A Cup of Honey Neile Sue Friedman,2015-12-18 In 1980 I had a discussion with Elie Wiesel He told me that it was my obligation to tell the world about the Holocaust that I had survived to tell the world what had happened I remembered that my mother had once told me the same thing Eliezer Ayalon For ten year old Lazarek Hershenfis in Radom Poland life with his family is joyful Lazarek's father Israel known as Srul operates a leather cutting business and the family spends idyllic summers harvesting fruit from orchards in the nearby countryside His brothers Mayer and Abush work as tailors to supplement the family's income and Lazarek's sister Chaya is a kindergarten teacher and a playmate especially cherished A deeply respected healer in the community Lazarek's beautiful mother Rivka shows him the meaning of caring unselfishly for others But what is given does not always appear to be returned in kind as Lazarek discovers on his journey into the ghetto and the concentration camps Lazarek survives and journeys to Palestine taking the name Eliezer Ayalon A new life begins but can memories be forgotten With A Cup of Honey Neile Sue Friedman and Eliezer Ayalon impart the richness and endurance of the family love that inspires the Holocaust survivor to perpetuate the lives of those he lost by telling their story

The Spirit of the Matter D. L. Watson,2022-02-10 The Spirit of the Matter is born from a love of truth and a love of God's word When these two loves come together we find the Scriptures are not only reliable and consistent but a brilliantly designed set of instructions for life reaching a depth of profundity that most Christian teachings fail to address This book carefully examines the Christian notion that the Mosaic Law Torah no longer is applicable to believers and guides readers through an understanding of how and why the words of God spoken to the Old Testament writers are intensely relevant to people today Readers will take a thought provoking journey through topics such as Are we supposed to believe a literal seven day account of creation in the book of Genesis Is it possible that the New Testament instructs those who believe

in Jesus Christ to also obey certain commands in the Torah Is it conceivable that the Sabbath day as established in the creation story could also hold truths for the events of Revelation and the end times This book will encourage you with a confidence that God s word holds much more for believers than most have been taught to expect *Called to War* Art Hobba, 2010-04-15 The Christian radio talk show host asked the well known women s ministry leader the question So what do you think about the statement that men in the church have been feminized Her immediate response was I totally disagree Men in American have not been feminized at all they have been emasculated Men don t feel a need to be more like women they just have lost their identity as men This book begins with the true story told by a washed up minister whom God forgave healed restored and reenlisted in his service The real story lies however how a few men discontented with the detachment of men in their church and inspired by the Holy Spirit discovered a pathway to re engagement as God s man in this hour or maybe real engagement for the very first time Many of you who chose to read this book may have suffered through some potentially debilitating failures We have much in common my friend In fact I have learned to not trust a man until he has shown me his scars Welcome to Warrior Boot Camp The reader will take a journey through a season of breaking down and shredding of the things of this world that have insidiously crept like tendrils into our hearts and minds We will then explore the practical military view including strategies and tactics that is pervasive throughout scripture regarding our calling to engage and win the spiritual war against our three foes The world system The carnal human nature The demonic spiritual realm led by Satan The second half of the book builds up the reader with the understanding of how to dress for success in the Kingdom by putting on and effectively fighting in God s armor Ephesians 6 Warriors must be expert in weaponry and the invisible war of the Spirit is not the exception but the rule The real hero of this Warrior saga is Gideon Judges 6-8 We will get into his shoes as he hides in the wine press and then into his head and finally his heart as he is transformed from fearful farmer to mighty warrior Together we will explore the common threads of manhood as lived out by the greatest warrior in Israel s history *Called to War* will most assuredly be compared with *Wild at Heart* and *Raising a Modern Day Knight* Art Hobba s resourcefulness takes new ground earning inclusion in this unique fellowship of unabashed Servant Warriors Men of God saddle up you have been *Called to War* *1,000-Day Journey* Jan Taylor Lippitt, 2022-06-18 Our life journey isn t always smooth days are not always wonderful The author explores passages from Scripture and the personal message it has for each of us What can we learn from God s timeless word for our everyday living From several years of written meditations she has taken one thousand days of Scripture reflections coupled with a daily gratitude there is something for which we can be grateful every day and written them with the sole purpose of sharing insights from ordinary days in an ordinary life on a path guided by an extraordinary God
