**Scripture Twisting** James W. Sire,2009-09-20 How often have you encountered some bizarre doctrine only to be stunned to hear a Bible verse quoted to support it With new religious cults springing up almost daily and old ones growing rapidly this is more and more common How are they seemingly able to twist Scripture to mean something orthodox Christians have never believed it to mean in two thousand years James Sire author of The Universe Next Door and How to Read Slowly has isolated twenty separate kinds of reading errors which are characteristically made by cultists as they interpret the Bible He covers the full range from simple misquotation to complex argumentation which links one slightly eccentric interpretation to another mixes in a few orthodox readings and ends with a conclusion totally foreign to the biblical world view Sire also handles twisted translation overspecification virtue by association ignoring the context and other flawed interpretations A book to help us all become better readers of the Scriptures     *10 Keys to Witnessing to Cults* Rose Publishing,2008-02 Cults are based on a simple theological fallacy that God is not what the Bible says that He is Once simple scriptural observations are made we can be sure that there is a God and that He is everything that He claims to be in His Word Having a dialogue with someone who believes differently about God can be difficult but this pamphlet helps in many ways Clearly explaining how cultists think giving biblical responses to their arguments providing information about additional resources and offering questions that cultists must answer for themselves authors Ron Rhodes and Christy Harvey Darlington provide a simple resource to assist Christians in their conversations with those involved in cults

**Understanding New Religious Movements** John A Saliba,2004-09-08 Discussions of any religion can easily raise passions But arguments tend to become even more heated when the religion under discussion is characterized as new Divisions around the study of new religious movements NRMs or cults or nontraditional or alternative or emergent religions are so acute that there is even controversy over what to call them John Saliba strives to bring balance to these discussions by offering perspectives on new religions from different academic perspectives history psychology sociology law theology and counseling This approach provides rich descriptions of a broad range of movements while demonstrating how the differing aims of the disciplines can create much of the controversy around NRMs The new second edition has been updated and revised throughout and includes a new foreword by noted historian of religion J Gordon Melton For classes in religion or the social sciences or for interested individuals Understanding New Religious Movements offers the most objective introduction possible     *A Different Gospel* Dan R McConnell,2011-12-22 The name it claim it theology of the Word Faith Movement is presented as biblical but is it In this compelling book McConnell documents the historical link between faith theology and New Thought metaphysics He then analyzes faith theology's doctrines of healing and prosperity as well as its understanding of the atonement of Christ to show how they deviate from biblical teaching This updated edition features a foreword by Hank Hanegraaff and an afterword by McConnell Softcover from Hendrickson     The Worldview of the Word of Faith Movement:

Eden Redeemed Mikael Stenhammar,2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith. The reader receives insights into the movement's narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world. The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings. This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection. The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism.

*Introduction to Biblical Interpretation* William W. Klein,Craig L. Blomberg,Robert L. Hubbard, Jr.,2004-07-06 The authors of this book have combined years of expertise and devotion to Scripture to provide a truly unique volume that sets forth concise logical practical guidelines for discovering the truth in God's Word. Ten years after its initial publication the authors now have thoroughly updated it in light of the latest scholarship. This is a remarkably comprehensive study of the whole area of biblical interpretation. Thoroughly evangelical it also interacts with non-evangelical interpretational stances. No other volume available on biblical interpretation does so much so well. Douglas Stuart Professor of Old Testament Gordon Conwell Theological Seminary.

*Perspectives on New Religious Movements* John A. Saliba,2016-10-06 This book provides a dispassionate analysis of new religious movements charting their growth and examining them from a variety of perspectives sociological psychological legal and theological. Saliba then questions whether or not membership harms those who join these new movements and assesses the charge that they brainwash their adherents.

*Conversations with Jehovah's Witnesses* Ron Rhodes,2014-02-01 An unfamiliar car parks near your house and two pleasant looking folks approach your front door. The doorbell rings and after exchanging pleasantries your unexpected guests offer you some literature from the Watchtower Society. What will you say? What should you say? Should you engage your visitors in conversation at all? And if so how? Trusted Bible teacher Ron Rhodes guides you through several realistic dialogues with Jehovah's Witnesses demonstrating helpful techniques for listening asking questions avoiding offense and more. He includes the information you need to address the big issues including the New World Translation of the Bible the divine name the Trinity salvation and the afterlife. With this practical kindhearted and easy to understand resource you can actually enjoy discussions about your faith when Jehovah's Witnesses come to call and you can lovingly guide them to the truth about Jesus Christ.

**A Commentary on The Baptist Faith and Message 2000** T. J. Milam, 2008 **Beyond Chapter and Verse** Ken Casillas, 2018-02-28 Do you struggle to connect the dots between the Bible and your life While Christians instinctively want to apply Scripture we encounter difficulties that can discourage us and diminish our engagement with God's Word Indeed biblical application has suffered in various ways in the church everything from neglect

to abuse to contempt Responding to such challenges Beyond Chapter and Verse provides a biblically based rationale for the practice of application and then proposes a biblically consistent method for application The book is substantive but accessible relevant for believers generally as well as preachers It begins by sketching the broad theological context of Bible application relating it to the gospel generally and to sanctification specifically The heart of the study then synthesizes key Old and New Testament passages relative to the process of application Building on this foundation the book sets forth a sensible approach for arriving at legitimate applications of Scripture A rich assortment of positive and negative case studies illustrates the method motivating believers to apply the Scriptures for themselves     In the House of Friends Kenneth J.

Garrett,2020-07-10 There is a place that promises acceptance spiritual growth and friendship but instead delivers criticism abuse and exploitation A place that declares marriages will be strengthened treasured and protected but instead weakens diminishes and marginalizes them A place that claims to obey the word of God but in practice weaponizes the word against those who disagree or doubt A place where the good news of a tenderhearted loving Savior is blurred by leaders who are controlling traumatizing and self serving A place that calls loudly to the storm tossed at sea only to lure them to the rocks where they flounder and fall apart A place that appeared to be a house of friendship but was a place of betrayal That place might be a Christian church It might be a cult It is probably both In the House of Friends Understanding and Healing from Spiritual Abuse in the Christian Church is written for survivors of abusive churches their families and friends and all who want to understand spiritual abuse and help the abused Dr Garrett is a long term pastor of a diverse urban congregation and combines personal experience sound academic research and pastoral theology to address a poorly understood rarely admitted problem today spiritual abuse in Christian churches     **Systematic Theology, Second Edition** Wayne A.
