Seattle Genealogical Society Bulletin , 1984 **Children of the Kootenays** Shirley D. Stainton, 2018-04-23 A warm hearted memoir of a childhood spent living in various mining towns in the Kootenays throughout the 1930s and 40s When young Shirley Doris Hall and her family moved to BC's West Kootenay region in 1927 the area was a hub of mining activity Shirley's father a cook had no problem finding work at the mining camps and the family dutifully followed him from town to town as his services were sought after For Shirley and her brother Ray described as both her confidant and her nemesis mining camps were the backdrop of their youth The instant close knit communities that formed around them the freedom of barely tamed wilderness and the struggles of the Depression years and the war that followed created an unlikely environment for a happy childhood Yet Shirley's memories reveal that it was indeed a magical time and place in which to grow up Children of the Kootenays paints a lively portrait of this forgotten period in BC history of mining towns that are now ghost towns told from the unique perspective of a young girl Seattle's Forgotten Serial Killer Cloyd Steiger, 2020-01-27 An in depth look at the 1971 trial of a serial killer who's been mostly forgotten except to those who were forever impacted The Seattle Times In 1969 the body of a young woman was discovered in the woods of Renton Washington rocking the communities along Puget Sound Three more brutal murders followed drawing the attention of multiple police agencies as they tried to piece together the meager clues left behind The seemingly unrelated cases challenged detectives who struggled to realize they were all connected to one man Gary Gene Grant Before the term serial killer was even coined Grant stalked his prey destroying lives and families while walking unseen among the masses Decades later his crimes have all but been
