beautiful world to other fantasists to play in as their very own To say that other fantasy writers are excited by this prospect is a gross understatement one has told us that he d crawl through broken glass for the chance to write for the anthology another that he d gladly give up his right arm for the privilege That s the kind of regard in which Jack Vance and The Dying Earth are held by generations of his peers Each story includes an afterword by the author At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **Tales, Then and Now** Anna E.
