**Seafaring in the Arabian Gulf and Oman** Dionisius A. Agius, 2005 This book is a study of the seafaring communities of the Arabian Gulf and Oman in the past 150 years It analyses the significance of the dhow and how coastal communities interacted throughout their long tradition of seafaring In addition to archival material the work is based on extensive field research in which the voices of seamen were recorded in over 200 interviews The book provides an integrated study of dhow activity in the area concerned and examines the consciousness of belonging to the wider culture of the Indian ocean as it is expressed in boat building traditions navigational techniques crew organisation and port towns People of the Dhow brings together the different measures of time past the sea its people and their material culture The Arabian Gulf and Oman have traditionally shared a common destiny within the Western Indian Ocean The seasonal monsoonal winds were fundamental to the physical and human unities of the seafaring communities producing a way of life in harmony with the natural world a world which was abruptly changed with the discovery of oil What remains is memories of a seafaring past a history of traditions and customs recorded here in the recollections of a dying generation and in the rich artistic heritage of the region

*Seafaring in the Arabian Gulf and Oman the People of the Dhow* Dionisius A. Agius, 2005      **Seafaring in the Arabian Gulf and Oman** Dionisius A. Agius, 2012-12-06 This book is a study of the seafaring communities of the Arabian Gulf and Oman in the past 150 years It analyses the significance of the dhow and how coastal communities interacted throughout their long tradition of seafaring In addition to archival material the work is based on extensive field research in which the voices of seamen were recorded in over 200 interviews The book provides an integrated study of dhow activity in the area concerned and examines the consciousness of belonging to the wider culture of the Indian ocean as it is expressed in boat building traditions navigational techniques crew organisation and port towns People of the Dhow brings together the different measures of time past the sea its people and their material culture The Arabian Gulf and Oman have traditionally shared a common destiny within the Western Indian Ocean The seasonal monsoonal winds were fundamental to the physical and human unities of the seafaring communities producing a way of life in harmony with the natural world a world which was abruptly changed with the discovery of oil What remains is memories of a seafaring past a history of traditions and customs recorded here in the recollections of a dying generation and in the rich artistic heritage of the region      In the Wake of the Dhow Dionisius A. Agius, 2002 A product of over two hundred interviews with shipwrights and seamen in the Arabian Gulf and Oman over a period of nine years this book compares information given firsthand with the literature already written on the dhow and on Arab seafaring in the past seventy years Documenting the dhow as an important element in the prosperity of the area before the discovery of oil the book discusses the geographical conditions and the historical linguistic background of each dhow type the life pattern in its role as cargo pearl diving and also how the seafaring communities interacted with the dhow world      **In the Wake of the Dhow** Dionisius A. Agius, 2010 The Arabian dhow with its characteristic features is

one of the evocative images of the Gulf the Red Sea and the Indian Ocean This book features over two hundred interviews with shipwrights and seamen in the Arabian Gulf and Oman It compares information given firsthand with the literature already written on the dhow and on Arab seafaring

**The Life of the Red Sea Dhow** Dionisius A. Agius,2019-04-04 Few images are as evocative as the silhouette of the Arab dhow as under full sail it tacks to windward on glittering waters of Red Sea before moving across the face of the rising or setting sun In this authoritative new book Dionisius A Agius one of the foremost scholars of Islamic material culture offers a lucid and wide ranging history of the iconic dhow from medieval to modern times Traversing the Arabian and African coasts he shows that the dhow was central not just to commerce but to the vital transmission and exchange of ideas Discussing trade and salt routes shoals and wind patterns spice harvest seasons and the deep and resonant connection between language memory and oral tradition this is the first book to place the dhow in its full and remarkable cultural contexts

**The Emergence of the Gulf States** John Peterson,2016-06-16 CHOICE Outstanding Academic Title 2017 The Emergence of the Gulf States covers the history of the Gulf from the 18th century to the late 20th century Employing a broad perspective the volume brings together experts in the field to consider the region s political economic and social development The contributions address key themes including the impact of early history religious movements social structures identity and language imperialism 20th century economic transformation and relations with the wider Indian Ocean and Arab world The work as a whole provides a new interpretive approach based on new research coupled with extensive reviews of the relevant literature It offers a valuable contribution to the knowledge of the area and sets a new standard for the future scholarship and understanding of this vital region

**Seasonal Knowledge and the Almanac Tradition in the Arab Gulf** Daniel Martin Varisco,2022-05-14 This book is the first in English to survey indigenous knowledge of seasonal astronomical and agricultural information in Arab Gulf almanacs It provides an extensive analysis of the traditional information available based on local almanacs Arabic texts and poetry by Gulf individuals ethnographic interviews and online forums A major feature of the book is tracing the history of terms and concepts in the local seasonal knowledge of the Gulf including an important genre about weather stars stemming back to the ninth century CE Also covered are pearl diving fishing seafaring and pastoral activities This book will be of interest to scholars who study the entire Arab region since much of the lore was shared and continues through the present It will also be of value to scholars who work on the Indian Ocean and Red Sea Trade Network as well as the history of folk astronomy in the Arab World

**The History of the United Arab Emirates** John A. Shoup,2021-11-05 This volume explores the political cultural and economic history of the United Arab Emirates from early antiquity through the 2010s The United Arab Emirates is a relatively young country in the Middle East made up of seven emirates Abu Dhabi Ajman Dubai Fujairah Ras Al Khaimah Sharjah and Umm Al Quwain How did these seven separate emirates come together to form the United Arab Emirates This volume explores the long rich history of these seven emirates focusing on political history but also highlighting culture

society economy and religion Chronologically arranged chapters examine major eras and turning points in history such as antiquity the rise of Islam British trade and the discovery of black gold oil Readers will learn how today most of the UAE s citizens are foreigners from other countries as well as how much of the country s economy and livelihood depends on oil An appendix of Notable People in the History of the United Arab Emirates serves to identify key players in the region s history and an annotated bibliographic essay provides readers with sources for further research Beyond Sunni and Shia Frederic Wehrey,2018-02-01 This collection seeks to advance our understanding of intra Islamic identity conflict during a period of upheaval in the Middle East Instead of treating distinctions between and within Sunni and Shia Islam as primordial and immutable it examines how political economy geopolitics domestic governance social media non and sub state groups and clerical elites have affected the transformation and diffusion of sectarian identities Particular attention is paid to how conflicts over distribution of political and economic power have taken on a sectarian quality and how a variety of actors have instrumentalized sectarianism The volume covering Syria Iraq Lebanon Saudi Arabia and the Gulf Iran and Egypt includes contributors from a broad array of disciplines including political science history sociology and Islamic studies *Beyond Sunni and Shia* draws on extensive fieldwork and primary sources to offer insights that are empirically rich and theoretically grounded but also accessible for policy audiences and the informed public *Human Interaction with the Environment in the Red Sea* Dionysius A. Agius,Emad Khalil,Eleanor Scerri,Alun Williams,2017-04-24 This volume contains a selection of fourteen papers presented at the Red Sea VI conference held at Tabuk University Kingdom of Saudi Arabia in 2013 It sheds light on many aspects related to the environmental and biological perspectives history archaeology and human culture of the Red Sea opening the door to more interdisciplinary research in the region It stimulates a new discourse on different human adaptations to and interactions with the environment With contributions by Andre Antunes K Christopher Beard Ahmed Hussein Emad Khalil Sol ne Marion de Proc Abdirachid Mohamed Ania Kotarba Morley Sandra Olsen Andrew Peacock Eleanor Scerri Pierre Schneider Marijke Van Der Veen and Chiara Zazzaro **The Formation of the UAE** Kristi Barnwell,2024-04-04 December 2 1971 ushered the United Arab Emirates into existence and marked the end of one hundred fifty years of British protection of the Arab states of the Gulf Today the UAE projects an image of modernity and prosperity but before its formation the emirates endured poverty and political upheaval while the rulers and people navigated the transition from autonomous city states to modern nation states under informal British rule This book shows how the Trucial States came to form a sovereign federation paying particular attention to the role of nationalism and anti imperialism Kristi Barnwell demonstrates that the ruling sheikhs of the Gulf Arab rulers in the Gulf strove to create their new state with close ties to Great Britain which provided technical military and administrative assistance to the emirates while also publicly embracing the popular ideologies of anti imperialism and Arab socialism that were still dominating the political discourse in the Arab world In the process she situates the Emirates modern history in the broader narratives of the history of the Middle

East The research draws on primary source materials from British and American government archives speeches and government publications from the Arab Emirates as well as memoirs and secondary sources *The Archaeology of Modern Worlds in the Indian Ocean* Mark William Hauser, Julia Jong Haines, 2023-12-19 Bringing together specialists working in multiple areas of the Indian Ocean world this volume uses a historical archaeological approach to explore the importance of the region to the emergence of modernity and globalization *Maritime and Underwater Cultural Heritage Management on the Historic and Arabian Trade Routes* Robert Parthesius, Jonathan Sharfman, 2020-12-15 This book brings together perspectives on maritime and underwater cultural heritage MUCH in selected countries around the Indian Ocean rim that are linked by the historic and Arabian maritime trade routes It explores how selected countries have adapted maritime archaeological and UCH management methodologies rooted in western contexts to their own situations It assesses how new heritage management burdens have been placed on states by outsiders wishing to conserve their own heritage in foreign waters It investigates what these new pressures are and asks what the future holds for the region Each chapter outlines the development of MUCH in the author's home nation provides an overview of current frameworks and activities and looks to the future of research and management The chapters draw conclusions regarding what has driven the process of developing individual approaches and perspectives and what the results have been They ask if the focus is on management or research and if the MUCH vision is focused seaward or towards the hinterland A common thread that binds the chapters is the adaptation of western management and practice structures to contexts where the binaries such as tangible and intangible natural and cultural and submerged and terrestrial become blurred It examines how states have confronted management and research challenges on sites that are validated primarily by European expansion perspectives **Songs of the Arabian Red Sea** Dionisius A. Agius, Muhammad Zafer Alhazmi, Hasan Hujairi, 2025-07-24 Song and music have always played an important part in the cultural identity of the mariners and coastal peoples of the Red Sea While previous studies on the maritime culture of this region have focused on the sailing vessel the dhow and seafaring communities this is the first book to examine its rich musical repertoire Using fieldwork conducted along the Hijaz and Upper Tihama coasts The Songs of the Arabian Red Sea documents examples of different musical forms and styles as well as the stories of older mariners who describe the contexts in which songs were sung from sea shanties during the working day to soulful ballads about home and loved ones at night Presenting the songs and their lyrics in the context of the geography culture oral history and musicology of the region the book reveals the complex and connected network that influenced their development and the vital place of song and music for diverse communities of the region **Gulf in World History** Allen James Fromherz, 2018-07-31 Analyses of Ranciere's philosophy and its potential for understanding the conversation between contemporary politics and art cinema *Classic Ships of Islam* Dionisius A. Agius, 2008 Drawing upon Arabic literary sources iconographic evidence and archaeological finds this book examines trade port towns ship construction seamanship ship typology and their historical

development in the Western Indian Ocean focussing on the Medieval Islamic period but including earlier sources *The Persian Gulf in History* L. Potter, 2009-01-05 Exploring the history of the Persian Gulf from ancient times until the present day leading authorities treat the internal history of the region and describe the role outsiders have played there The book focuses on the unity and identity of Gulf society and how the Gulf historically has been part of a cosmopolitan Indian Ocean world

**Routledge Handbook on China-Middle East Relations** Jonathan Fulton, 2021-12-27 This handbook brings together a mix of established and emerging international scholars to provide valuable analytical insights into how China's growing Middle East presence affects intra regional development trade security and diplomacy As the largest extra regional economic actor in the Middle East China is the biggest source of foreign direct investment into the region and the largest trading partner for most Middle Eastern states This portends a larger role in political and security affairs as the value of Chinese assets combined with a growing expatriate population in the region demands a more proactive role in contributing to regional order Exploring the effect of these developments the expert contributors also consider the reverberations in great power politics as the United States Russia India Japan and the European Union also have considerable interests in the region The book is divided into four sections Historical and policy context State and regional case studies Trade and development International relations security and diplomacy This volume is an essential reference for scholars and policy makers in the fields of international relations political sociology international political economy and foreign policy analysis Area studies specialists in Middle Eastern Studies China Studies and East Asian Studies will also find it an invaluable resource Stories
