*The Wisdom of the East Series,*  
*Edited by ... J. L. Cranmer-Byng,      **The Lost Books of Wisdom*** James L. Jordan, Deovina N. Jordan, 2020-04-23

Hidden beneath the shifting sands and within the caves of the Middle East were texts of wisdom that had been lost and forgotten for thousands of years. During their time, these texts of wisdom were read and studied by many generations, including those which many people since then have read about in the Bible and other sources. For example, Abraham came from Mesopotamia; therefore, he was most likely familiar with the wisdom of that land. Joseph, Moses, and Jesus lived in Egypt, while Solomon married one of Pharaoh's daughters; thus, each of these men and Jesus interacted with people who followed such teachings. They may have heard some of the teachings and proverbs themselves. The Jews, whose story is told in the Bible, wrote other literature that was read in Biblical times. Some of these were found recently in Qumran. They are frequently referred to as the Dead Sea Scrolls. Moreover, words attributed to Jesus, the center of Christianity, have been found in Egypt. Those too were lost for almost two thousand years. The collection of books offers an interesting look of a time long ago during the formative years of Judaism and Christianity, which was and had remained forgotten by humanity for thousands of years. This collection of books has now been rediscovered and translated into modern English.
