Montgomery Clift Michelangelo Capua,2015-09-16 At the peak of his career in the 1950s Montgomery Clift was the symbol of a very talented yet rebellious generation of movie stars His acting combined the personal and the professional and his seventeen movies show his superb craft and extraordinary sensitivity Yet there was much more to his life than his talents as an actor more than most people knew This book is a biography of the extremely handsome acutely intelligent but tormented Montgomery Clift His life has been described as the longest suicide in the history of Hollywood and this biography

shows the accuracy of that description. It covers Clift's sheltered childhood, his discovery at the age of 12, the early critical acclaim that brought attention from such noted directors as Elia Kazan and Antoinette Perry, his development as a professional actor and work with many of Hollywood's greatest directors including Kazan, Fred Zinneman, Alfred Hitchcock and John Huston, and the devastating car accident that disfigured his face and caused him to turn to drugs and alcohol. Throughout the book, attention is given to Clift's self-destructive personality which created problems that even close friends like Elizabeth Taylor could not help him solve, and his closet homosexuality which contributed to his intense insecurity. Richly illustrated.

**The Fourth Ghost** Robert H. Brinkmeyer, 2009. In the 1949 classic *Killers of the Dream*, Lillian Smith described three racial ghosts haunting the mind of the white South: the black woman with whom the white man often had sexual relations, the rejected child from a mixed race coupling, and the black mammy whom the white southern child first loves but then must reject. In this groundbreaking work, Robert H. Brinkmeyer Jr. extends Smith's work by adding a fourth ghost lurking in the psyche of the white South: the specter of European Fascism. He explores how southern writers of the 1930s and 1940s responded to Fascism and most tellingly to the suggestion that the racial politics of Nazi Germany had a special problematic relevance to the South and its segregated social system. As Brinkmeyer shows, nearly all white southern writers in these decades felt impelled to deal with this specter and with the implications for southern identity of the issues raised by Nazism and Fascism. Their responses varied widely, ranging from repression and denial to the repulsion of self-recognition. With penetrating insight, Brinkmeyer examines the work of writers who contemplated the connection between the authoritarianism and racial politics of Nazi Germany and southern culture. He shows how white southern writers, both those writing cultural criticism and those writing imaginative literature, turned to Fascist Europe for images, analogies, and metaphors for representing and understanding the conflict between traditional and modern cultures that they were witnessing in Dixie. Brinkmeyer considers the works of a wide range of authors of varying political stripes: the Nashville Agrarians, W. J. Cash, Lillian Smith, William Alexander Percy, Thomas Wolfe, William Faulkner, Katherine Anne Porter, Carson McCullers, Robert Penn Warren, and Lillian Hellman. He argues persuasively that by engaging in their works the vital contemporary debates about totalitarianism and democracy, these writers reconfigured their understanding not only of the South but also of themselves as southerners and of the nature and significance of their art. The magnum opus of a distinguished scholar, *The Fourth Ghost* offers a stunning reassessment of the cultural and political orientation of southern literature by examining a major and heretofore unexplored influence on its development.

*Montgomery Clift* Patricia Bosworth, 2012-06-05. The definitive work on the gifted, haunted actor. *Los Angeles Times* and the best film star biography in years. *Newsweek*. From the moment he leapt to stardom with the films *Red River* and *A Place in the Sun*, Montgomery Clift was acclaimed by critics and loved by fans. Elegant, moody, and strikingly handsome, he became one of the most definitive actors of the 1950s, the first

of Hollywood's loner heroes a group that includes Marlon Brando and James Dean In this affecting biography Patricia Bosworth explores the complex inner life and desires of the renowned actor She traces a poignant trajectory Clift's childhood was dominated by a controlling class obsessed mother who never left him alone He developed passionate friendships with Marilyn Monroe and Elizabeth Taylor in spite of his closeted homosexuality Then his face was destroyed after a traumatic car crash outside Taylor's house He continued to make films but the loss of his beauty and subsequent addictions finally brought the curtain down on his career Stunning and heartrending Montgomery Clift is a remarkable tribute to one of Hollywood's most gifted and tormented actors *The Lillian Hellman Collection at the University of Texas* University of Texas.
