A Question of Manhood, Volume 1 Darlene Clark Hine, Earnestine Jenkins, 1999-10-22 Each of these essays illuminates an important dimension of the complex array of Black male experiences as workers artists warriors and leaders The essays describe the expectations and demands to struggle to resist and facilitate the survival of African American culture and community Black manhood was shaped not only in relation to Black womanhood but was variously nurtured and challenged honed and transformed against a backdrop of white male power and domination and the relentless expectations and demands on them to struggle resist and to facilitate the survival of African American culture and community

Routledge Handbook of the South Asian Diaspora Joya Chatterji, David Washbrook, 2014-01-03 South Asia's diaspora is among the world's largest and most widespread and it is growing exponentially It is estimated that over 25 million persons of Indian descent live abroad and many more millions have roots in other countries of the subcontinent in Pakistan Bangladesh and Sri Lanka There are 3 million South Asians in the UK and approximately the same number resides in North America South Asians are an extremely significant presence in Southeast Asia and Africa and increasingly visible in the Middle East This interdisciplinary handbook on the South Asian diaspora brings together contributions by leading scholars and rising stars on different aspects of its history anthropology and geography as well as its contemporary political and socio cultural implications The Handbook is split into five main sections with chapters looking at mobile South Asians in the early modern world before moving on to discuss diaspora in relation to empire nation nation state and the neighbourhood and globalisation and culture Contributors highlight how South Asian diaspora has influenced politics business labour marriage family and culture This much needed and pioneering venture provides an invaluable reference work for students scholars and policy makers interested in South Asian Studies

The Cambridge Global History of Fashion: Volume 1 Christopher

Breward, Beverly Lemire, Giorgio Riello, 2023-08-17 Volume I surveys the long history of fashion from the ancient world to c 1800 The volume seeks to answer fundamental questions on the origins of fashion challenging Eurocentric explanations that the emergence of fashion was a European phenomenon and shows instead that fashion found early expressions across the globe well before the age of European colonialism and imperialism It sheds light on how fashion was experienced in a multitude of ways depending on class gender and race and despite geographical distance fashion connected populations across the globe Fashions flowered and were reseeded through entanglements of empire forced and voluntary migration evolving racial systems burgeoning sea travel and transcontinental systems

Matsuda, 2023-01-05 Volume I of The Cambridge History of the Pacific Ocean provides a wide ranging survey of Pacific history to 1800 It focuses on varied concepts of the Pacific environment and its impact on human history as well as tracing the early exploration and colonization of the Pacific the evolution of Indigenous maritime cultures after colonization and the disruptive arrival of Europeans Bringing together a diversity of subjects and viewpoints this volume introduces a broad variety of topics engaging fully with emerging environmental and political conflicts over Pacific Ocean spaces These essays emphasize the impact of the deep history of interactions on and across the Pacific to the present day

People, Place and Power on the Nineteenth-Century Waterfront Graeme J. Milne, 2016-08-24 This book explores the tenuous existence of seafarers divided between their time on the ocean and their residence in sailortown economies geared to exploit them Particular attention is given both to the contribution of seafarers as a global workforce into the nineteenth century and to their help in creating vibrant multicultural enclaves in port cities worldwide In addition research explores the scandalized opinions of outside observers challenging ideas about public behavior and relationships Sailortown myths persisted far into the twentieth century to the detriment of older waterfront districts and their residents and readers will find this book is invaluable in casting new light on forgotten communities whose lives bridged urban maritime and global histories

From Cabin 'Boys' to Captains Jo Stanley, 2016-04-04 Traditionally a woman's place was never on stormy seas But actually thousands of dancers purserettes doctors stewardesses captains and conductresses have taken to the waves on everything from floating palaces to battered windjammers Their daring story is barely known even by today's seawomen From before the 1750s women fancying an oceangoing life had either to disguise themselves as cabin boys or acquire a co operative husband with a ship attached Early pioneers faced superstition and discrimination in the briny monasteries Today women captain cruise ships as big as towns and work at the highest level in the global maritime industry This comprehensive exploration looks at the Merchant Navy comparing it to the Royal Navy in which Wrens only began sailing in 1991 Using a wide variety of interviews and sources Jo Stanley vividly reveals the incredible journey across time taken by these brave and lively women salts

Across Colonial Lines Devyani Gupta, Purba Hossain, 2023-02-09 Across Colonial Lines takes a multi perspective approach to the study of empire and commodities and encourages readers to look at commodity histories in alternative spatial and temporal contexts It offers a comparative understanding of commodities in the Venetian Portuguese Dutch French and British Empires Highlighting the interwoven

character of multiple commodity networks this book situates commodities like gold coffee tea and indigo to name a few within pre existing networks of labour consumption and knowledge production It explores the nexus between the local and the global and highlights the role played by individual producers petty traders sailors and even consumers in creating regional circulations within a global political economy In this volume commodity networks are not just sites of production and trade but also of political control social organisation and consumption choices They provide the impetus for globalisation from as early as the thirteenth century Each chapter takes an individual commodity to illustrate the history of commodity transmission within imperial contexts From early modern Venetian commerce to the trade networks of the Eurasian world from the trading ambitions of British sailors to Portuguese global imperial ambitions from the cross imperial knowledge networks of indigo to the assertion of indigenous agency in Angola and from the commodification of labour to the experience of tourism in the Caribbean and Indian Ocean World Across Colonial Lines uses commodity networks as a lens to study empire building across varied yet connected geographies and chronologies

One Firm Anchor RWH Miller, 2012-10-25 One Firm Anchor uncovers nineteen centuries of contact between the churches and the seafarer This extensive introductory history goes beyond anything previously written on the subject in scope and detail Until now much has been written of the sea but little about the relationship of the seafarer to Christianity R W H Miller adeptly sets out the origins of seafaring mission in the Early Church and the medieval era The early modern period is also considered leading to a detailed exploration of the developments in the nineteenth century that saw the foundation of The Missions to Seamen the British Sailors Society the Apostleship of the Sea and the Mission to Deep Sea Fishermen Particular attention is given to the work of the Catholic Church during the nineteenth and twentieth centuries These developments are set against the backdrop of the economic technical and cultural developments of each period and society Miller reveals the role of key figures such as G C Smith John Ashley Francis Goldie SJ and Peter Anson whose determination and vision instigated real change One Firm Anchor is both a triumph of scholarship and a lively narrative of heroic ministry and occasionally erring clergy and will appeal to historian academic and student alike

Leviathan: The History of Whaling in America Eric Jay Dolin, 2008-07-17 A Los Angeles Times Best Non Fiction Book of 2007 A Boston Globe Best Non Fiction Book of 2007 Amazon com Editors pick as one of the 10 best history books of 2007 Winner of the 2007 John Lyman Award for U S Maritime History given by the North American Society for Oceanic History The best history of American whaling to come along in a generation Nathaniel Philbrick The epic history of the iron men in wooden boats who built an industrial empire through the pursuit of whales To produce a mighty book you must choose a mighty theme Herman Melville proclaimed and this absorbing history demonstrates that few things can capture the sheer danger and desperation of men on the deep sea as dramatically as whaling Eric Jay Dolin begins his vivid narrative with Captain John Smith s botched whaling expedition to the New World in 1614 He then chronicles the rise of a burgeoning industry from its brutal struggles during the Revolutionary period to its

golden age in the mid 1800s when a fleet of more than 700 ships hunted the seas and American whale oil lit the world to its decline as the twentieth century dawned This sweeping social and economic history provides rich and often fantastic accounts of the men themselves who mutinied murdered rioted deserted drank scrimshawed and recorded their experiences in journals and memoirs Containing a wealth of naturalistic detail on whales Leviathan is the most original and stirring history of American whaling in many decades Power At Work Marcel van der Linden,Nicole Mayer-Ahuja,2023-07-04 Between working men and women which may include free wage earners chattel slaves indentured labourers sharecroppers domestic servants and many others and those employing them there has always been a constant mostly silent but sometimes overt struggle concerning employers discretionary power and over the interpretation of formal and informal rules There is a constantly shifting frontier of control that is an ongoing struggle for control in the workplace with managers and supervisors trying to increase their power over their subordinates and their subordinates in reaction trying to maintain and increase their relative autonomy The detailed case studies in this volume span three centuries and cover different parts of the world Still they speak to each other in many ways highlighting the fact that power at work whether on the shopfloor or beyond results from a wide range of complex interrelations Between technological innovations and the ways in which they are actually implemented Between the division of labour at the site of production or service provision and changing standards of social segmentation beyond the premises of the company which can be reinforced or weakened by management strategies of utilizing labour power as well as workers reaction to these strategies And finally between politics in production which shape the relations between capital and labour on the shopfloor and state politics of production which cannot be understood without reference to broader developments in economy and society **Human Resource Management in Shipping** Lijun Tang,Pengfei Zhang,2021-03-14 This book sheds light on the nature and causes of the issues and challenges in human resources in shipping and proposes fresh recommendations to manage them It explains the multiple forces at play including the global regulatory regime national institutional frameworks industrial practices trade union responses and pressures from customers and non governmental organisations Human Resource Management in Shipping integrates seafarer employment data released by national maritime authorities and a large body of literature that discusses discrete human resources issues in shipping into a single volume providing readers with a comprehensive understanding of the issues and challenges within human resources in shipping Beyond this the book also offers a fresh perspective on some of the long lasting HRM challenges in the industry such as skills shortage and seafarer recruitment and retention This book aims to provide readers with systematic and in depth knowledge of human resource management in shipping and offers researchers a valuable source of reference and a solid foundation on which further development can be built **Essays on Production and Trade in Late Medieval Iberia and the Mediterranean** Flávio Miranda, From the tenth century on technical and technological advancements in agriculture resulted in an unprecedented growth of cultivated land in Europe which would contribute to a

progressive integration of markets This economic drive occurred during a time of profound political social and religious change In certain parts of Europe citystates emerged to become the standard form of polity breaking away from previous ruling models and thrusting a new era of urban life and economic development This period was also marked by the zenith of Islam throughout the Middle East the Maghreb and the Iberian Peninsula with its people revolutionising agricultural production Through specific case studies this book aims to understand how these pieces of the medieval economy worked and evolved how distinctive they were from one region to another and what consequences local regional and international trade have had in people s everyday lives

Outsourcing African Labor Jeffrey Gunn, 2021-07-19 By the late eighteenth century the ever increasing British need for local labour in West Africa based on malarial climatic and manpower concerns led to a willingness of the British and Kru West African labourers from Liberia to experiment with free wage labour contracts The Kru s familiarity with European trade on the Kru Coast modern Liberia from at least the sixteenth century played a fundamental role in their decision to expand their wage earning opportunities under contract with the British The establishment of Freetown in 1792 enabled the Kru to engage in systematized work for British merchants ship captains and naval officers Kru workers increased their migration to Freetown establishing what appears to be their first permanent labouring community beyond their homeland on the Kru Coast Their community in Freetown known as Krutown provided a readily available labour pool and ensured their regular employment on board British commercial ships and Royal Navy vessels circumnavigating the Atlantic and beyond In the process the Kru established a network of Krutowns and community settlements in many Atlantic ports including Cape Coast Fernando Po Ascension Island Cape of Good Hope and in the British Caribbean in Demerara and Port of Spain Outsourcing African Labour in the Nineteenth Century Kru Migratory Workers in Global Ports Estates and Battlefields structures the fragmented history of Kru workers into a coherent global framework The migration of Kru workers in the Atlantic Indian and Pacific Oceans in commercial and military contexts represents a movement of free wage labour that transformed the Kru Coast into a homeland that nurtured diasporas and staffed a vast network of workplaces As the Kru formed permanent and transient working communities around the Atlantic and in the British Caribbean they underwent several phases of social political and economic innovation which ultimately overcame a decline in employment in their homeland on the Kru Coast by the end of the nineteenth century by increasing employment in their diaspora There were unique features of the Kru migrant labour force that characterized all phases of its expansion The migration was virtually entirely male and at a time when slavery was widespread and the slave trade was subjected to the abolition campaign of the British Navy Kru workers were free with an expertise in manning seaborne craft and portage Kru carried letters from previous captains as testimonies of their reliability and work ethic or they worked under the supervision of experienced workers who effectively served as references for employment They worked for contractual periods of between six months and five years for which they were paid wages The Kru thereby stand out as an anomaly in the history of Atlantic

trade when compared with the much larger diasporas of enslaved Africans *Embodied History* Simon P.

Newman, 2013-03-01 Offering a new view into the lives and experiences of plebeian men and women and a provocative exploration of the history of the body itself *Embodied History* approaches the bodies of the poor in early national Philadelphia as texts to be read and interpreted Through a close examination of accounts of the bodies that appeared in runaway advertisements and in seafaring almshouse prison hospital and burial records Simon P Newman uses physical details to paint an entirely different portrait of the material circumstances of the poor examining the ways they became categorized in the emerging social hierarchy and how they sought to resist such categorization The Philadelphians examined in *Embodied History* were members of the lower sort a social category that emerged in the early modern period from the belief in a society composed of natural orders and ranks The population of the urban poor grew rapidly after the American Revolution and middling and elite citizens were frightened by these poor bodies from the tattooed professional sailor to the African American runaway with a highly personalized hairstyle and distinctive mannerisms and gestures to the vigorous and lively Irish prostitute who refused to be cowed by the condemnation of others to the hardworking laboring family whose weakened and diseased children played and sang in the alleys In a new republic premised on liberty and equality the rapidly increasing ranks of unruly bodies threatened to overwhelm traditional notions of deference hierarchy and order Affluent Philadelphians responded by employing runaway advertisements the almshouse the prison and to a lesser degree the hospital to incarcerate control and correct poor bodies and transform them into well dressed hardworking deferential members of society *Embodied History* is a compelling and accessible exploration of how poverty was etched and how power and discipline were enacted upon the bodies of the poor as well as how the poor attempted to transcend such discipline through assertions of bodily agency and liberty
