Aftermath Daniel Kanstroom,2012-06-07 Since 1996 when new harsher deportation laws went into effect the United States has deported millions of noncitizens back to their countries of origin While the rights of immigrants with or without legal status as well as the appropriate pathway to legal status are the subject of much debate hardly any attention has been paid to what actually happens to deportees once they pass beyond our aid In fact we have fostered a new diaspora of deportees many of whom are alone and isolated with strong ties to their former communities in the United States Daniel Kanstroom author of the authoritative history of deportation *Deportation Nation* turns his attention here to the current deportation system of the United States and especially deportation s aftermath the actual effects on individuals families U S communities and the countries that must process and repatriate ever increasing numbers of U S deportees Few know that once deportees have been expelled to places like Guatemala Cambodia Haiti and El Salvador many face severe hardship persecution and in extreme instances even death Addressing a wide range of political social and legal issues Kanstroom considers whether our deportation system works in any meaningful sense He also asks a number of under examined legal and philosophical questions What is the relationship between the rule of law and the border Where do rights begin and end Do or should deportees ever have a right to return After demonstrating that deportation in the U S remains an anachronistic ad hoc legally questionable affair the book concludes with specific reform proposals for a more humane and rational deportation system

RENT HOUSE (it's never the ultimate home) Samarjit Das,2021-01-20 Myself Samarjit Das the author of this book I am living in a Rent House from the day I was born For some people a Home is just like a cubical to live in those who have received it as a paternal asset or a parental gift But for many it remains as a dream of a lifetime a wish to be fulfilled I am one of those people My father died living in a Rent House and my mother doesn t have much hope that we will be able to build our Home any day but I don t want her to take her last breath in a Rent House I have that belief that someday I will build my Sweet Home This story will portray the character of a boy who is living in a Rented House from the day he was born When a mere necessity becomes your biggest desire or darkest fear in life it unknowingly makes you do many things in life irrespective of knowing what might be the consequences Exactly the same happens in this story with the boy who in the urge of fulfilling his only dream of having his own House unknowingly takes some harsh steps out of frustration and anger which ultimately turns out to be the biggest disaster of his life and finally leads him towards self destruction

IS THIS TIME DIFFERENT? Jack Sutherland,2024-09-09 Has artificial intelligence AI and other industries disruptors permanently changed the investment strategy for everyday investors This time is different could be the four most dangerous words in investing Everyday investors with a long term perspective can insulate themselves from market volatility by focusing on their ultimate long term objectives Pay attention to what you can control and leave the rest to the market WHAT S INSIDE Finding a Dependable Road to Retirement Planning Don t Believe the Hype Artificial Intelligence Is a Difference Maker A New New Normal An Updated Plan Generational Issues Taking Accountability For Your Choices Performance Anxiety Is Real Avoid Common Retirement Planning Mistakes Investing For A Better Future Retirement Accounts A Hypothetical Portfolio Then and Now WHY READ THIS BOOK America is sailing into an uncharted sea of future retiree bailouts with a public seemingly untroubled by the stark numbers of everyday investors or non investors who are financially unprepared for retirement Fully funding both an IRA or Roth IRA and a 401k annually may not be enough This combination still may not provide adequate financial support in retirement Supplement these two retirement accounts with

additional investments in taxable accounts I've never heard a retiree complain that they retired with too much money Retirement planning does not start when you enter retirement Instead it should start decades earlier Time is valuable Put it to work for you use it or lose it In this book I share my recommendations for a tried and true investment strategy for everyday investors in 2024 and beyond By following time honored wisdom instead of buying into the latest fads investors will ensure a secure retirement MY BEST ADVICE FOR EVERYDAY INVESTORS Ignore market fads and stay fully invested U S markets have shown amazing resilience allowing them to bounce back from adversity Don't be left sitting on the sidelines unable to make a decision Your financial future depends on you **The Stories of This House** Sharon Naylor
