Bell,Claude Douglas Dickerson,Nicolas Milavanovic,Alain Tallon,2016-01-01 A beautiful volume that brings to light the
forgotten Le Nain brothers a trio of 17th century French master painters who specialized in portraiture religious subjects
and scenes of everyday peasant life In France in the 17th century the brothers Antoine c 1598 1648 Louis c 1600 1605 1648
and Mathieu 1607 1677 Le Nain painted images of everyday life for which they became posthumously famous They are
celebrated for their depictions of middle class leisure activities and particularly for their representations of peasant families
who gaze out at the viewer The uncompromising naturalism of these compositions along with their oddly suspended action
imparts a sense of dignity to their subjects Featuring more than sixty paintings highlighting the artists full range of
production including altarpieces private devotional paintings portraits and the poignant images of peasants for which the
brothers are best known this generously illustrated volume presents new research concerning the authorship dating and
meaning of the works by well known scholars in the field Also groundbreaking are the results of a technical study of the
paintings which constitutes a major contribution to the scholarship on the Le Nain brothers **The Image of the Black in**
Western Art David Bindman,2010 A pioneering work in the field of art history The Image of the Black in Western Art is a
comprehensive series of ten books which offers a lavishly illustrated history of the representations of people of African
descent from antiquity to the present Each book includes a series of essays by some of the most distinguished names in art
history Ranging from images of Pharaohs created by unknown hands almost 3 500 years ago to the works of the great
masters of European and American art such as Bosch D rer Mantegna Rembrandt Rubens Watteau Hogarth Copley and Goya
to stunning new media creations by contemporary black artists these books are generously illustrated with beautiful moving
and often little known images of black people Black figures queens and slaves saints and soldiers priests and prisoners
dancers and athletes children and gods are central to the visual imagination of Western civilization Written in accessible
language the extensive and insightful commentaries on the illustrations by distinguished art historians make this series
invaluable for the general reader and the specialist alike R sum de l diteur **French Paintings in The Metropolitan Museum**
