Philosophy and Logic In Search of the Polish Tradition Jaakko Hintikka,Tadeusz Czarnecki,K. Kijania-Placek,Tomasz Placek,Artur Rojszczak,2013-06-29 On the occasion of bis sixtieth birthday we dedicate this volume to Jan Wo leriski s our

teacher our colleague our friend Both of us are particularly indebted to Jan not only with regards to professional matters but some private ones as well Hence we hope that he forgives us an occasional lapse into fondness and affection That said may the list of his personal merits remain shrouded in mystery rather than unveil them we open here by appraising Jan's presence from a broader perspective To note that Jan was not always a part of our lives would not evoke surprise However to imagine the Institute of Philosophy on Grodzka Street or Krakow philosophy without him in it would be a harder task at least for us Nonetheless we do remember the days when he was commuting to Krakow as a guest lecturer Is there anything about those days which particularly comes to mind To shed light on the story which follows one must begin by stating that the early 1980s when we were studying philosophy was not a bright period The great masters of Krakow philosophy Ingarden Mehlberg Zawirski or Damska were either dead or for political reasons kept silent The years following Martial Law 1981-1983 were intellectually very blighted and barren In the midst of all this we were attending Jan's course on general methodology

Gravesend in the Great War Stephen Wynn, 2016-10-31 Gravesend was like most other towns in the UK during the course of the First World War When the call came to serve King and Country local men enlisted in their thousands but sadly not all of them returned This book gives an insight into the Tilbury to Gravesend Pontoon Bridge which allowed the rapid deployment of troops in the event of a German invasion along the East Coast It provided a quicker route to get troops equipment and supplies from Essex into Kent for transportation across to France It looks at the role both New Tavern and Shornemead Fort part of the London Defence system played in preventing the German Navy from carrying out direct attacks on London There is an account of the Gravesend riots in which groups of local people burnt and looted premises they believed belonged to German aliens who were residents in the town and the unique story of Captain Robert Campbell taken as a prisoner by the Germans early in the war He was allowed home by the Kaiser to see his dying mother one last time and voluntarily returned to captivity in Germany on his word of honour to do so The story of Sir Gilbert Parker the wartime MP for Gravesend is also told He was instrumental in convincing America to join the war as a British Allie which was no easy task as the United States Justice Department estimated there were some 480 000 Germans living in America at the time The book also tells the individual stories of Gravesend's men who fought in the war some who survived and returned to their loved ones and others who were not so fortunate It documents the triumphs and tragedies of Gravesend's people as they sought to find normality amongst a reality far removed from anything they had ever known before
