Seasons of Discontent Sophie L. MacDonald, 2017-12-10 From seven of Needle in the Hay's award winning authors comes Seasons of Discontent an anthology of short stories inspired by winter seasonal shifts and personal change From the monstrous to the misguided the sinful to the saved there are stories here to warm your heart and chill your bones

Seasons of discontent: dramatic opinions, 1959-1965 N.Y., Simon and Schuster Robert Sanford Brustein,

Seasons of discontent dramatic opinions 1959-1965 R. Brustein, 1965 *Seasons of Change* Selma Bloomfield

Weisman, 2014-05-15 Seasons of Change is a realistic approach to why bad things happen to good people It looks at the life of one young person who was raped for 7yrs and nobody ever knew This person grew up lost her mind spent time in and out of Mental Health Facilities not knowing how to recover from her past until one day she discovered certain skills and techniques which restored her sanity She used those skills daily and recovered her sanity She recovered the overall quality of her life returning to work and college enjoying a successful life Seasons of Discontent Robert Brustein, 1966 Edward Albee and Absurdism, 2017-01-05

In Edward Albee and Absurdism the inaugural volume in the new book series New Perspectives in Edward Albee Studies Michael Y Bennett has assembled an outstanding team of Edward Albee scholars to address Albee's affiliation with Martin Esslin's label Theatre of the Absurd examining whether or not this label is appropriate From scholarly essays and lengthy review essays to an important interview with the noted playwright and director Emily Mann the aim of this collection is to at last directly and indirectly confront Esslin's label in regards to Albee's plays in order to create a scholarly atmosphere that allows future Albee scholars to move on to new and frankly more relevant lines of inquiry Contributors are Michael Y Bennett Linda Ben Zvi David A Crespy Colin Enriquez Lincoln Konkle David Marcia Dena Marks Brenda Murphy Tony Jason Stafford and Kevin J Wetmore Jr

A New Season Al Robertson, Lisa Robertson, 2015-01-06 Alan and Lisa Robertson members of America's favorite back woods family and the Duck Commander Clan take on the topic of relationships as they share the secrets that saved their marriage Infidelity deceit distrust and shame Unfortunately these are recurring themes in many of today's marriages in America even in the family values promoting Christian based Robertson family With a romance that began in junior high the couple got off to a rocky start but soon settled into married life and had two baby girls Alan became a pastor in the church where his family had been members for years Then when Lisa had an affair the heartache and the tension was very public But this is not a book about a marriage gone wrong It is a candid story of rescued love and renewed commitment After nearly getting divorced Alan and Lisa came to terms with what went wrong in their marriage and both began the hard work of making it right Now married for twenty nine years Alan and Lisa counsel couples in trouble and speak across the country openly sharing their hardships their journey to renewed commitment and a thriving marriage **Seasons of Discontent: Dramatic Opinions, 1959-1965**, 1965 **Overcoming Orientalism**

Tamara Sonn, 2021-05-28 Orientalism is the term applied to scholarship that reduces Islam and Muslims to stereotypes of

ignorance and violence in need of foreign control It has been used to rationalize Europe's colonial domination of most of the Muslim world and continued American led interventions in the post colonial period In the past 30 years it has been represented by claims that a monolithic Islam and equally monolithic West are distinct civilizations sharing nothing in common and indeed involved in an inevitable clash from which only one can emerge the winner Most recently it has appeared in Alt Right rhetoric Anti Muslim sentiment measured in public opinion polls hate crime statistics and legislation is reaching record levels Since John Esposito published his first book nearly 40 years ago he has been guiding readers beyond such politically charged stereotypes The essays in this volume highlight the contributions of scholars from a variety of disciplines who like and often inspired by John Esposito recognize the misleading and politically dangerous nature of Orientalist polarizations They present Islam as a multi faceted and dynamic tradition embraced by communities in globally interconnected but substantially diverse contexts over the centuries The contributors follow Esposito's lead stressing the profound commonalities among religions and replacing Orientalist discourse with holistic analyses of the complex historical phenomena that affect developments in all societies In addition to chapters focusing on diversity among Muslims and interfaith relations this collection includes chapters assessing the secular bias at the root of Orientalist scholarship and contemporary iterations of Orientalism in the form of Islamophobia

Once Again Viera Masih Gossai, 2023-05-25 This memoir takes us on a journey of an Indian American woman having endured an abusive marriage for decades Viera Gossai narrates firsthand the effects of cultural norms conventions expectations after her divorce and finally her restoration and awakening to a sense of herself There are numerous predefined social norms created by our society that far too frequently accepts the distressed and depressed life of an abused married woman but often rejects divorce particularly in the Indian American community This memoir is a poignant reminder that one cannot and should not abandon hope in the face of the suffering and the unraveling of oneself and one's identity Once Again invites readers to believe in the hope that new beginnings are possible and the assurance that abuse will not be the last word

No Gods But One Daniel Berrigan, 2009-10 Berrigan draws clear parallels between Deuteronomy's time of mingled triumph and broken law and the present moment in history uncovering the stories within the story of this complex biblical book

A History of France from the Earliest Times to the Present Day William Deans, 1882

Continental Drift Benjamin Grob-Fitzgibbon, 2016-05-26 A fascinating new account of Britain's uneasy relationship with the European continent since the end of the Second World War set against the backdrop of decolonization the Cold War and the Anglo American relationship Benjamin Grob Fitzgibbon charts Britain's evolution from an island of imperial Europeans to one of post imperial Eurosceptics

The Politics of Reputation Annette J. Saddik, 1999 Author Annette J Saddik researches Tennessee Williams much neglected later work from 1961 to 1983 and argues that it deserves a central place in American experimental drama Offering a new reading of Williams career she challenges the conventional wisdom that his later work represents a failure of his creative powers

Philip Roth Derek

Parker Royal, 2005-04-30 Of all contemporary American writers Philip Roth is perhaps the most ambitious yet he is one of the most underrepresented in terms of critical attention given his place in American letters Unlike many aging novelists whose production and creative mastery wane over time Roth has demonstrated a unique ability not only to sustain his literary output but also to surpass the scope and talent inherent in his previous writings He has been awarded many literary honors and in the 1990s alone he won every major American book award This long overdue collection of essays covers Roth's entire output and links themes across works highlighting those thoughts and ideas that recur frequently Unlike older introductions to Roth's writings this volume will provide up to date coverage of all his works Each chapter introduces the work or works under discussion provides a brief summary of the story and moves on to a lively analysis of its various literary elements and its significance in Roth's overall body of work While each chapter focuses on the central issues in the specific work several larger themes that run throughout many of his writings will be addressed including the rise of suburbanization in post war America the problems and prominence of the family American Jewish ethnicity comedy and satire the costs of literary celebrity the promises and failures of the American dream and others Newcomers to and fans alike will find everything they need in this volume to build a better appreciation of Roth's work **Letters from Iraq** Lt Col Victor Zillmer, 2016-03-17

Letters from Iraq is written around letters sent home and documents written at the time that show the people and the day to day operations of a United States Army Corps of Engineer unit from September 11 2001 until March 2006 It is a story of all the local Iraqis foreign nationals military personnel and civilian volunteers who struggled in the heat and sun mud and cold to support the army and rebuild Iraq History records the deeds both good and bad of the leaders but for those who toiled in the hot sun under constant threat of death often only because they had to feed their families there is no record This is their story **The Boston Massacre** Serena R. Zabin, 2020 Prologue March 1770 Families of Empire Inseparable Interests 1766

Smith, 2009-06-01

The state of Yucatan is commonly considered to have been a hotbed of radical feminism during the Mexican Revolution Challenging this romanticized view Stephanie Smith examines the revolutionary reforms designed to break women's ties to

tradition and religion as well as the ways in which women shaped these developments Smith analyzes the various regulations introduced by Yucatan's two revolution era governors Salvador Alvarado and Felipe Carrillo Puerto Like many revolutionary leaders throughout Mexico the Yucatan policy makers professed allegiance to women's rights and socialist principles Yet they too passed laws and condoned legal practices that excluded women from equal participation and reinforced their inferior status Using court cases brought by ordinary women including those of Mayan descent Smith demonstrates the importance of women's agency during the Mexican Revolution But she says despite the intervention of women at many levels of Yucatecan society the rigid definition of women's social roles as strictly that of wives and mothers within the Mexican nation guaranteed that long term substantial gains remained out of reach for most women for years to come

The Occupational Experience of Residential Child and Youth Care Workers Jerome Beker, Mordecai Arieli, 2013-04-03 From open and straightforward accounts of residential care workers *The Occupational Experience of Residential Child and Youth Care Workers* shows you how care is handled not how it should be handled This book introduces you to a social reality a sometimes very difficult and challenging social reality as it is viewed by its participants If you want to know more about what is actually going on in residential care and the discontent that workers frequently experience this is the book that lays out the facts the problems and the nature of residential youth centers *The Occupational Experience of Residential Child and Youth Care Workers* broaches the problem of tension between workers and residents and hopes that bringing the problem out into the open will be a first step toward a solution You learn that the very arrangement of residential care automatically sets up antagonism between the sole group care worker and his/her wards residents tend to resist the inherently coercive efforts of the worker who tries to bring them through processes of change and socialization *The Occupational Experience of Residential Child and Youth Care Workers* will make you think about residential care and conflicts group interaction career satisfaction and dissatisfaction interpretive sociology of education and its methodology social control Interviews with Israeli residential care workers are presented to help you understand the circumstances under which residential care providers experience discontent or job dissatisfaction You learn which workers are most likely to feel discontented and how staff members cope with the stress and discontent they experience Youth care workers policymakers child care staff recruiters supervisors and trainers will find this book sheds much light on the problem of discontent and the need to make child and youth care facilities more humane for residents and staff alike It will also help social work educators and researchers in sociology social work and the social psychology of education get in touch with what goes on inside the walls of residential care centers
