Revelations of a Simple Soul M. Madeleine Turgeon Fiorino,2007-07-27 A few years ago as I was praying and meditating I had a vision It was a traumatic and terrifying experience for me In the vision I was told that God wanted me to write this book When the contents were revealed to me it was extremely upsetting and shocking because most of what I was told was absolutely contrary to all I had ever believed about religion and my faith The more I tried to put it out of my mind the more I had a constant gnawing feeling that I was turning my back on God by not obeying what I had been asked to do Some time later the identical vision came to me except that this time I saw the hand of God over Churches Mosques Temples etc all of a sudden Gods hand descended and everything crumbled and was destroyed For the first time I saw the future of religions and I knew I would have to write what had been revealed to me It is my hope and prayer that my book will be a bridge and a source of strength and enlightenment for many on their spiritual journey My revelations are intertwined with American Indian spirituality I wish to emphasize that this is my truth as it was revealed to me *Encyclopedia of Native American Religions, Third Edition* Arlene
