witness hikers cyclists equestrians and snowmobilers Others sadly lie overgrown and barely visible Yet regardless of how one follows these early routes one will find preserved stations historic bridges and railway era buildings all of which recall this bygone era     In Search of the Intangible Susan Marie Gleason,2001     **The Directory of Executive Recruiters, 2005-2006** Kennedy Information,2004 Whether an executive is seeking a position at a brewery or a software firm this volume has the contacts that can make or break a job search     **Bite the Stars** Eliza Clark,2002     Corvettes Canada Mac Johnston,2008-08-25 The Canadian escort group C 2 was comprised of the RCN destroyers Gatineau and Chaudiere the frigate St Catharines the Corvettes Chilliwack and Fennel and the RN destroyer Icarus these six and the RN corvette Kenilworth castle combined to sink U 744 in the North Atlantic in a prolonged drama on March 5 and 6 1944 At 32 hours this the second longest successful hunt of the war Chilliwack able seaman Ralph Chartrand recalls the action When the sub started to surface everything that could shoot went into action and we fired all we could While the crew of U 744 was jumping out of the conning tower St Catharines was closing in but our captain outmanoeuvred Chilliwack in front to make sure that this was our sub He gave the order Prepare to ram but soon the sub was empty so we didn't ram We lowered a lifeboat with a boarding party and they proceeded to U 744 While the lifeboat was tied to the sub some members boarded the sub then a big wave hit our lifeboat and flipped the crew into the water with the German Sailors We took 17 prisoners on board It was almost a major coup Three lifeboats reached the Type VII C boat German code books and the cypher machine were seized but all three seaboats capsized in the rough sea and only one book was saved All the Canadians were picked up So too were 40 Germans Icarus then dispatched the unsalable U 744 with a torpedo Eleven Germans died including the captain Praise for Corvettes Canada It was the ubiquitous corvette built in Canada manned by volunteers and often as not based in a Canadian or Newfoundland port that carried the burden of our Atlantic war and few wartime sailors escaped at least some time aboard them For the most part their experiences have gone unrecorded especially those of the lower deck and time will soon erase what the enemy and the sea itself could not Fortunately Mac Johnston has salvaged the experiences of 250 of these fast departing corvette veterans and has drawn their story together into a superb collective memoir of the Atlantic war Johnston has woven these memories and the history of the wartime RCN into a tight fabric one that is both entertaining and extremely valuable If you have never read anything on the Canadian navy's part in the Battle of the Atlantic start with this one if you've read everything that's already available you will find this one a gem Marc Milner University of New Brunswick I like your presentation It's right from the horse's mouth so to speak It is so authentic I say it is a classic It's as true a story as can be told Corvette men who read your book contributors or not will marvel at your format and will live again the tortures of the Atlantic the friendship of shipmates the action stations alarm bell and the roar of depth charges Your book proves that these Corvette men were tough to stand the day to day tensions rough seas dangers and the boredom that was part of their sea life You have done a wonderful story Leo McVarish HMCS Alberni Winnipeg Man     **Longstreet**
