Seasons P. Mikell, 2022-02-22 This book was born in faith and it expresses a glimpse of the author's love and appreciation for the intricate and beautiful creation of God through nature and humanity which exists within a perpetual and unrestricted cycle of Seasons. The study also conveys certain principles of faith which is an inborn trait of every human and which is basically defined as trust, belief, or confidence. Biblically, faith is described as substance. Hebrews 11:1, a constant and active element of optimism for every season. Overall, this Bible Study was written to encourage the church universally and to enlighten others about our God-given resources and abilities and to encourage us to withstand the fear that persistently fights against our faith, to be assured that God powerfully provides us with a supernatural protective covering and divine reinforcement for every season, to remember that God lovingly provides His grace and mercy, His knowledge and His wisdom for us to live victoriously and joyfully through each season of life, to take a firm stance of confidence in God regardless of the severity of the times and the conditions, to view faith from a refreshing point of view as it is wonderfully intertwined and responsive to all seasons and circumstances. May God through Christ Jesus be exalted through the contents of this book as readers choose to trust Him and to stand strong together, empowered in His love, safeguarded in His sheltering power, and sustained by His mercy. May all who read and study this book be richly blessed. Ms P Mikell
