness the legal tender notes included as constituting a pledge and moral obligation of the Government which must in good faith be kept It is my conviction that the feeling of uncertainty inseparable from an irredeemable paper currency with its fluctuations of value is one of the great obstacles to a revival of confidence and business and to a return of prosperity That uncertainty can be ended in but one way the resumption of specie payments But the longer the instability of our money system is permitted to continue the greater will be the injury inflicted upon our economical interests and all classes of society If elected I shall approve every appropriate measure to accomplish the desired end and shall oppose any step backward The resolution with respect to the public school system is one which should receive the hearty support of the American people Agitation upon this subject is to be apprehended until by constitutional amendment the Schools are placed beyond all danger of sectarian control or interference The Republican party is pledged to secure such an amendment About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Who was Rutherford B Hayes in real life He was either a fantastic or unimportant president How did his upbringing and early work influence his later years What impact did his successes and failings have on our history Why should we care then These issues are finally answered in Michael Moore s brilliant documentary Life of Hayes which also demonstrates why our nineteenth president deserves much more credit than he has previously received In his work Michael Moore recreates the quickly evolving Victorian era of America through the eyes of one of its most thoughtful and intelligent individuals Contrary to earlier predictions the Hayes who emerges is a much more progressive and visionary leader Hayes s colorful life was inspired by his exploits on the Ohio frontier during the Civil War where he eventually rose to the rank of major general after surviving five wounds No other president faced as much direct criticism as Hayes did However Hayes reputation as president 1877 1881 has not been as positive He has been held responsible for the failure of Reconstruction and condemned for an alleged agreement that purportedly secured his victory in exchange for withholding military aid to Republican governments in the South He has also received criticism for supporting the gold standard ending the Great Strike of 1877 supporting civil service reform inconsistently and for being a powerless politician Hayes relentlessly fought for reforms that would promote economic opportunity distribute wealth more equally lessen the antagonism between capital and labor and ultimately allow African Americans to achieve political equality during his presidency and for a very long time after Even though he fell well short of his goals his unwavering dedication is something we should honor **Rutherford B.
