## **Saddams Bombmaker Library Edition:**

**Saddam's Bombmaker** Jeff Stein, Khidhir Hamza, 2001-06-24 The Iraqi scientist who designed Baghdad's nuclear bomb tells how he did it in secret with the cynical help of U S French German and British suppliers and experts and kept it hidden from U N inspectors after the Gulf War Today he says Saddam Hussein is only months away from making a workable bomb and has every intention of using it Don't tell me about the law The law is anything I write on a scrap of paper Saddam Hussein In 1994 after twenty years developing Iraq's atomic weapon Dr Khidhir Hamza made a daring escape to warn the CIA of Saddam's nuclear ambitions only to be ridiculed and turned away After a harrowing journey across three continents with Iraqi agents on his trail Hamza finally came in from the cold at the U S embassy in Hungary Now he tells a frightening story that U S officials have finally come to believe that Saddam is still feverishly at work on the bomb and if pushed to the wall will use it Dr Hamza also presents a startling unprecedented portrait of Saddam himself his drunken rages his women his fear of germs and his cold blooded murder of underlings A former resident of the presidential palace Hamza is the only defector who has lived to write a firsthand intimate portrait of the Iraqi inner circle its spies and hit men and their brutal chief Saddam's Bombmaker is also a saga of one man's journey through the circles of hell Educated at MIT and Florida State University dedicated to a life of peaceful teaching in America Dr Hamza relates how the regime ordered him home seduced him into a pampered life as an atomic energy official and forced him to design a bomb The price of refusal was torture As the father of the Iraqi bomb Dr Hamza designed a device from scratch with the help of World War Two era blueprints from America's Los Alamos labs all the while planning an escape Privately he and his colleagues believed they could procrastinate long enough to outlive Saddam But the dictator outmaneuvered them whipping the scientists into a crash program to build a crude bomb that could be dropped on Israel Had U S and Allied forces not quickly mobilized for Desert Storm Dr Hamza relates Saddam may well have succeeded except for sufficient uranium the device was ready It still is Dr Hamza's tale of his escape his first bungled contact with CIA agents and his flight abroad will keep readers turning pages toward a climax worthy of a well crafted spy thriller Along the way he reveals The West's don't ask just sell attitude toward Iraq's nuclear chemical and biological programs as long as it was fighting Iran How Iraq tested biological and chemical weapons on human subjects How the Palestinian Liberation Organization PLO tried to recruit Dr Hamza to make a bomb Baghdad's secret program to break into U S and other foreign computer systems Saddam's Bombmaker is not only a shocking political and scientific expos it is a riveting adventure tale     Forthcoming Books Rose Arny, 2001     *On Revolution and Revolutionary Action* Saddam Hussein, 1995     Saddam Hussein Philippe Delestre, 1991 La chronique humoristique de Philippe Delestre qui retrace les événements et offre une synthèse sur l'évolution de la Guerre du Golfe     Democracy Saddam Hussein, 1992

**Saddam Hussein's Nuclear Vision** : Norman L. Cigar, 2011     *Saddam Hussein* Con Coughlin, 2005
