

Sean Connery

Herbie J Pilato

Sean Connery:

Sean Connery Michael Feeney Callan,2012-10-31 Among European actors Sean Connery is unparalleled in his achievements Having extended his career from theatrical successes through every genre of film as James Bond he became the backbone of the most lucrative movie franchise in history Born in an Edinburgh tenement Sean Connery later served time as a milkman cabinet polisher and art model He turned to acting on a whim and early onstage success in South Pacific translated into a TV and movie career Taking his talents such as The Name of the Rose The Hunt for Red October and The Rock His role as Jimmy Malone in Brian De Palma s The Untouchables won him an Academy Award which many saw as recognition of a body of superlative screen creations over twenty years **Sean Connery** Andrew Yule,1992 Sean Connery rose from the slums of Scotland to become one of the screen s most enduring and respected stars From James Bond to The Man Who Would Be King The Untouchables to The Hunt for Red October his career has been diverse and spectacular Now he emerges as a minefield of contradiction in this candid inside portrait Photographs **Sir Sean Connery** John Parker,2020-11 He was one of the world s true superstars and the silver screen s most beloved James Bond Sir Sean Connery a proud Scotsman born in 1930 to a working class family died at home in the Bahamas on October 31 2020 He left behind him a legacy to rival any actor Connery bestrode Hollywood like a Colossus He commanded some of the highest fees in the industry and was lauded by critics and the public alike In July 2000 his unique contribution to the world of film was recognized when he was accorded a knighthood John Parker traces the astonishing rise to stardom of a tough street kid from Edinburgh The part of 007 became a monster that threatened to kill Connery as an actor he escaped to establish himself as one of the world s most magnetic and commanding character actors winning an Oscar for his role in iconic crime drama The Untouchables The author has drawn on reminiscences of famous friends and colleagues including Honor Blackman Robert Hardy and Eric Sykes to create an authoritative and entertaining portrait of a talented complex actor and above all else a magnificent man **The Cinematic Connery** A. J. Black,2022-10-13 Scotland s greatest export The world s first super spy Voted the sexiest man on the planet Sir Sean Connery was a titanic figure on screen and off for over half a century Behind the son of a factory worker growing up in near poverty on the harsh streets of pre war Edinburgh lay a timeless array of motion pictures that spanned multiple decades and saw Connery work across the globe with directors as diverse as Alfred Hitchcock Steven Spielberg and Michael Bay And amongst them his greatest role whether he liked it or not Bond James Bond Author A J Black delves into Connery s life for more than mere biography exploring not just the enormously varied pictures he made including crowd pleasing blockbusters such as The Untouchables or Indiana Jones and the Last Crusade serious minded fare in The Hill or The Offence and his strange sojourns into eclectic fantasy with Zardoz or Time Bandits but also the sweep of a career that crossed movie eras as well as decades From skirmishes with the angry young men of the British New Wave via becoming the cinematic icon of the 1960s as 007 through to a challenging reinvention as a unique older actor of

stature in the 1980s this exploration of the Cinematic Connery shows just how much his work reflected the changing movie going tastes political realities and cultural trends of the 20th century and beyond **The Films of Sean Connery** Lee Pfeiffer, Philip Lisa, 2001 For 40 years Sean Connery has been among the world's most admired and popular actors This edition is both an in depth biography of this international superstar and a complete filmography with 400 photos rare production stills movie posters and lobby cards **Sean Connery** Christopher Bray, 2010 Spirited argumentative and sardonically celebratory this is both a biography of a star and an investigation of what can happen to a man when the images he creates take over his life And it's an analysis of what it means to be star struck a critical tribute to a secular icon who has shaped so many dreams **Sean Connery, a Biography** Kenneth Passingham, 1983-01-01 **Sean Connery** Christopher Bray, 2012-06-01 A biography of a star and an investigation of what can happen to a man when the images he creates take over his life Sean Connery's creation of secret agent James Bond invigorated Britain and its cinema allowing a cash strapped morale sapped country in decline to fancy itself still a player on the world stage How can such worship not play havoc with one's soul especially a soul as painfully unprepared for the pressures of stardom as Connery's Spirited and argumentative Christopher Bray's Sean Connery is the story of an actor learning his craft on the job and at the end of his career of a man pressing his stardom into the service of a burgeoning political awareness *Sean Connery* Andrew Yule, 2009 From the moment he ignited the silver screen as James Bond Sean Connery has been a star After 30 years and countless films he is still one of the most irresistible bankable and highly paid actors in Hollywood Now Yule offers an intimate look into the public and private life of this exciting superstar **Sean Connery** Andrew Spicer, 2022-06-21 Sean Connery was one of cinema's most iconic stars Born to a working class family in Edinburgh he held jobs as a milkman and an artist's model before making the move into acting The role of James Bond earned him global fame but threatened to eclipse his identity as an actor This book offers a new perspective on Connery's career It pays special attention to his star status while arguing that he was a risk taking actor who fashioned an impressive body of work Beginning with Connery's early appearances on stage and television including well received performances in Shakespeare and Tolstoy the book goes on to explore the Bond phenomenon and Connery's long struggle to reinvent himself An Oscar winning performance in *The Untouchables* marked the beginning of a second period of stardom during which Connery successfully developed the character of the father mentor Ten years after his retirement from acting he was still rated as the most popular British star among American audiences Exploring how Connery's performances combine to form an all encompassing screen legend the book also considers how the actor embodied national identity both on screen and through his public role as an activist campaigning for Scottish independence **Sean Connery** Michael Feeney Callan, 1983 **Sean Connery** Robert Sellers, 1999 An autobiography of the Scottish screen legend British Legends Charles River Charles River Editors, 2018-03-02 Includes pictures Includes Connery's own quotes about his life and career Includes a Bibliography for further reading A lot of ink has been spilled covering the lives of history's most

influential figures but how much of the forest is lost for the trees In Charles River Editors British Legends series readers can get caught up to speed on the lives of Britain s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known Perhaps no actor has been able to retain their popularity into old age as well as Sean Connery Despite retiring in 2006 Connery remains a venerable figure who continued to receive accolades for his handsome virility and status within the Hollywood elite After all in 1989 just shy of his 60th birthday Connery was feted by People magazine as the Sexiest Man Alive and in the years that followed Connery was awarded with even more lifetime achievement awards including being named Sexiest Man of the Century by People magazine in 1999 As an actor Connery won an Academy Award for his performance in The Untouchables 1989 and he has also been awarded Golden Globes and BAFTA awards as well Based on these designations one can reasonably place Connery among the ranks of the most acclaimed Hollywood actors of all time a figure whose critical reputation only grew as he matured Considering his personal acclaim as an actor it is perhaps surprising that despite his status most of the films in which Connery has appeared are not particularly acclaimed Indeed scanning his filmography viewers finds very few films that have been showered with any significant awards and even the role that brought Connery to fame the James Bond franchise initially received a largely lukewarm critical reception On occasion Connery has worked with directors of great critical standing most notably Alfred Hitchcock in Marnie 1963 and yet even these films were not greeted with great praise While Connery s skills as an actor remain unquestioned his films themselves have not been canonized as outstanding nor do they populate the curricula of film courses Given the gulf between Connery s own reputation and those of his films it is natural to conclude that Connery s fame has arisen despite appearing in films that were generally unworthy of his talents as an actor One of the prevailing questions surrounding Connery therefore is how he was able to attain such fame and acclaim despite appearing in films that have continually been deemed less than outstanding To answer that question it is necessary to consider not only his film appearances but also the personal background that shaped his career decisions and contributed to the development of his star persona In fact the legend of Sean Connery is inseparable from his upbringing as well as the precarious period of his young adulthood Connery came from an impoverished background and his willingness later in his career to accept roles that were seemingly beneath him can be attributed to a blue collar ethos that respects the value and importance of hard work In light of his difficult upbringing Connery s rise to stardom is an unlikely one as Connery managed to progress from the poorest regions of Edinburgh Scotland to the heights of Hollywood fame becoming famous for his signature mix of suave debonair comportment and virile masculinity At the same time Connery s eccentric behavior in later years which might be criticized if other people acted that way are often considered part of the unique Connery charm British Legends The Life and Legend of Sean Connery looks at the life of the iconic Bond actor on and off the silver screen Along with pictures of important people places and events you will learn about Sean Connery like you never have before in no time at all **Arise**

Sir Sean Connery John Parker,2005 Sean Connery is one of the world's true superstars applauded by critics and filmgoers alike Now John Parker traces the rise to stardom of the tough Edinburgh street kid who left school at the age of thirteen Arriving in London with gold teeth and tattoos to seek his fortune in the meat market of bodybuilding Connery fought against snobbery to become a self taught Shakespearean actor Then came the big break Auditioning for the part of James Bond he told producers with typical bluntness how Bond should be played and it landed him the job and overnight stardom Connery went on to become one of the world's most versatile highly paid actors winning an Oscar for his role in The Untouchables Here John Parker offers an engaging portrait of one of the most glamorous talented and complex actors in movie history

Sean Connery Michael Freedland,1994 Sean Connery John Parker,1993 In a revealing biography of one of Hollywood's sexiest and most controversial stars Parker candidly traces Sean Connery's upbringing remarkable career and very private personal life drawing on exclusive interviews with Candice Bergen Paul Newman Sir John Gielgud Michael Caine and others

Photos Sean Connery Bob McCabe,2000 Bob McCabe brilliantly captures the life and times of this talented and much respected actor in the book Sean Connery A Biography This first photographic tribute biography contains stunning pictures and the examination of the complex and compelling appeal of the world's greatest masculine actor Voted the sexiest man alive and recently knighted on New Year's Eve 1999 by Queen Elizabeth the Oscar Award winning actor continues to entertain us With the recent release of Finding Forrester and talks of him starring in Indiana Jones 4 in the summer of 2003 Connery remains one of Hollywood's leading men This biography is a celebration of Connery's achievements both on and off the big screen a revealing look at the man behind this former James Bond star **Connery, Sean Connery - Before,**

During, and After His Most Famous Role Herbie J Pilato,2023-09-09 This book defines and distinguishes the iconic star's life and career BEFORE DURING AND AFTER HIS MOST FAMOUS ROLE James Bond **Great Scot** John Hunter,1993

This biography of Sean Connery takes the reader from Connery's birth in 1930 in a working class district of Edinburgh to the present as one of the most uncompromising of film actors Connery became an actor almost by mistake when a friend suggested he answer an advertisement for extras for the touring stage production of South Pacific From there he gradually built a reputation until he landed the part of James Bond in Dr No Determined not to be typecast he abandoned Bond after five films but was twice enticed back The author also chronicles Connery's private life including his marriages to Diane Cilento and Micheline Roquebrune his work for charity and his political involvement in his beloved Scotland *Inspirational*

Sean Connery Wise Words Dr Hulk,2020-12-15 Sir Thomas Sean Connery 25 August 1930 31 October 2020 was a Scottish actor He gained recognition as the first actor to portray fictional British secret agent James Bond in film starring in seven Bond films between 1962 and 1983 Originating the role in Dr No Connery played Bond in six Eon Productions entries and made his final appearance in the Jack Schwartzman produced Never Say Never Again
