**The Sabre Brigade United Nations** Tom Preston,2000-09-01 The Sabre Brigade United Nations is an incredible journey from its inception as the worlds most elite formidable fighting force ever assembled in modern times through to its inevitable first combat role As the conflict in Kosovo precedes yet another intervention battle for control of Bosnia this newly born unit eventually has its baptism under fire is the missing link needed in peacekeeping to create the stable platform necessary that puts the United Nations on a level playing field with the world s tyrants for the first time in history Throughout this sprawling epic adventure a true romance also unfolds between the main characters giving the story a dimension uniqueness that is honest believable The combat scenarios are not only incredibly accurate authentic but nothing like them has ever been attempted on such a scale when writing about modern warfare For this unit many other concepts behind The Sabre Brigade United Nations it is the first of its kind shedding a whole new light not just on international peacekeeping but the role of the Platoon Commander soldier once in combat *Canada's Army* J. L. Granatstein,2011-01-01 Canada s Army traces the full three hundred year history of the Canadian military from its origins in New France to the Conquest the Revolutionary War and the War of 1812 from South Africa and the two World Wars to the Korean War and contemporary peacekeeping efforts and the War in Afghanistan Granatstein points to the inevitable continuation of armed conflict around the world and makes a compelling case for Canada to maintain properly equipped and professional armed forces pub desc Weekly Compilation of Presidential Documents ,1990 *The Edge of the Sword* Anthony Farrar-Hockley,2007-11-15 An account of the 1st Battalion Gloucestershire Regiment at the Battle of Imjin River during the Korean War and the survivors captivity in a POW camp In April 1951 at the height of the Korean War Chinese troops advanced south of the 38th parallel towards a strategic crossing point of the Imjin River on the invasion route to the South Korean capital of Seoul The stand of the 1st Battalion the Gloucestershire Regiment against the overwhelming numbers of invading troops has since passed into British military history In *The Edge of the Sword* General Sir Anthony Farrar Hockley then Adjutant of the Glosters has painted a vivid and accurate picture of the battle as seen by the officers and soldiers caught up in the middle of it The book does not however end there Like the majority of those who survived the author became a prisoner of war and the book continues with a remarkable account of his experiences in and out of Chinese prison camps This book is not an attempt at a personal hero story and it is certainly not a piece of political propaganda It is above all an amazing story of human fortitude and high adventure *Bolt Action: Korea* Warlord Games,2019-08-22 Beginning in 1950 the Korean War was a defining moment for the UN and the entirety of the early Cold War widening the already monumental gulf between the east and west capitalist and communist This supplement for Bolt Action expands the rules set from its World War II roots to this new and truly modern conflict Bolt Action Korea contains all the rules Theatre Lists scenarios and new and exciting units never seen in Bolt Action before to wargame this turbulent period of world history *The UN*
