Scuba Duba Bruce Jay Friedman,1966 **Scuba Duba** Bruce Jay Friedman,1968 In Richard Watts Jr s words concerns the misadventures of an American in the South of France His wife has just gone off with a black skin diver and he is trying to be very fair and non racial about it although with indifferent results His next door neighbor is a bikini clad American girl who drops in chiefly to tell him pointless stories She is also willing to comfort him but his main interest is dramatizing himself as interchangeably forgiving and vengeful The other visitors include a thief and a policeman who being French patriotically takes the French thief s side against him The fatuous psychiatrist shows up as does an impossible American who thinks he understands other races The wife and her two black friends arrive one the skin diver who puts on a bogusly genial kind of minstrel act the other a romantic type who makes love poetically They are a well assorted and on the whole an amusing set of people And in fact perhaps the most singular hilarious and ingratiating group of characters to be encountered on the American stage since *You Can t Take It with You* made history of a similar kind in its own time *The Facts on File Companion to American Drama* Jackson R.
