Everyone's a Genius Alan Briggs, 2017-09-19 Believe it or not everyone's a genius at something We just need to uncover and release it for the sake of the world Every member of your church comes with a unique set of God-given skills and talents As a church leader you have the weighty task of uncovering and validating them Your challenge is to help your members identify and unleash their gifts to bring glory to God But in our selfie-focused society this task can feel overwhelming God doesn't see two groups his gifted children and the rest of us He didn't give the Great Commission only to the extremely talented musicians writers artists pastors and church staff He gave it to all of us To each of us So how do we help our members find their sweet spots of service in the kingdom In *Everyone's a Genius* author pastor and leadership consultant Alan Briggs shares his belief that bringing out the abilities of often overlooked Christians those whose unique skill sets are not as easily identifiable remains a key component that will determine the church's impact in this and coming generations This is an inspiring look at how we can more effectively motivate Christians to leverage their personal abilities for Christ The truth is reading this book is risky It can change how you see every person you're leading It can make you see your community differently It can help you find gifts within your church family that will surprise you It can also unlock something within you that you never knew mattered to God It can expand your vision of the world deepen your appreciation for the least of these and refocus the mission of your church Perhaps God will use this book to take you on a journey toward a more appropriate theology of creativity Yes it's a risk but a risk we simply must take to impact the world for Jesus Are you in
