Sea Of Tranquillity:

Sea of Tranquillity Paul Russell, 2003-08-25 Paul Russell's delicately layered richly textured novels have won him widespread acclaim as one of the finest contemporary American novelists. *Sea of Tranquillity* possibly his most ambitious and rewarding novel traces a disintegrating nuclear family across two tumultuous decades of American life from the early 60s to the 80s and is told in a quartet of voices: astronaut Allen Cloud, his wife, their gay son Jonathan and his friend/lover. Ranging in time and emotion from the optimism of the first moon shot to the dark landscape of the age of AIDS, *Sea of Tranquillity* is an extraordinary and compelling novel. *Sea of Tranquillity* Emily St. John Mandel, 2022-04-05 NEW YORK TIMES

BESTSELLER The award-winning best-selling author of *Station Eleven* and *The Glass Hotel* returns with a novel of art, time travel, love and plague that takes the reader from Vancouver Island in 1912 to a dark colony on the moon five hundred years later, unfurling a story of humanity across centuries and space. One of the Best Books of the Year, *The New York Times*, NPR, Goodreads. One of Mandel's finest novels and one of her most satisfying forays into the arena of speculative fiction. Yet *The New York Times* Edwin St. Andrew is eighteen years old when he crosses the Atlantic by steamship, exiled from polite society following an ill-conceived diatribe at a dinner party. He enters the forest spellbound by the beauty of the Canadian wilderness and suddenly hears the notes of a violin echoing in an airship terminal, an experience that shocks him to his core. Two centuries later, a famous writer named Olive Llewellyn is on a book tour. She's traveling all over Earth, but her home is the second moon colony, a place of white stone spired towers and artificial beauty. Within the text of Olive's best-selling pandemic novel lies a strange passage: a man plays his violin for change in the echoing corridor of an airship terminal as the trees of a forest rise around him. When Gaspary Jacques Roberts, a detective in the black-skied Night City, is hired to investigate an anomaly in the North American wilderness, he uncovers a series of lives upended: The exiled son of an earl driven to madness; a writer trapped far from home as a pandemic ravages Earth; and a childhood friend from the Night City who, like Gaspary himself, has glimpsed the chance to do something extraordinary that will disrupt the timeline of the universe. A virtuoso performance that is as human and tender as it is intellectually playful, *Sea of Tranquillity* is a novel of time travel and metaphysics that precisely captures the reality of our current moment. *The Sea of Tranquillity* Mark Haddon, 2020-01-09 A magical celebration of the 50th anniversary of the moon landing from the bestselling author of *The Curious Incident of the Dog in the Night-time*.

The Sea of Tranquillity Katja Millay, 2012-11-13 *Gone Girl* meets *The Perks of Being a Wallflower* in this critically acclaimed novel about resilience, forgiveness, love and second chances. I live in a world without magic or miracles. A place where there are no clairvoyants or shapeshifters, no angels or superhuman boys to save you. A place where people die and music disintegrates and things suck. I am pressed so hard against the earth by the weight of reality that some days I wonder how I am still able to lift my feet to walk. Two and a half years after an unspeakable tragedy left her a shadow of the girl she once was, Nastya Kashnikov moves to a new town determined to keep her dark past hidden and hold everyone

at a distance But her plans only last so long before she finds herself inexplicably drawn to the one person as isolated as herself Josh Bennett Josh s story is no secret Every person he loves has been taken from his life until at seventeen years old there is no one left When your name is synonymous with death everyone tends to give you your space Everyone except Nastya who won t go away until she s insinuated herself into every aspect of his life But as the undeniable pull between them intensifies he starts to wonder if he will ever learn the secrets she s been hiding or if he even wants to The Sea of Tranquility is a rich intense and brilliantly imagined story about a lonely boy an emotionally fragile girl and the miracle of second chances
