When It Is Your Season, It Is Your Season D. Previn Carr, 2024-01-18 When it is time for God to execute the plan He has for your life He will orchestrate events move circumstances and implore people to act and to align with the plan He has for your life There is a destiny that God has for you and He is making sure that every event every circumstance every situation and everyone involved in your life are all working together so that when it is all said and done you will be exactly what God wants you to be This book gives you a picture that while Jesse and his sons were at the party that God told Samuel put together David was out in the field tending to his father's sheep Jesse proudly brought his seven sons before Samuel in hopes that one of them would be chosen as the next king of Israel Samuel looked at each one of his seven sons and even though they fit the external profile of a king God told Samuel that the external appearance was not what identified them as king There was one more the eighth son that has the internal approval to be king The one who was rejected was now the one who had to be retrieved as the candidate for the anointed presence of God David represented the number of new beginnings As the eighth son he would bring something new to the nation of Israel Saul was the people's king but David was God's king and God wanted to do something new and

different for the nation of Israel Even though things appear not to be going your way one thing is for sure God is not shaken by the rejection of His people His plans will still be fulfilled whether the people want to be a part of it or just sit on the sideline to observe it God will show Himself faithful no matter what it appears Now that God has chosen you you are now ready for the next season dimension and level of your life Now you do not have to be worried about your past because God has already examined and inspected your life He has chosen you to move forward so that now His presence can be in your life and you will be the example and testimony to others that when it is your season it is your season **Fishery Leaflet**

Swart,2008-11 A significant pillar of twentieth century dispensationalism is the postponement doctrine of the kingdom of God This indiscriminate futurism has caused great damage and robbed the gospel of its power in the lives of believers for years John the Baptist and Jesus both clearly identified the kingdom with the era of the Holy Spirit At no time anywhere in Scripture was the coming of the kingdom made conditional on a Jewish response or event What more effective strategy could the enemy use than to have Christians believe they should be in passive waiting mode Has our failure to proclaim a full and accurate gospel of the kingdom left nations untouched still plagued by disease famine and corruption despite decades of evangelism An eschatology of victory awaits a victorious church that engages with the Holy Spirit in this present apostolic season Creation has been waiting in eager expectation for the manifestation of the sons of God What are the sons waiting for Are you ready to respond In this book Kobus Swart resolutely confronts the erroneous doctrinal stronghold of eschatology For centuries the church has been imprisoned and restrained in fulfilling its governmental mandate because of inaccurate interpretations of the end times This is an invaluable resource in identifying and unveiling deceptive eschatological ideologies and presenting a more accurate understanding of the end of the age Thamo Naidoo River of Life Ministries Pietermaritzburg South Africa Kobus Swart has been in full time ministry since 1974 and is the founder of the Bizweni Community Church in Somerset West near Cape Town South Africa where he and his family live From this apostolic resource base he leads a ministry team serving believers both locally and in other nations **Seasons Growing Faith Leader Guide**

Revolutionary Churches in Revolutionary Seasons: Dagmawi M. Wube,2018-01-20 Since the downfall of the Derge and the establishment of the decree for religious freedom there have been types of problems related to the size and type of groups that have greatly affected the Ethiopian evangelical church The first category of problem is due to the attraction that many contemporary church leaders have for reaching multitudes and building mega church ministries at the expense of small group ministries Because of the priority on the large group environment small group ministries have been neglected resulting in a whole generation of students and people who have never experience the vibrant spiritual benefits of a small group As a result believers are inclined to attend only Sunday Worship Services and the rest of the week live disconnected from vital relational community and involvement Too many churches in Ethiopia today have chosen to focus on the quantity of the people rather than the quality of the disciple resulting in the spiritual diseases of nominalism and carnality Discipleship and biblical Koinonia are being ignored therefore many people are not experiencing the richness of biblical Christianity in many practical ways This has resulted in the loss of Ethiopian Evangelicals identity as well as an influence on all aspects of Ethiopian culture including her institutions and government The years and eras of the life of Christ, a
