Scrubs On Skates

Scott Young

Scrubs On Skates:

Scrubs on Skates Scott Young, 1952 **Scrubs on Skates** Scott Young, 1985 Exciting story about winning hockey games and friends Puckstruck Stephen Smith, 2014-10-25 Like many a Canadian kid Stephen Smith was up on skates first thing as a boy out in the weather chasing a puck and the promise of an NHL career Back indoors after that didn't quite work out he turned to the bookshelf That's where without entirely meaning to he ended up reading all the hockey books There was Crunch and Boom Boom Slashing and High Stick there was Max Bentley Hockey's Dipsy Doodle Dandy Blue Line Murder and Nagano a Czech hockey opera There was Blood on the Ice Cracked Ice Fire On Ice Power On Ice Cowboy On Ice and Steel On Ice In Puckstruck Smith chronicles his wide eyed and sometimes wincing wander through hockey's literature language and culture weighing its excitement and unbridled joy against its costs and vexing brutality In exploring his own lifelong love of the game hoping to surprise some sense out of it he sifts hockey's narratives in search of hockey's heart what it means and why it should distress us even as we celebrate its glories On a journey to discover what the game might have to say about who we are as Canadians he seeks to answer some of its essential riddles *Scrubs on Skates. Drawings by James Ponter*

Scott Young, 1952 **Ontario Boys** Christopher J. Greig, 2014-02-04 Ontario Boys explores the preoccupation with boyhood in Ontario during the immediate postwar period 1945-1960 It argues that a traditional version of boyhood was being rejuvenated in response to a population fraught with uncertainty and suffering from insecurity instability and gender anxiety brought on by depression era and wartime disruptions in marital familial and labour relations as well as mass migration rapid postwar economic changes the emergence of the Cold War and the looming threat of atomic annihilation In this sociopolitical and cultural context concerned adults began to cast the fate of the postwar world onto children in particular boys In the decade and a half immediately following World War II the version of boyhood that became the ideal was one that stressed selflessness togetherness honesty fearlessness frank determination and emotional toughness It was thought that investing boys with this version of masculinity was essential if they were to grow into the kind of citizens capable of governing protecting and defending the nation and of course maintaining and regulating the social order Drawing on a wide variety of sources Ontario Boys demonstrates that although girls were expected and encouraged to internalize a special kind of citizenship as caregivers and educators of children and nurturers of men the gendered content and language employed indicated that active public citizenship and democracy was intended for boys An appropriate boyhood in the postwar period became if nothing else a metaphor for the survival of the nation Seasonable Hints from the Dominion Experimental Farms

Canada. Experimental Farms Services, 1915 **The Publishers Weekly**, 1953 Canadian Books for Young People/Livres canadiens pour la jeunesse, 3e Irma McDonough, 1980-12-15 This third completely revised edition contains hundreds of new entries for a total of almost 2 000 children's books and magazines carefully selected and described by a team of children's librarians Entries are arranged by subject with reading levels indicated where necessary and are also listed in a separate

author title index A list of prize winning Canadian children s books and a basic book list for librarians teachers and parents are included in this charmingly illustrated volume The Maritime Farmer and Co-operative Dairyman ,1923 *Canadian Hockey Literature* Jason Blake,2010-03-06 Hockey occupies a prominent place in the Canadian cultural lexicon as evidenced by the wealth of hockey centred stories and novels published within Canada In this exciting new work Jason Blake takes readers on a thematic journey through Canadian hockey literature examining five common themes nationhood the hockey dream violence national identity and family as they appear in hockey fiction Blake examines the work of such authors as Mordecai Richler David Adams Richards Paul Quarrington and Richard B Wright arguing that a study of contemporary hockey fiction exposes a troubled relationship with the national sport Rather than the storybook happy ending common in sports literature of previous generations Blake finds that today s fiction portrays hockey as an often glorified sport that in fact leads to broken lives and ironic outlooks The first book to focus exclusively on hockey in print Canadian Hockey Literature is an accessible work that challenges popular perceptions of a much beloved national pastime Hockey on the Moon Jamie Dopp ,2024-11-22 Fantasy and reality come together in sports and Jamie Dopp argues that nowhere is this blurring of the borders of reality more evident than in Canadian hockey Using imagination as a unifying theme Dopp offers in depth analyses of key texts of hockey literature with a focus on how these texts reveal the imaginative possibilities of the game Popular texts like Stompin Tom Connors The Hockey Song Scott Young s Scrubs on Skates trilogy and Roch Carrier s The Hockey Sweater as well as important literary texts like Bill Gaston s The Good Body Cara Hedley s Twenty Miles and Richard Wagamese s Indian Horse are examined Dopp s analysis draws on literary history and methods and explores broader topics such as the role of imagination in human culture the significance of play the evolution of sport in Canada and elsewhere the history of Canada and the history and social significance of hockey **Migration and Fiction** Maria Löschnigg,Martin Löschnigg,2009 **Canadian Books for Schools** Alberta Teachers' Association. English Council,Alberta Teachers' Association. School Library Council,1968 *Canada's Game* Andrew C. Holman,2009-09-09 Contributors include Julian Ammirante Laurentian University at Georgian Jason Blake University of Ljubljana Slovenia Robert Dennis Queen s University Jamie Dopp University of Victoria Russell Field University of Manitoba Greg Gillespie Brock University Richard Harrison Mount Royal College Craig Hyatt Brock University Brian Kennedy Pasadena City College Karen E H Skinazi University of Alberta and Julie Stevens Brock University **The Same but Different** Jason Blake,Andrew C. Holman,2017-08-21 From coast to coast hockey is played watched loved and detested but it means something different in Quebec Although much of English Canada believes that hockey is a fanatically followed social unifier in the French speaking province in reality it has always been politicized divided and troubled by religion class gender and language In The Same but Different writers from inside and outside Quebec assess the game s history and culture in the province from the nineteenth century to the present This volume surveys the past and present uses of hockey and how it has been represented in literature

drama television and autobiography While the legendary Montreal Canadiens loom throughout the book's chapters the collection also discusses Quebecers' favourite sport beyond the team's shadow Employing a broad range of approaches including study of gender memory and culture the authors examine how hockey has become a lightning rod for discussions about Quebec's identity Hockey reveals much about Quebec and its relationship with the rest of Canada The Same but Different brings new insights into the celebrated game as a site for community engagement social conflict and national expression

Shakey James McDonough, 2010-07-01 Neil Young is one of rock and roll's most important influential and enigmatic figures an intensely reticent artist who has granted no writer access to his inner sanctum until now In Shakey Jimmy McDonough tells the whole story of Young's incredible life and career from his childhood in Canada to the founding of folk rock pioneers Buffalo Springfield to the bleary conglomeration of Crazy Horse and simultaneous monstrous success of Crosby Stills Nash to the depths of the Tonight's the Night depravity and the strange changes of the Geffen years and Young's unprecedented nineties comeback with Ragged Glory and Harvest Moon No detail is spared not the sex drugs relationships breakups births deaths nor the variety of chameleon-like transformations that have enabled Young to remain one of the most revered musical forces of our time Shakey the title refers to one of Young's many aliases is not only a detailed chronicle of the rock era told through the life of one uncompromising artist but the compelling human story of a lonely kid for whom music was the only outlet a driven yet tortured figure who learned to control his epilepsy via mind over matter an oddly passionate model train mogul who inspired by his own son's struggle with cerebral palsy became a major activist in the quest to help those with the condition Based on interviews with hundreds of Young's associates many speaking freely for the first time as well as extensive exclusive interviews with Young himself Shakey is a story told through the interwoven voices of McDonough biographer critic historian obsessive fan and the ever cantankerous but slyly funny Young himself who puts his biographer through some unforgettable paces while answering the question Is it better to burn out than to fade away

Canadian Children's Literature, 1985 Private Practices Saskatchewan Meredith Cherland University of Regina, 2013-10-23 First Published in 1994 The study of literacy no longer focuses solely on psychological processes In the past ten years literacy has been reconceptualized as a social practice or rather as social practices that make up the fabric of daily life Using an anthropological perspective Private Practices examines the broad fictional reading of middle class pre-teen girls and offers fresh insights into the place of literacy both at home and at school in the construction of gender The author provides a wealth of evidence to support the central assumption of the book Gender is a cultural and social construction not a biological given Gender is something that people create while interacting with each other in all the practices of their daily lives including their literacy practices The book also provides critical analysis and commentary concerning the role that reading fiction plays in cultural reproduction In the hope that deeper knowledge of literacy as a social practice will support social transformation and eventually social justice the author suggests compelling reasons for the fact that girls read more

fiction and different fiction than do boys **Everybody's Favourites** Arlene Perly Rae,1997 From Bill Cameron's beautiful reflection on his early love for *The Wind In The Willows* to Jane Urquhart's thoughts on the importance of L M Montgomery's Emily books to a budding young author from Peter Gzowski's thrill of recognition in the pages of *Catcher In The Rye* to the youthful longings that drove Sheila McCarthy to the popular Cherry Ames series from Tim Wynne Jones wry memories of the moment the Hardy Boys let him down to Robert Bateman's early discovery of his vocation through the works of Ernest Thompson Seton *Everybody's Favourites* shows us the extraordinary influence and exhilaration of early reading experiences

Book Guy Howard Overend,2001 *Book Guy* is unique It's a librarian's story of getting books into the hands of rural school children and people in isolated places in the Peace River country and up the Alaska Highway The story also tells how the mobile service began 50 years ago and traces not without humour the remarkable efforts of successive true grit librarians to overcome the obstacles of poor working conditions severe cold and the hazards of dust and ice and muddy roads

This Enthralling World of E-book Books: A Comprehensive Guide Revealing the Advantages of Kindle Books: A Realm of Ease and Versatility Kindle books, with their inherent mobility and ease of availability, have liberated readers from the limitations of hardcopy books.
