Sacramental Living Dwight Vogel, Linda Jane Vogel, 1999 **Primary Sources of Liturgical Theology** Dwight W. Vogel, 2016-03-24 The voices of liturgical theology in the twentieth century are many and varied Primary Sources of Liturgical Theology brings together in one volume the representative writings of scholars throughout the Euro North American context whose insights have shaped our understanding of liturgy today The selections in Primary Sources of Liturgical Theology are arranged around nine seminal questions which students of liturgical theology need to engage Each selection is introduced and contextualized by another liturgical theologian Through this first hand encounter with primary sources readers will develop a sense of the broad range of writings available to them Chapters are What Is Liturgical Theology What Is Liturgy How Can We Do Liturgical Theology How Are Theology and Liturgy Related How Does Liturgy Embody Theological Themes What Is the Theological Function of Liturgical Language and Ritual What Is the Role of the Word in Liturgy How Do Liturgical Theologians Engage Cultural Diversity How Are Liturgy and Life Related Includes an alphabetical list of primary contributors and a chronological index of major entries by date of original publication Contributors to Primary Sources of Liturgical Theology are Peter Brunner Odo Casel O S B Louis Marie Chauvet Anscar J Chupungco O S B Mary Collins O S B Irene Henri Dalmais O P Ruth C Duck Justo L Gonzalez Romano Guardini Angelus A Hussling O S B Mary Catherine Hilker O P Lawrence A Hoffman Paul Waitman Hoon Aidan Kavanagh O S B Edward J Kilmartin S J Gordon W Lathrop L Edward Phillips David N Power O M I Gail Ramshaw Don E Saliers Alexander Schmemmann Robert F Taft S J Harold Dean Trulear Evelyn Underhill Dwight W Vogel Jean Jacques von Allmen Geoffrey Wainwright and Joyce Ann Zimmerman C PP S Dwight W Vogel is professor of theology and ministry and dean of the chapel at Garrett Evangelical Theological Seminary where he coordinates the doctoral program in liturgical studies **Prophetic Liturgy** Tércio Junker, 2014-02-07 The primary purpose of Prophetic Liturgy is to inquire into the prophetic dimension of the liturgy Some questions addressed in the book are How can a liturgy be prophetic How can liturgy form and transform individuals and communities In which sense does the liturgy facilitate a living participation in socio political economic life How does the sacramental practice challenge the church to mediate God s gifts of grace love justice and mercy to the world Possible answers for these questions begin to emerge as we develop an understanding of religious praxis as an active and dynamic prophetic action in which the community of faith claims its identity promotes an engaged faithful Christian life and affirms the sacramental life of the church as a source of formation and inspiration for prophetic praxis mediating God s gift for the life of the world There is risk in presenting an option for prophetic praxis in that it may go beyond the comfort zone of a community and engender spiritual and political alienation The most challenging ethical hope of this book is to provide the worshipping community with prophetic awareness of socio economic injustice while at the same time preserving the community s historical cultural identity its religious values and its sacramental spirituality *Teaching as a Sacramental Act*

Mary Elizabeth Moore, 2004-11-01 Moore asserts that Christian vocation and the teaching vocation in particular can be best understood as sacramental mediating the grace of God through ordinary creation for the sanctification of human life and the well being of all creation She develops her argument through three important factors a historical theological analysis of the Christian sacraments and sacramentality a phenomenological study of teaching events and a description of six sacramental movements and corresponding teaching practices informed by Jewish Christian traditions and Eucharistic practices The nine detailed chapters include Searching for the Sacred Sacred Teaching Education as Sacrament Expecting the Unexpected Remembering the Dismembered Seeking Reversals Giving Thanks Nourishing Life Reconstructing Community and Repairing the World and Mapping the Future of Sacramental Teaching Teaching as a Sacramental Act is ideal for students pastors Christian educators spiritual directors and pastoral caregivers who want to rethink and reshape the teaching ministry of the church
