the myth making and convincingly argues that Charles Mingus created a unique language of emotions and not just in music Capturing many essential moments in jazz history anew *Better Git It in Your Soul* will fascinate anyone who cares about jazz African American history and the artist's life **The Search Party** George A. Birmingham, 1913 *The Immortal Evening: A Legendary Dinner with Keats, Wordsworth, and Lamb* Stanley Plumly, 2014-10-20 A window onto the lives of the Romantic poets through the re-creation of one legendary night in 1817 The author of the highly acclaimed *Posthumous* Keats praised as full of those fleeting moments we call genius Washington Post now provides a window into the lives of Keats and his contemporaries in this brilliant new work On December 28 1817 the painter Benjamin Robert Haydon hosted what he referred to in his diaries and autobiography as the immortal dinner He wanted to introduce his young friend John Keats to the great William Wordsworth and to celebrate with his friends his most important historical painting thus far Christ's Entry into Jerusalem in which Keats Wordsworth and Charles Lamb also a guest at the party appeared After thoughtful and entertaining discussions of poetry and art and their relation to Enlightenment science the party evolved into a lively raucous evening This legendary event would prove to be a highlight in the lives of these immortals A beautiful and profound work of extraordinary brilliance *The Immortal Evening* regards the dinner as a lens through which to understand the lives and work of these legendary artists and to contemplate the immortality of genius Winner of the Truman Capote Award for Literary Criticism *Third Rail* Jonathan Wells, 2007-04-18 The poets who fill these pages have come to testify to bear witness to the mysterious power of Rock and Roll from the Foreword by Bono The thread or the theme That holds this tune Together is the same One that rips it open from Gimme Shelter by Bill Knott Chunky on the shag rug I'm looking for my anthem I'm looking for my headphones I'm looking for the bare spot on the rug to wallow side stepped on the chair stopped door I blast my ears out from The Prophet's Song by Daniel Nester Drums Whatta lotta Noise you want a Revolution Wanna Apocalypse Blow up in Dynamite Sound from Punk Rock You're My Big Crybaby by Allen Ginsberg As revolutionary as the music it celebrates the poetry in this electrifying anthology by poets such as Billy Collins Rita Dove Yusef Komunyakaa Paul Muldoon and Philip Larkin turns rock upside down with indelible images and powerful expressions of the music that changed our lives **The Music of Time** John Burnside, 2021-04-06 First published in a slight different form in Great Britain in 2019 by Profile Books Ltd Title page verso **Hunting Men** Dave Smith, 2006-12-01 In *Hunting Men* poet Dave Smith reasserts the validity of poetry in our times With eloquence grace and a searching intelligence Smith illuminates both poems and poets Believing that great poetry cannot be divorced from an intimate organic link to place he builds a compelling case for the importance of southern poets Like the hunters who taught Smith as a young man patience observation and willingness to rely on his senses he leads readers on an expedition through a specific poetic place with a sure sense of direction and destination Beginning with a discussion of southern poetry that seeks to define the form and its value for a global readership the first of the book's three sections also includes reflections on Edgar Allan Poe John Crowe Ransom Robert Penn Warren and James Dickey In the

second part Smith focuses on contemporary poets Richard Hugo Stephen Dunn Stephen Dobyns and Larry Levis among others In the final chapters he examines how he came to be a poet and reflects on the nature and practice of poetry Smith describes himself as a poet born and raised in the South but never entirely comfortable with the neighborhood or many of the public assumptions about southernness By describing why southern poetry is important to him he reveals why poetry matters to all of us as he asserts the moral weight of regional art My success if it occurs will be to send readers to the books of the poets where the world as they knew it waits and is full of the delights of the unglimped and known

Poet's Choice Edward Hirsch, 2006 A collection of revised and expanded writings culled from the author's popular Washington Post Book World Poet's Choice column

demonstrates how poetry responds to world challenges and introduces the work of more than 130 writers **Selected Poems** Seán Ó Ríordáin, 2019-02-12 The first bilingual volume of poems by leading Irish twentieth century poet Seán Ó Ríordáin. In the mid twentieth century a new generation of poets writing in Irish emerged led by the young Seán Ó Ríordáin among others. Ó Ríordáin's work has stood the test of time well and he continues to engage today's Irish readers and writers. This well rounded selection of poems brings most of Ó Ríordáin's works to English language readers for the first time. The poems appear in their original Irish alongside English translations by some of Ireland's leading poets. Also included for the first time in English is Ó Ríordáin's essay 'What Is Poetry' considered an extraordinary touchstone of critical insight for poets and literary commentators. The volume reflects Ó Ríordáin's seven main concerns: poetry and its place in the artist's life, the plural self, the relationship between the individual and society, gender relations, the nature of animals, Ireland, its language and culture, and mortality.

Conversations with Billy Collins John Cusatis, 2022-07-27 Billy Collins puts the fun back in profundity says poet Alice Fulton. Known for what he has called hospitable poems which deftly blend wit and erudition, Collins since 1991 is a poet of nearly unprecedented popularity. His work is also critically esteemed and well represented in *The Norton Anthology of American Literature*. An English professor for five decades, Collins was fifty-seven when his poetry began gathering considerable international attention. *Conversations with Billy Collins* chronicles the poet's career beginning with his 1998 interview with Terry Gross on *Fresh Air* which exponentially expanded his readership three years prior to his being named United States Poet Laureate. Other interviewers range from George Plimpton, founder of the *Paris Review*, to Pulitzer Prize winning poet Henry Taylor, to a Presbyterian pastor, a physics professor, and a class of AP English Literature students. Over the course of the twenty-one interviews included in the volume, Collins discusses such topics as discovering his persona, that consistently affable voice that narrates his often wildly imaginative poems, why poetry is so loved by children but often met with anxiety by high school students, and his experience composing a poem to be recited during a joint session of Congress on the first anniversary of 9/11, a tragedy that occurred during his tenure as poet laureate. He also explores his love of jazz, his distaste for gratuitously difficult poetry and autobiographical poems, and his beguiling invention of a mock poetic form, the *paradelle*. Irreverent, incisive, and deeply life affirming like his twelve volumes of poetry, these interviews gathered for the first time in one volume will edify and entertain readers in the way his sold out readings have done for the past quarter century. *In My Father's Footsteps* Sebastian Matthews, 2004 A brilliant father, a complicated legacy, and a son's hard won journey of self discovery. William Matthews was a much admired award winning poet and teacher who lived hard and died in 1997 at the age of 55. This clear eyed, often wryly funny memoir pays homage to a charismatic father as the son struggles to step out from his considerable shadow. **Late to the Search Party** Steven Espada Dawson, 2025-05-06 A raw, crystalline debut poetry collection exploring themes of family, addiction, belonging, and loss, a searching elegy of the fissures that have come to define contemporary American life. The unsettled border between absence and presence haunts this stunning collection in which

poet laureate Steven Espada Dawson contemplates belonging identity family and grief in poems about his own half immigrant Mexican American family his dying mother who raised him his addict brother who has been missing for more than a decade and his absent father Chronicled in four parts shifting restlessly between childhood memories the sudden disappearance of his brother and the inevitable loss of his ailing mother Late to the Search Party explores what it means to be a family of one to be orphaned whether by fate or by circumstance In language that is both grounded and ethereal Dawson tallies the losses and looks at what remains the frustration and anger the bewilderment and sadness and the affection and humor that makes itself felt in spite of everything A vivid and thoughtful meditation on love and loss Late to the Search Party is an ode to the families that inspire and confound us all Realms of Literacy David B.
