Sabine Baring-Gould: Squarson, Writer and Folklorist, 1834-1924 Bickford Holland Cohan Dickinson, 1970 *Sabine Baring-Gould: Squarson, Writer and Folklorist, 1834-1924* Bickford Holland Cohan Dickinson, 1970 *The Late Victorian Folksong Revival* E. David Gregory, 2010-04-13 In *The Late Victorian Folksong Revival The Persistence of English Melody* 1878 1903 E David Gregory provides a reliable and comprehensive history of the birth and early development of the first English folksong revival Continuing where Victorian Songhunters his first book left off Gregory systematically explores what the Late Victorian folksong collectors discovered in the field and what they published for posterity identifying differences between the songs noted from oral tradition and those published in print In doing so he determines the extent to which the collectors distorted what they found when publishing the results of their research in an era when some folksong texts were deemed unsuitable for polite ears The book provides a reliable overall survey of the birth of a movement tracing the genesis and development of the first English folksong revival It discusses the work of more than a dozen song collectors focusing in particular on three key figures the pioneer folklorist in the English west country Reverend Sabine Baring Gould Frank Kidson who greatly increased the known corpus of Yorkshire song and Lucy Broadwood who collected mainly in the counties of Sussex and Surrey and with Kidson and others was instrumental in founding the Folk Song Society in the late 1890s The book includes copious examples of the song tunes and texts collected including transcriptions of nearly 300 traditional ballads broadside ballads folk lyrics occupational songs carols shanties and national songs demonstrating the abundance and high quality of the songs recovered by these early collectors *Place, Writing, and Voice in Oral History* S. Trower, 2011-11-07 This book demonstrates how oral history can provide a valuable way of understanding locality which is important in light of major issues facing the world today including global environmental concerns *The Victorians and English Dialect* Matthew Townend, 2024-06-24 *The Victorians and English Dialect* tells the story of the Victorians discovery of English dialect and of the revaluation of local language that was brought about by the new historical philology of the nineteenth century Regional dialects came to be seen not as corrupt or pernicious but rather as venerable and precious The book examines the work of the ground breaking collectors of the 1840s and 1850s who first alerted their contemporaries to the importance of local dialect and also to the perils that threatened it with extinction It traces the connection between dialect and literature in the flourishing of dialect poetry and the foregrounding of regional voices in Victorian fiction It explains how the antiquity of regional dialects cast light on the national past the Celts Anglo Saxons and Vikings and how dialect study was also at the heart of the discovery of local folklore and oral culture old words old customs old beliefs And it tells the story of the three great monuments of Victorian dialect study that marked the apogee of regional philology the 80 publications of the English Dialect Society 1873 96 an organization run by a committee of journalists and local historians in Manchester the nationwide survey of *The Existing Phonology of English Dialects* 1889 which listened in on local speech in

market squares and third class railway carriages and the multi volume English Dialect Dictionary 1898 1905 which collected all the previous labours together and made an enduring record of Victorian dialect

The English Traditional Ballad David Atkinson, 2017-07-05 Ballads are a fascinating subject of study not least because of their endless variety It is quite remarkable that ballads taken down or recorded from singers separated by centuries in time and by hundreds of kilometres in distance should be both different and yet recognizably the same In *The English Traditional Ballad* David Atkinson examines the ways in which the body of ballads known in England make reference both to ballads from elsewhere and to other English folk songs The book outlines current theoretical directions in ballad scholarship structuralism traditional referentiality genre and context print and oral transmission and the theory of tradition and revival These are combined to offer readers a method of approaching the central issue in ballad studies the creation of meaning s out of ballad texts Atkinson focuses on some of the most interesting problems in ballad studies the wit combat in versions of *The Unquiet Grave* variable perspectives in comic ballads about marriage incest as a ballad theme problems of feminine motivation in ballads like *The Outlandish Knight* and *The Broomfield Hill* murder ballads and murder in other instances of early popular literature Through discussion of these issues and themes in ballad texts the book outlines a way of tracing tradition s in English balladry while recognizing that ballad tradition is far from being simply chronological and linear

English Folk Poetry Roger deV. Renwick, 2016-11-11 Drawing on the long tradition of folklore study Roger deV Renwick examines three

genres traditional English folksongs local songs of regional interest and working class poetry In the span of time that extends from the eighteenth to the twentieth century he finds govern world views underlying a large sampling of poems related by common language imagery or topic and then shows how these world views relate to the everyday lives and beliefs of the poetry s makers and users There is in addition a pattern of historical continuity that links the rural folksongs of the eighteenth century with the part rural part urban local songs of the nineteenth and twentieth centuries and with the fully urban working class poetry of the present day English Folk Poetry is an immensely important contribution to folklore scholarship in its examination of contemporary working class poetry in its approach to questions of tacit meaning and in its exploration of the relationship of inferential meanings to real everyday lives The Vikings Reimagined Tom Birkett,Roderick Dale,2020-01-20 The Vikings Reimagined explores the changing perception of Norse and Viking cultures across different cultural forms and the complex legacy of the Vikings in the present day Bringing together experts in literature history and heritage engagement this highly interdisciplinary collection aims to reconsider the impact of the discipline of Old Norse Viking Studies outside the academy and to broaden our understanding of the ways in which the material and textual remains of the Viking Age are given new meanings in the present The diverse collection draws attention to the many roles that the Vikings play across contemporary culture from the importance of Viking tourism to the role of Norse sub cultures in the formation of local and international identities Together these collected essays challenge the academy to rethink its engagement with popular reiterations of the Vikings and to reassess the position afforded to reception within the discipline **British Reform Writers, 1832-1914** Gary Kelly,Edd Applegate,1998 Essays on British reform writers during a time when Britain struggled to establish a new and stable political social and economic order Includes major writers as well as others known mainly as sociopolitical thinkers reformers and socialists as well as reform oriented critics and educators Grimspound and Inhabiting Art Rod Mengham,2018-12-13 Rod Mengham s new offering comprises two complementary halves a poetic meditation on a place the Bronze Age site of Grimspound on Dartmoor and a series of short essays on different cultural habitats Grimspound is a four part work combining prose and verse composed on site over the course of ten years It combines a wild analysis of Hound of the Baskervilles whose climactic scene takes place at Grimspound a portrait of the Victorian excavator Sabine Baring Gould and a series of poems that draw on the Russian linguist Aharon Dolgopolsky s experimental Nostratic Dictionary Inhabiting Art gathers essays on cultural history in relation to landscape and cityscape viewed either episodically or in the form of a palimpsest where the present state of the habitat both reveals and conceals its own history and prehistory **Continuum Encyclopedia of Popular Music of the World, Volume 1** John Shepherd,David Horn,Dave Laing,Paul Oliver,Peter Wicke,2003-03-06 The Bloomsbury Encyclopedia of Popular Music Volume 1 provides an overview of media industry and technology and its relationship to popular music In 500 entries by 130 contributors from around the world the volume explores the topic in two parts Part I Social and Cultural Dimensions covers
