

SEÁN LEMASS  
A BIOGRAPHY

MICHAEL O'SULLIVAN

A color portrait painting of Seán Lemass, an Irish politician. He is depicted from the chest up, wearing a dark blue suit, a white shirt, and a striped tie. He has a slight smile and is looking directly at the viewer. He is holding a small white card or piece of paper in his left hand. The background is dark and indistinct, suggesting an indoor setting.

## Sean Lemass A Biography:

Seán Lemass Michael O'Sullivan,1994

Seán Lemass John Horgan,1997

**Sean Lemass: The Enigmatic Patriot**

John Horgan,1997-10-01 The definitive biography of Se n Lemass the finest Taoiseach in the history of the Irish State There are few facets of Irish life which do not owe something to the genius effectiveness or determination of Lemass Horgan s biography explores that contribution quite brilliantly Bertie Ahern The Irish Times As a boy Se n Lemass fought in the 1916 rising He was a member of de Valera s first cabinet Minister for Industry and Commerce in every Fianna F il government between 1932 and 1959 and as Taoiseach from 1959 to 1966 was the pivotal figure in the modernisation of Ireland The Lemass that emerges from this fine book is an enigma and a passionate patriot a protectionist who later became an apostle of free trade a moderniser in what was often a party of traditionalists John Horgan s excellent biography is the work of a critical admirer who sees his subject as one of the most outstanding Irish political figures of the century The only biographer to have had complete access to all the government papers for the full period of Lemass s political career Horgan provides us with a rounded sympathetic yet critical examination of the life of one of twentieth century Ireland s most distinguished figures a comprehensive and thoughtful work worthy of the subject it lives up to its billing as a major biography of the Fianna F il leader Stephen Collins The Sunday Tribune Se n Lemass was not only one of the most formidable but for all his apparently bluff straightforwardness one of the most elusive personalities in the history of twentieth century Ireland John Horgan s study skilfully crafted and elegantly expressed is a major biography of a major figure greatly enhancing our understanding of the making of modern Ireland J J Lee author of The Modernisation of Irish Society 1848 19 **Seán Lemass** Robert J. Savage,1999 **Sean Lemass** Bryce Evans,2011-08-17 Se n Lemass enjoys unrivalled acclaim as the Architect of Modern Ireland Yet there remain great gaps in our knowledge of this mythic figure and his golden age Up to now Lemass a colossus of twentieth century Irish history was airbrushed to fit a narrative of national progress Today this narrative is undergoing an agonising reappraisal This groundbreaking study reveals the man behind the myth and asks questions previously skirted around What emerges is an authoritarian cunning workaholic patriot a shrewd political tactician whose impatience lay not just with the old Ireland but with democracy itself This is the untold story of a great man and his lasting impact on a nation s imagination *A New History of Ireland Volume VII* J. R. Hill,2010-08-26 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VII covers a period of major significance in Ireland s history It outlines the division of Ireland and the eventual establishment of the Irish Republic It provides comprehensive coverage of political developments north and south as well as offering chapters on the economy literature in English and Irish the Irish language the visual arts emigration and immigration and the history of women The contributors to this volume all specialists in their field provide the most

comprehensive treatment of these developments of any single volume survey of twentieth century Ireland      **A Dictionary of Political Biography** Christopher Riches, Dennis Kavanagh, 2013-09-19 Originally compiled by an expert team of contributors this dictionary covers all the major figures in world politics of the twentieth century Authoritative and wide ranging it describes and assesses the lives of more than 1 100 men and women who have shaped political events across the world Each entry includes an account of the background career and achievements of the individual concerned balancing fact with critical appraisal This second edition commissioned especially for Oxford Reference contains over 25 new entries and the whole text has been thoroughly revised and updated      **A Short History of Ireland** John Ranelagh, 2012-10-11 This third edition of John O Beirne Ranelagh's classic history of Ireland incorporates contemporary political and economic events as well as the latest archaeological and DNA discoveries Comprehensively revised and updated throughout it considers Irish history from the earliest times through the Celts Cromwell plantations famine Independence the Omagh bomb peace initiatives and financial collapse It profiles the key players in Irish history from Diarmuid MacMurrough to Gerry Adams and casts new light on the events North and South that have shaped Ireland today Ireland's place in the modern world and its relationship with Britain the USA and Europe is also examined with a fresh and original eye Worldwide interest in Ireland continues to increase but whereas it once focused on violence in Northern Ireland the tumultuous financial events in the South have opened fresh debates and drawn fresh interest This is a new history for a new era      *Sean Lemass* Brian Farrell, 2002      **Jack Lynch, A Biography** Dermot Keogh, 2009-09-04 Jack Lynch is one of the most important and perhaps most underrated Irish political leaders of the twentieth century A sportsman who won six All Ireland medals in a row with Cork he was also a civil servant and a barrister before being elected to Dail Eireann in 1948 During his thirty one years as a parliamentarian he held the ministries of Education Industry and Commerce and Finance before succeeding Seán Lemass as Taoiseach in 1966 Lynch held office during the critical years of the late 1960s and early 1970s when Northern Ireland disintegrated and civil unrest swept through Belfast Derry and other towns This precipitated one of the worst crises in the history of the Irish state Jack Lynch upheld the parliamentary democratic tradition at great personal and political cost even to the point of fracturing the unity of his government and his party If you want to know what happened during those terrible years read this book      **Irish Freedom** Richard English, 2008-09-04 Richard English's brilliant new book now available in paperback is a compelling narrative history of Irish nationalism in which events are not merely recounted but analysed Full of rich detail drawn from years of original research and also from the extensive specialist literature on the subject it offers explanations of why Irish nationalists have believed and acted as they have why their ideas and strategies have changed over time and what effect Irish nationalism has had in shaping modern Ireland It takes us from the Ulster Plantation to Home Rule from the Famine of 1847 to the Hunger Strikes of the 1970s from Parnell to Pearse from Wolfe Tone to Gerry Adams from the bitter struggle of the Civil War to the uneasy peace of the early twenty first century Is it imaginable that Ireland might as

some have suggested be about to enter a post nationalist period Or will Irish nationalism remain a defining force on the island in future years a courageous and successful attempt to synthesise the entire story between two covers for the neophyte and for the exhausted specialist alike Tom Garvin Irish Times      *Seán Lemass* Brian Farrell,1983      *Current Biography Yearbook* ,1961      *Protectionism to Liberalisation* Maurice Fitzgerald,2018-02-06 This title was first published in 2000 This work examines Irish government towards European integration in the second post war decade by concentrating on crisis points or flash points it does this in a fairly subject oriented manner concerning Dublin s decision making processes The central themes of this study are concentrated on economic matters but they deal with other tenets when relevant too be they of a cultural diplomatic ideological military political or social nature      *Decolonising Peacebuilding* Chamindra Weerawardhana,2019-01-08 Exploring the conflict management trajectories of Northern Ireland and Sri Lanka this book engages in a discussion that highlights the importance of decolonising approaches to peacebuilding and conflict management in deeply divided societies Existing knowledge on the topic is largely produced in the Western academy using global North centric approaches This book written by a researcher from the global South who navigates the political life of a deeply divided society in Western Europe begins a conversation on a new 21st century re conceptualization of ethno national conflict in deeply divided societies based on a paradigm of decolonising This book will appeal to policymakers and practitioners in peacebuilding and related areas worldwide and students of peace and conflict studies as well as a general readership with an interest in decolonial approaches to world politics      *Inventing Ireland* Declan Kiberd,1996 The result is a major literary history of modern Ireland combining detailed and daring interpretations of literary masterpieces with assessments of the wider role of language sport clothing politics and philosophy in the Irish revival      *Northern Ireland at the Crossroads* M. Mulholland,2015-12-22 Centred on the dramatic premiership of Terence O Neill Northern Ireland at the Crossroads examines the most hopeful decade for Ulster Unionism this century O Neill s bold ambition to reach out to catholics inspired optimism but also massive political instability Though concerned with the drama and personalities of high politics this book has much to say on popular attitudes in one of the world s most politicised societies New light is shed on Paisleyism discrimination and the civil rights movement      **A Secret History of the IRA** Ed Moloney,2002 A portrayal of the Irish Republican Army includes coverage of its associations with Qaddafi s regime Margaret Thatcher s secret diplomacy with Gerry Adams and the Catholic Church s negotiations with Republican leadership      *Seán MacBride, A Life* Elizabeth Keane,2007-10-16 An exceptional man an extraordinary career a life of Se n MacBride Ireland s most distinguished statesman Sean MacBride 1904 1988 was at different times the Chief of Staff of the IRA a top criminal lawyer leader of Clann na Poblachta Irish Foreign Minister UN Commissioner and a founding member of Amnesty International He is the only person to have won both the Nobel Peace Prize 1974 and the Lenin Peace Prize 1977 Se n MacBride A Life by accomplished historian Elizabeth Keane is the first complete biography of this multifaceted complex and internationally renowned Irish politician From revolutionary

terrorist to conservative constitutional politician to liberal elder statesman and international humanitarian Se n MacBride uncovers the political and personal story of one of twentieth century Ireland s most controversial figures Se n MacBride begins with MacBride s birth in Paris in 1904 With icons of the nationalist movement in Ireland for parents MacBride s future as a politician was fated his father John MacBride was a Boer War hero executed for his role in the Easter Rising of 1916 his mother Maud Gonne was an outspoken revolutionary and the lost love and muse of Ireland s most famous poet W B Yeats Se n MacBride then looks at MacBride s membership of the IRA which he joined as teenager He fought in both the Irish War of Independence and the Irish Civil War Se n MacBride charts his rapid rise through the ranks looking at how he became the Director of Intelligence and later Chief of Staff of the IRA before relinquishing his position and becoming a top criminal barrister MacBride entered D il ireann for the first time in 1947 as the leader of Clann na Poblachta and formed the first coalition government in Irish history in 1948 Appointed Minister for External Affairs Foreign Minister Se n MacBride considers MacBride s tenure in office which included overseeing the acceptance of the European Convention on Human Rights the rejection of NATO and Ireland s exit from the Commonwealth His refusal to support fellow Clann na Poblachta TD No l Browne s Mother and Child Scheme in the face of the opposition of the Catholic bishops led to the collapse of the coalition MacBride lost his seat in the 1957 election retired officially from Irish party politics and entered the third phase of his life international statesman and human rights activist Se n MacBride looks at the pivotal role MacBride played in European and international politics and human rights over the course of his later years including founding Amnesty International opposing apartheid in South Africa and agitating against nuclear armament Few Irish politicians have had such an impact domestically and internationally From MacBride s violent IRA beginnings to his later advocacy of peace in politics Se n MacBride A Life captures the twists and turns of a fascinating career A figure of national and international importance one of the most distinguished Irish people of the twentieth century he has found a biographer of authority and assurance in Elizabeth Keane whose survey of his life and times is astute insightful and convincing Praise for Elizabeth Keane A singular voice in Irish history The Sunday Business Post Se n MacBride A Life Table of Contents Preface Man of Destiny A Sort of Homecoming From Chief of Staff to Chief Counsel Fighting Your Battles The Harp Without the Crown Rattling the Sabre Coming out of the Cave Catholic First Irishman Second A Statesman of International Status Never Lost His Fenian FateConclusion *Israel/Palestine and the Politics of a Two-State Solution* Thomas G. Mitchell, 2013-05-27 This is a dispassionate examination of the viability of a two state solution in the Israeli Palestinian conflict based on the politics of Israel Palestine and the United States It includes instructive case studies from South Africa in Namibia and the Irish claim to Northern Ireland The results of Israeli elections from 2001 to 2013 are analyzed with the conclusion that the Likud will be in any government coalition for at least the midterm future giving it a veto over policy A chapter examining the history and ideology of the secular right over the last 90 years follows There are three chapters of case studies the Likud withdrawal

from the Sinai in 1979 1982 and from Gaza in 2005 the withdrawal of South Africa from Namibia in 1988 1989 and the dropping of Ireland s constitutional claim to Northern Ireland in 1998 under a Fianna Fail government the same party that wrote the constitution in 1937 A chapter examines Palestinian politics since the mandatory era and another the American Israeli alliance and American politics A concluding chapter draws lessons from the case studies and the analysis

## Unveiling the Magic of Words: A Report on "**Sean Lemass A Biography**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of "**Sean Lemass A Biography**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound affect on the souls of its readers.
