Sacred History and Sacred Texts in Early Judaism Jan N. Bremmer, Florentino García Martínez, A. S. van der Woude, 1992 Peeters 1992 **"Non-canonical" Religious Texts in Early Judaism and Early Christianity** Lee Martin McDonald, James H. Charlesworth, 2012-03-29 This volume draws attention to ancient religious texts especially the so called non canonical texts by focusing on how they were used or functioned in Early Judaism and Early Christianity The contributors are biblical scholars who have chosen one or more Jewish or Christian apocryphal or pseudepigraphical texts with the aim of describing their ancient functions in their emerging social settings These show the fluidity of the notion of scripture in the early centuries of the Church and in Judaism of late antiquity but they also show the value of examining the ancient religious texts that were not included in the Jewish or Christian biblical canons These chapters show that there is much that can be learned from examining and comparing these texts with canonical literature and evaluating them in their social context No ancient text was created in a vacuum and the non canonical writings aid in our interpretation not only of many canonical writings but also shed considerable light on the context of both early Judaism and early Christianity *Textual Criticism and the Ontology of Literature in Early Judaism* James Nati, 2021-11-01 The Dead Sea Scrolls have demonstrated the fluidity of biblical and early Jewish texts in antiquity How did early Jewish scribes understand the nature of their pluriform literature How should modern textual critics deal with these fluid texts Centered on the Serekh ha Ya ad or Community Rule from Qumran as a test case this volume tracks the development of its textual tradition in multiple trajectories and suggests that it was not understood as a single unified composition even in antiquity Attending to material textual and literary factors the book argues that ancient claims for textual identity ought to be given priority in discussions among textual critics about the ontology of biblical books Ancient Israelite And Early Jewish Literature Th. Theodoor Christiaan Vriezen, Adam Simon van der Woude, 2005 This introduction to the Old Testament Hebrew Bible offers a literary and historical critical approach containing some religio historical or theological explanations where appropriate Perspectives in the Study of the Old Testament and Early Judaism Ed Noort, Florentino García Martínez, 2014-09-03 This volume contains the papers presented to a symposium organized by the Theological Faculty of the University of Groningen on the occasion of the seventieth birthday of Adam S van der Woude former Professor of Old Testament and Early Judaism and former head of the Qumran Institute at the same Faculty The essays eight in English and four in German explore through case studies the developments over the last few years in the different areas of study of the Old Testament and of Early Judaism observe the new perspectives opened in these areas and map the directions in which the research will be moving in the third millennium The volume also includes a German version of the public lecture on the significance of the Dead Sea Scrolls for the Study of Old Testament and of Early Judaism delivered in Dutch by Van der Woude during the symposium **Authoritative Scriptures in Ancient Judaism** Mladen Popović, 2010-06-14 Many scholars of the Second Temple period have replaced the concept of canonization by that of

canonical process Study of the Dead Sea Scrolls has been crucial for this new direction Based on this new evidence taxonomic terms like biblical nonbiblical or parabiblical seem anachronistic for the period before 70 C E The notion of authoritative Scriptures plays an important part in the new paradigm of canonical process but it has not yet been sufficiently reflected upon and is in need of clarification Why were some texts more authoritative than others For whom and in what contexts were texts authoritative And what are our criteria to determine to what extent a text was authoritative In short what do we mean by authoritative This volume focuses on specific texts or corpora of texts and approaches the notion of authoritative Scriptures from sociological cultural and literary perspectives **The Samaritan Mission in Acts V. J. Samkutty, 2006-08-24** The portrait of the Samaritan mission in Acts 8 4 25 is the climax of various Lukan episodes involving the Samaritans This work shows that the function of this portrait makes better sense in light of the historical context of the Samaritans up to and including the New Testament period and of Luke's special interest in the Samaritans as depicted in his Gospel A review of the socio ethnic and religious contexts of the Samaritans points to the conclusion that they struggled to establish the legitimacy of their identity and status as a people In some Jewish circles they were considered as socially outcasts ethnically foreigners and religiously apostates syncretists and idolaters From a Jewish point of view any unplanned and unauthorised mission of the church to Samaritans could cast doubts on the legitimacy of the mission itself and of nascent Samaritan Christianity In his Gospel Luke uses the Samaritan references to defend the legitimacy of the Samaritans and their status as part of Israel and to portray Jesus' anticipation of a future mission to them His literary ability and theological interest includes the Samaritans in the anticipated eschatological and soteriological plan of God Thus he attempts to reverse the popular anti Samaritan feelings of some Jews as well as the saying in Mt 10 5 making them neighbours who show mercy and also true worshippers of God who obey the Law In Acts 8 4 25 Luke defends the divine origin and legitimacy of both the mission and Samaritan Christianity He sets the mission in accordance with the commission of Jesus and in the divine context of persecution He shows the kerygmatic and pneumatic legitimacy of Philip's ministry the apostolic legitimacy of the Jerusalem apostles and the purity of the new community in the way Simon was dealt with This rhetorical and theological function of Acts 8 4 25 using an anticipation legitimization device may suggest an apologetic purpose of Luke *The Text of the Hebrew Bible* Lorena Miralles-Maciá, Elvira Martín-Contreras, 2014-12-10 This book aims to open up the discussion and research of the up to now unstudied period of the History of the Hebrew Bible text the period from the apparent stabilization of the Hebrew biblical text until the standardization that is reflected in the manuscripts of biblical text those including the Masorah c 2nd 9th centuries A D What took place from the time of the standardization of the consonantic text of the Hebrew Bible until the appearance of the first Masoretic codices How was the biblical text preserved in the meantime What was the body of notes that makes up the Masorah formed How can the diversity of the textual traditions contained in the Masorah be explained and be consistent with the idea of a text established and standardized centuries before The Oxford Handbook

of the Reception History of the Bible Michael Lieb, Emma Mason, Jonathan Roberts, 2013-01-10 This wide ranging volume looks at the reception history of the Bible s many texts Part I surveys the outline form and content of twelve key biblical books that have been influential in the history of interpretation Part II offers a series of in depth case studies of the interpretation of particular biblical passages or books The Comparative Textual Criticism of Religious Scriptures, 2024-05-13 This collection of articles uniquely brings into scholarly dialogue the textual history and criticism of authoritative literatures from diverse cultures they study Mesopotamian literature the Hebrew Bible the New Testament the Homeric epics the Quran and Hindu and Buddhist literatures with an interest in all matters of their textual transmission Contributors address questions such as What role does textual criticism play in the study of authoritative texts in these fields How much variation exists in these textual traditions Can you observe processes of textual standardization What role does the oral transmission play How are critical editions prepared While these questions have produced a wealth of scholarly literature for each individual field this volume is the first to study them from a comparative perspective **Maidens, Magic and Martyrs in Early Christianity** Jan N. Bremmer, 2017-07-13 In this work Jan N Bremmer aims to bring together the worlds of early Christianity and those of ancient history and classical literature worlds that still all too rarely interlock Contextualising the life and literature of the early Christians in their Greco Roman environment he focusses on four areas A first section looks at more general aspects of early Christianity the name of the Christians their religious and social capital prophecy and the place of widows and upper class women in the Christian movement Second the chronology and place of composition of the early apocryphal Acts of the Apostles and Pseudo Clementines are newly determined by paying close attention to their doctrinal contents but also innovatively to their onomastics and social vocabulary The author also analyses the frequent use of magic in the Acts and explains the prominence of women by comparing the Acts to the Greek novel Third an investigation into the theme of the tours of hell suggests a new chronological order shows that the Christian tours were indebted to both Greek and Jewish models and illustrates that in the course of time the genre dropped a large part of its Jewish heritage The fourth and final section concentrates on the most famous and intriguing report of an ancient martyrdom the Passion of Perpetua It pays special attention to the motivation and visions of Perpetua which are analyzed not by taking recourse to modern theories such as psychoanalysis but by looking to the world in which Perpetua lived both Christian and pagan It is only by seeing the early Christians in their ancient world that we might begin to understand them and their emerging communities Publisher s description **Memory and Identity in Ancient Judaism and Early Christianity** Tom Thatcher, 2014-08-29 Essential reading for scholars and students interested in sociology and biblical studies In this collection scholars of biblical texts and rabbinics engage the work of Barry Schwartz Professor Emeritus in the Department of Sociology at the University of Georgia Schwartz provides an introductory essay on the study of collective memory Articles that follow integrate his work into the study of early Jewish and Christian texts The volume concludes with a response from Schwartz that continues this warm and

fruitful dialogue between fields Features Articles that integrate the study of collective memory and social psychology into religious studies Essays from Barry Schwartz Theories applied rather than left as abstract principles

The Book of Revelation and Early Jewish Textual Culture Garrick V. Allen, 2017-07-03 The Book of Revelation and Early Jewish Textual Culture explores the relationship between the writing of Revelation and its early audience especially its interaction with Jewish Scripture It touches on several areas of scholarly inquiry in biblical studies including modes of literary production the use of allusions practices of exegesis and early engagements with the Book of Revelation Garrick Allen brings the Book of Revelation into the broader context of early Jewish literature including the Dead Sea Scrolls and other important works Arguing that the author of the New Testament Apocalypse was a scribal expert someone who was well versed in the content of Jewish Scripture and its interpretation he demonstrates that John was not only a seer and prophet but also an erudite reader of scripture

Early Jewish Prayers in Greek Pieter W. van der Horst, Judith. H. Newman, 2008-12-10 During the past few decades a great amount of scholarly work has been done on the various prayer cultures of antiquity both Graeco Roman and Jewish and Christian In Jewish studies this burgeoning research on ancient prayer has been stimulated particularly by the many new prayer texts found at Qumran which have shed new light on several long standing problems The present volume intends to make a new contribution to the ongoing scholarly debate on ancient Jewish prayer texts by focusing on a limited set of prayer texts scil a small number of those that have been preserved only in Greek Jewish prayers in Greek tend to be undervalued which is regrettable because these prayers shed light on sometimes striking aspects of early Jewish spirituality in the centuries around the turn of the era In this volume twelve such prayers have been collected translated and provided with an extensive historical and philological commentary They have been preserved on papyrus on stone and as part of Christian church orders into which some of them have been incorporated in a christianized form For that reason these prayers are of great interest to scholars of both early Judaism and ancient Christianity

The Dead Sea Scrolls in Their Historical Context Timothy Lim, Larry W. Hurtado, A. The Hebrew Bible Frederick E. Greenspahn, 2008 In April of 2001 the headline in the Los Angeles Times read Doubting the Story of the Exodus

It covered a sermon that had been delivered by the rabbi of a prominent local congregation over the holiday of Passover In it he said The truth is that virtually every modern archeologist who has investigated the story of the exodus with very few exceptions agrees that the way the Bible describes the exodus is not the way it happened if it happened at all This seeming challenge to the biblical story captivated the local public Yet as the rabbi himself acknowledged his sermon contained nothing new The theories that he described had been common knowledge among biblical scholars for over thirty years though few people outside of the profession know their relevance New understandings concerning the Bible have not filtered down beyond specialists in university settings There is a need to communicate this research to a wider public of students and educated readers outside of the academy This volume seeks to meet this need with accessible and engaging chapters describing how archeology theology ancient studies literary studies feminist studies and other disciplines now understand the Bible **The Dead Sea Scrolls After Fifty Years, Volume 1** Peter Flint,James C.
