Sacral Kingship In Ancient Israel:

   Sacral Kingship in Ancient Israel Aubrey Johnson,2006-09-01 This volume is mainly concerned with two well known groups of psalms i the hymns which celebrate the Kingship of Yahweh and ii the so called royal psalms The text of the monograph reproduces what were substantially the Haskell Lectures which I had the privilege of delivering before the Graduate School of Theology at Oberlin in the spring of 1951 from the Preface   *Sacral Kingship in Ancient Israel* Aubrey Rodway Johnson,1967   **Sacral Kingship in Ancient Israel. (Two Well-known Groups of Psalms, (i) the Hymns which Celebrate the Kingship of Yahweh, and (ii) the So-called Royal Psalms.) [Based on the Haskell Lectures.].** Aubrey Rodway Johnson,1955   The First Book of Samuel David Toshio Tsumura,2007-03-15 David and Goliath the call of Samuel the witch of Endor David and Bathsheba such biblical stories are well known But the books of 1 and 2 Samuel where they are recorded are among the most difficult books in the Bible The Hebrew text is widely considered corrupt and sometimes even unintelligible The social and religious customs are strange and seem to diverge from the tradition of Moses In this first part of an ambitious two volume commentary on the books of Samuel David Toshio Tsumura sheds considerable light on the background of 1 Samuel looking carefully at the Philistine and Canaanite cultures as he untangles the difficult Hebrew text   **The Heart of History** John Weir Perry,1987-07-01 In a broad perspective of psychological historical and evolutionary considerations Perry investigates factors that enable cultures in crisis to reorganize He pursues historical antecedents of cataclysmic times focusing on man s relation to his spiritual center and his societal setting He shows clearly the parallelism of processes of transformation in psyche and society citing historical examples in which the unbalanced assertion of individuality and dominance has been countered through the emergence of compassionate social concern

   The Messianic Kingship of Jesus Sungho Choi,2011-10-03 Identification of the Royal Psalms by Herman Gunkel indicates that the history and genre of the Royal Psalms must be distinguished from the Enthronement Psalms that are written to celebrate Yahweh s Kingship from those written to celebrate Davidic kingship In reference to this Joachim Becker argues against the presence of messianic Davidic Psalms in the Old Testament and posits that the initial hope in Davidic kingship died out during the exilic period and consequently centered Israelite faith in Yahweh alone It may thus be concluded that Yahweh s Kingship effaces the place of the Davidic Messiah Against this claim The Messianic Kingship of Jesus argues that the early Christian use of Psalm quotations in particular suggest that the Royal and Enthronement Psalms were viewed as one entity which suggests that Yahweh s reign and Davidic kingship in Jewish Christian thinking were not antagonistic but mutually complementary Within the synoptic tradition Matthew s emphasis on Davidic heritage supports this notion as he applies Son of David to the Son of God and also Son of Man Therein lies paradoxical tension in the use of the old Jewish Scripture as early Christians on the one hand sought to preserve their Jewish legacy but on the other creatively employed the Old Testament to support their christological message and the divine attributes of Jesus expressed in the Gospel The entire

process of quotation by Matthew generates one of the major characteristics of Judeo Christian religiosity namely the manifestation of divine redemptive activity in the history of Israel   **The Royal Dynasties in Ancient Israel** Tomoo Ishida,2013-08-26 No detailed description available for The Royal Dynasties in Ancient Israel   <u>The Lagacy of Canaan the Ras Shamra Texts and Their Relavance to the Old Testament</u> John GRAY (M.A., B.D., Ph.D.),   <u>Theology of the Old Testament, Volume One</u> Walther Eichrodt,1961-01-01 This book the first of two volumes offers a comprehensive profiling of the theology contained in the Old Testament The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing   **Old Testament Theology: The theology of Israel's historical traditions** Gerhard von Rad,2001-01-01 This republication of a classic work contains a new introduction by Walter Brueggemann that places Gerhard von Rad s work within the context of German theology Old Testament theology and the history of interpretation of the Old Testament In Old Testament Theology von Rad applies the most advanced results of form criticism to develop a new understanding of the Bible His original approach is now available once again in English The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing   *An Examination of Kingship and Messianic Expectation in Isaiah 1-35* Paul D. Wegner,1992 This study aims to determine a method for examining the concept of Messianic expectation and to examine how the concept of re lecture or re reading has been helpful in the development of Messianic expectation in the book of Isaiah It looks at how the book of Isaiah has been used to engender messianic expectation   **Theology of the Old Testament** Walther Eichrodt,1961-01-01 This book the first of two volumes offers a comprehensive profiling of the theology contained in the Old Testament The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing

   Worship in Ancient Israel H. H. Rowley,2010-06-01 Worship in Ancient Israel is a history of worship in Israel from the age of the patriarchs until the New Testament period The author begins by discussing the faith of the patriarchs and the ways in which the worship of Yahweh came into Israel He goes on to discuss aspects of this worship during the monarchy the cult the temple psalmody and the relation of prophecy to liturgy The institution of the Synagogue is then considered and the final chapter of the book deals with the forms and the spirit of worship Professor Rowley reviews all the current arguments upon the subject with his usual sound judgement It is my hope he says that I may have stimulated interest in an aspect of Old Testament study which has been far too long neglected and which is today commanding the increasing interest of scholars Worship in Ancient Israel is an expansion of the Edward Cadbury Lectures delivered in the University of Birmingham in 1965

   Israel's Prophetic Heritage Bernhard W. Anderson,Walter Harrelson,2010-06-01 Here is a new appreciation of the Old Testament by outstanding Biblical scholars for those who want to be informed about the most recent and creative thinking on

the crucial problems and debates in Biblical study As the distinguished European and American contributors explore the central current issues of Old Testament scholarship they uncover a timeless message in Israel s prophetic voice and interpret its meaning for our times **King and Temple in Chronicles** Jozef Tino,2009-12-09 Starting with an exegesis of the book of Chronicles as a single corpus Jozef Tino sees the king temple relationship as the leitmotiv of Chronicles He shows that the Chronicler expresses a specific attitude to the kingship ideology and examines the text from the perspective of its relations with the post exilic theological traditions when only the Temple in Jerusalem was a living institution but the monarchy was a mere memory from the distant past Thereby this study offers a new perspective on the whole of Chronicles **Judaism, Philosophy, Culture** Erwin Rosenthal,2013-07-04 One of the outstanding interpreters of Jewish culture in the twentieth century has been Erwin Rosenthal This book contains some of his most influential work ranging from the nature of Jewish political thought both classical and medieval to Christian reactions to Judaism and to varying approaches to the study of the Bible The Old Testament Between Theology and History Niels Peter Lemche,2008-01-01 From its inception at the time of the Enlightenment until the mid twentieth century the historical critical method constituted the dominant paradigm in Old Testament studies In this magisterial overview Niels Peter Lemche surveys the development of the historical critical method and the way it changed the scholarly perception of the Old Testament In part 1 he describes the rise and influence of historical critical approaches while in part 2 he traces their decline and fall Then in part 3 he discusses the identity of the authors of the Old Testament based on the content of the literature they wrote demonstrating that the collapse of history does not preclude critical study Part 4 investigates the theological consequences of this collapse and surveys Old Testament and biblical theology in its various manifestations in the twentieth century An appendix includes a history of Palestine from the Stone Age to modern times constructed without recourse to the Old Testament **Zion, the City of the Great King** Ben C. Ollenburger,1987-01-01 **Monotheism, Power, Justice** Millard C. Lind,2015-07-29 Since the mid sixties a steady stream of essays and addresses has come from the pen and heart of Millard Lind Millard began his teaching career at the Associated Mennonite Biblical Seminaries in 1959 During the early years of his teaching a major portion of Millard s scholarly energies went toward the refinement of his doctoral dissertation in order to be published Its final form appeared in the Herald Press book Yahweh Is a Warrior This book represents a landmark in studies on the topic of Yahweh s warfare as presented in the Hebrew Scriptures It has numerous critical reviews and has generally stood the test of the scholarly picking and pruning Alongside this major work Millard has turned out numerous essays some playing a supportive role to his Yahweh Is a Warrior thesis but many pioneering in new directions as well As the four divisions in the table of contents indicate these essays represent work in at least four areas of probing in the Hebrew Scriptures method aspects of law justice and power war and economics and worship mission and community This range of investigation and productivity indicates the holistic perspective of Millard s scholarly concern and theological reflection In part it also testifies to Millard s role as a churchman
