Sean O Riada His Life And Work:

Seán 3Riada Tomás Ó Cannain, 2003-04-03 Imagine no Chieftains no Planxty or Bothy Band no Moving Hearts or Riverdance This biography of Se n Riada who spearheaded the revival of Irish traditional music and moved it onto the international stage shows it might not have happened without him One of the few significant artists to remain in Ireland after the Second World War he became an influential and intriguing character composer musician raconteur film maker and academic In this wide ranging account of his life his friend and colleague looks behind the mask to reveal the complex personality of a unique individual and paint a vivid picture of an ambivalent talent In his short life Riada encountered a host of personalities and suffered personal professional and financial crises The result is a fund of anecdotes many almost surreal The book concludes with the highly amusing Charles Acton correspondence and the great critic s obituary for Riada Also available *An Poc Ar Buile* by Se n S [The Disappointed Bridge](#) Richard Pine, 2014-06-02 This original study is the first major critical appraisal of Ireland s post colonial experience in relation to that of other emergent nations The parallels between Ireland India Latin America Africa and Europe establish bridges in literary and musical contexts which offer a unique insight into independence and freedom and the ways in which they are articulated by emergent nations They explore the master servant relationship the functions of narrative and the concepts of nationalism map making exile schizophrenia hybridity magical realism and disillusion The author offers many incisive answers to the question What happens to an emerging nation after it has emerged **Contemporary Musicians** Angela M. Pilchak, 2005-10 While popular music in all its varied forms is a source of common interest and an insatiable curiosity among readers of all ages thorough biographical information about its stars and superstars can be difficult to find Consult this ongoing reference series for biographical information on more than 3 600 important figures in today s musical arena Covering all genres of modern music Contemporary Musicians profiles artists involved in rock jazz pop rap rhythm and blues folk New Age country gospel and reggae **Irish Economic and Social History**, 2004 [Focus: Irish Traditional Music](#) Sean Williams, 2020-03-24 Focus Irish Traditional Music Second Edition introduces the instrumental and vocal musics of Ireland its diaspora in North America and its Celtic neighbors while exploring the essential values underlying these rich musical cultures and placing them in broader historical and social context With both the undergraduate and graduate student in mind the text weaves together past and present bringing together important ideas about Irish music from a variety of sources and presenting them in three parts within interdisciplinary lenses of history film politics poetry and art I Irish Music in Place and Time provides an overview of the island s musical history and its relationship to current performance practice II Music Traditions Abroad and at Home contrasts the instrumental and vocal musics of the Celtic Nations Scotland Wales Brittany etc and the United States with those of Ireland III Focusing In Vocal Music in Irish Gaelic and English identifies the great songs of Ireland s two main languages and explores the globalization of Irish music New to this edition are discussions of those contemporary issues

reflective of Ireland's dramatic political and cultural shifts in the decade since first publication issues concerning equity and inclusion white nationalism the Irish Traveller community hip hop and punk and more Pedagogical features such as discussion questions a glossary a timeline of key dates and expanded references as well as an online soundtrack ensure that readers of Focus Irish Traditional Music Second Edition will be able to grasp Ireland's important social and cultural contexts and apply that understanding to traditional and contemporary vocal and instrumental music today The Figure in the Cave and Other Essays John Montague, Antoinette Quinn, 1989 The Politics and Polemics of Culture in Ireland, 1800-2010 Pat Cooke, 2021-09-30 As a contribution to cultural policy studies this book offers a uniquely detailed and comprehensive account of the historical evolution of cultural policies and their contestation within a single democratic polity while treating these developments comparatively against the backdrop of contemporaneous influences and developments internationally It traces the climate of debate policies and institutional arrangements arising from the state's regulation and administration of culture in Ireland from 1800 to 2010 It traces the influence of precedent and practice developed under British rule in the nineteenth century on government in the 26 county Free State established in 1922 subsequently declared the Republic of Ireland in 1949 It demonstrates the enduring influence of the liberal principle of minimal intervention in cultural life on the approach of successive Irish governments to the formulation of cultural policy right up to the 1970s From 1973 onwards however the state began to take a more interventionist and welfarist approach to culture This was marked by increasing professionalization of the arts and heritage and a decline in state support for amateur and voluntary cultural bodies That the state had a more expansive role to play in regulating and funding culture became a norm of cultural discourse **Seoirse Bodley** Gareth Cox, 2010 Gareth Cox provides a compelling overview of the career and creative achievement of one of Ireland's foremost living composers Seoirse Bodley He documents the context from which Bodley's work has emerged over the course of the last sixty years and he discusses its most significant technical features This first full length study of Bodley's life and work will appeal to a wide range of readers and musicians both specialist and amateur and most importantly it will encourage more performers to study play and record Bodley's music **World Authors, 1980-1985** Vineta Colby, 1991 Biographical critical sketches of 320 contemporary writers who have come to prominence among readers of English in the early 1980s Although most of the authors profiled are imaginative writers sketches of biographers scientists historians philosophers and critics who have made significant contributions to literature are included as well Each sketch combines the important details of the subject's life and career with a fair representation of critical commentary Nearly one third of the authors profiled have included autobiographical passages to supplement their sketches Most biographies are accompanied by a portrait all include a bibliography of works by and about the subject Annotation copyrighted by Book News Inc Portland OR **Let's Go 2006 Western Europe** Jeremy Todd, Virginia Fisher, 2005-11-29 For the European traveler whose visiting several countries but skipping Eastern Europe This book does however cover Prague and Budapest as well as the Dalmation

The Real Ireland Harvey O'Brien, 2004 The Real Ireland is the first study of Irish documentary film but more than that it is a study of Ireland itself of how the idea of Ireland evolved throughout the twentieth century and how documentary cinema

both recorded and participated in the process of change More than just a film studies work it is a discussion of history politics and culture which also explores the philosophical roots of the documentary idea and how this idea informs concepts of society self and nation It features rare and previously unseen illustrations and a detailed documentary filmography the first of its kind in print anywhere

The Poetry of Bloody Sunday Kübra Özermiş, 2025-09-29 As a turning point that changed the course of the Troubles the Bloody Sunday massacre continues to define ongoing debates about the legacy of the Troubles and the impact of state violence Bloody Sunday has been at the centre of numerous cultural and literary expressions which deal with the grief and trauma of the massacre such as murals songs plays and poetry This volume is the first comprehensive study of the poetry of Bloody Sunday written by critically acclaimed Irish poets including Seamus Heaney Paul Muldoon Thomas Kinsella Seamus Deane and Medbh McGuckian By focusing on poems written between 1972 and 2015 this book examines each poet's attempt to find an apt way of articulating the anger trauma and grief over the massacre with most of the poets continuously returning to the shooting in their poetry throughout their careers The monograph outlines how in the face of adversity the poets draw on old Irish literary traditions such as Gaelic laments and Aisling poetry which offer an indigenous anti colonial and counter hegemonic response to a massacre that was experienced as a colonial aggression It also discusses the complex relationship between poetry and politics and the negotiation between aesthetic freedom and the moral obligation to write about Bloody Sunday
