*Forgiving Your Family* Kathleen Fischer, 2005-04-01 Why is it that the people closest to us often cause the deepest most wrenching pain Family can either provide restful refuge or prompt you to find it elsewhere A quick channel surf through daytime television illustrates that From the petty irritation to the grievous wrong forgiving is one of the hardest tasks families face The gospel calls us to love and forgive others Ironically the closer we are to people the harder it is to forgive them After all we count on these people to love and accept us unconditionally But family behavior is far from flawless Spouses quarrel siblings pout grandparents criticize cousins judge When the last nerve frays look out A house of love quickly turns into a house of pain Family

experiences are a mixture of beauty and tragedy writes Fischer When we grasp this truth we understand why forgiveness is such an essential part of family life and Jesus message The gospel reminds us that redemption happens right here in the give and take of ordinary family life Each chapter of *Forgiving Your Family* contains real life stories practical strategies and encouragement to help you move toward forgiveness Better communication while critical isn't enough according to Fischer Forgiveness takes faith and prayer Combining psychological practical and theological insight Fischer will lead you to discover the true meaning of forgiveness rather than the myths why you need to forgive ways to deal with anger and avoid revenge how to protect yourself while easing into forgiveness the difference between forgiveness and reconciliation how to let go of hurts and live Whether you need to forgive someone in your family or you counsel families as a part of your work *Forgiving Your Family* is an indispensable tool *Spiritual Companionship* Angela H.
