Illustrations 385 pages This fourth volume The Acts of the Apostles covers the experience of the early Christian Church While the Bible s book of Acts covers a period of only a little more than three decades it is filled with important lessons for the church in every age God clearly indicates that the Christian today shall experience the presence of the same Spirit who came with power at Pentecost and fanned the gospel message into a flame The acts of the Holy Spirit through Peter and Paul John and James and others can be repeated in the modern disciple The abruptness with which the book of Acts closes is not accidental it deliberately suggests that the thrilling narrative is unfinished that the acts of God through the Spirit are to have their sequel throughout the Christian dispensation each successive generation adding a chapter full of beauty and power to the one that preceded it

Reed relates When I started it was just about me putting my own house in order Then it occurred to me that perhaps other people are struggling to find the Truth too This book was written to help those people seeking to find their path in life leading to peace and happiness It is for those who are looking for the Truths that help them give meaning to their existence and give them the deeper reasons for why they are on the earth at this particular point in time If you have ever wondered who you really are why you were born to this era and how you can fulfill your individual purpose of your existence this book can help When enough of us figure this out we become a catalyst to help the human race collectively fulfill its destiny This book can open your mind and heart to new ways of looking at your mortality and for ultimately finding true happiness from within It will assist you in awakening to your relationships with others with the Earth the Cosmos and God *Growing in*
