**The Search for the Absolute** Jeffrey H. Williams,2022-06-01 History and archaeology tell us that when our far ancestors began to settle in localized groups they codified their lives and experiences and formed a collective for mutual support This proto civilization would have arisen from each individual s questions about the world and their attempt to understand themselves and their place in the world These groups or tribes evolved rules of conduct to facilitate communal living and made a calendar for the group s celebration of harvests and other events upon which the group was utterly dependent This process of social evolution is the origin of religion and of a magical way of looking at Nature Eventually this developing worldview was also the origin of science which is our investigation of Nature to understand something of what is happening around us and to use this knowledge to ensure our survival in a violent indifferent Universe After all science and religion seek to answer the same question Why and how is the natural world the way it is This book seeks to show how science evolved from religion and magic in response to a need to understand Nature **World Religions All-in-One For Dummies** The Experts at Dummies,2025-01-22 Learn about the beliefs history and culture of the world s most popular religions World Religions All In One For Dummies offers an easy starting point for anyone curious to investigate religious and

cultural differences In terms anyone can understand this book explains the foundations of major world religions including Christianity Judaism Hinduism Islam Buddhism Mormonism Catholicism and Taoism You can choose the religions you d like to focus on or read about them all You ll learn about beliefs and practices specific to each develop an understanding of how religion affects people s lives and become a more informed global citizen Awareness of different religions and how they function in society helps people develop tolerance and respect for others World religion is also a fascinating topic and you ll enjoy expanding your mind with this fun Dummies guide Get an overview of the history beliefs and practices of the world s major religions Understand the similarities and differences between different sects of each religion Expand your horizons and go beyond the common misconceptions and myths about religion Gain a better understanding of peers neighbors coworkers and friends of different faiths This comprehensive guide is the perfect companion for those beginning their exploration into faith or for those just needing a quick reference tool
