Searchlight The Camp That Didn't Fail:

Searchlight Harry Reid, 2007-11-05 Deep in the desolate Mojave Desert in Nevada's extreme southern tip lies a small mining town called Searchlight. This meticulously researched book by Searchlight's most distinguished native son recounts the colorful history of the town and the lives of the hardy people who built it and sustained a community in one of the least hospitable environments in the United States. Its story encompasses both Nevada's early twentieth century mining boom and the phenomenal growth of southern Nevada after World War II. Searchlight is a valuable contribution to the history of Nevada and a lively account of life in the forbidding depths of the Mojave Desert. **Haunted Southern Nevada Ghost Towns**

Heather Leigh, PhD, 2022 Discover what life was like in the heyday of the abandoned mines that dot the Nevada landscape now host to the spirits of those who lost their lives in pursuit of gold, silver, and salt. Step into the Silver State's past where the echoes of once thriving boomtowns and mining operations reverberate through the desert to this day. Explore the remnants of a drowned town exposed by the receding waters of Lake Mead and an abandoned pet cemetery sure to send chills down your spine. The bones of prehistoric creatures lie beside the former residents of Berlin and in Goodsprings reports of ghostly celebrity sightings stir up excitement. Join author Heather Leigh on a journey through the eerie history of Nevada's ghost towns.

Year of Bad Medicine Larry Werner, 2004-06 TOO is a novel of intriguing love stories faced by children leaving home for the first time to enter college. Parental love faces challenges alien to their understanding and desires for their children. Siblings are forced to share those leaving and those remaining behind with strangers in new situations and circumstances. The suspense and intrigue begin to heighten when a girl meets a boy for the first time whom she later learns is her half brother. They must learn how to change their mutual crush to sibling love. While dealing with a new brother whom she has always wanted, she learns prior to her mother knowing that a total stranger is her biological father and only love of her single mother. Twenty years of secrets are forced through the surface as father, mother, granddaughter, and others learn they have been manipulated by a father with money, power, and gall who did not want his daughter to marry the man of her choice. As these young adults are attempting to adjust to new lives, they must also deal with the sins of commission and omission by those they have loved, trusted, respected, and obeyed all their lives. The characters are forced to make decisions that only a few weeks ago would have been unthinkable. They must deal with their own emotions, egos, pride, and prejudices while taking into consideration those people they had no idea even existed when their lives began to change. *Las Vegas*

This collection of eloquent essays that examine the relationship between the American landscape and the national character serves to remind us that despite our differences we all belong to the same land Publishers Weekly How was it possible I wondered that all of this American land in every direction could be fastened together into a whole What does it mean when a nation accustomed to moving begins to settle down when political discord threatens unity and when technology disrupts traditional ways of building communities Is a shared soil enough to reinvigorate a national spirit From the embattled newsrooms of small town newspapers to the pornography film sets of the Los Angeles basin from the check out lanes of Dollar General to the holy sites of Mormonism from the nation's highest peaks to the razed remains of a cherished home like a latter day Woody Guthrie Tom Zoellner takes to the highways and byways of a vast land in search of the soul of its people By turns nostalgic and probing incisive and enraged Zoellner's reflections reveal a nation divided by faith politics and shifting economies but more importantly one united by a shared sense of ownership in the common land *The Westside Slugger*
