Chronicles of the Cross Collection Max Lucado,2010-09-08 This volume includes three of Max Lucado s best loved works No Wonder They Call Him the Savior Six Hours One Friday and And the Angels Were Silent In No Wonder They Call Him the Savior best selling author Max Lucado invites readers to meet the blue collar Jew whose claim altered a world and whose promise has never been equaled Readers will come to know Jesus the Christ in a brand new way as Lucado brings them full circle to the foot of the cross and the man who sacrificed His life on it Then in Six Hours One Friday readers learn that they don t have to weather life s storms alone but that God promises to be with them no matter what they are facing He does this because of what happened in only six hours one Friday so many years ago Finally come face to face with the Savior during His final week on earth and learn about the loving purpose and deliberate intent that went into His every action His every word in And the Angels Were Silent Give Me a Sign Kendall Conger,2023-09-19 The Gospel of John concisely captures volumes of thought and feeling in an original and bare boned sketch A slower unpacking of this narrative outline is powerfully compelling in presenting Jesus as the central figure in history whose supernatural life is the only explanation for the Gospel s existence and its global impact The reader will see why John is considered by many to be the greatest literary work of all time and why Jesus is the preeminent figure in literary and human history For believer and unbeliever it is important and culturally relevant to really grasp the one story and the one person who has captivated and changed the world more than any other **Nothing to Fear** Barry C. Black,2017-02-07 I m really concerned about the state of the world It feels like things are falling apart I m worried about my family s future How can I stand firm in my faith in today s culture Our times are turbulent ones and questions and worries like these can haunt us and keep us awake at night Yet is it possible that ultimately there is actually nothing to fear Barry C Black is the spiritual leader of leaders for the US Senate shepherding those on the front lines of the decisions that shape our culture Now Chaplain Black shows all of us how to thrive in the midst of today s turbulence and confusion by following eight principles that Jesus gave his disciples prior to sending them into a dangerous world These teachings are as relevant today as when Jesus first spoke them two thousand years ago Containing Scriptural insights and powerful prayers to help you seek God s guidance and blessing Nothing to Fear will illuminate the way to live boldly bravely and faithfully in the face of today s perils *How to Survive in a World of Unbelievers* John F. MacArthur,2001-01-10 How should Christians conduct themselves in an increasingly secular society Jesus answered this troubling question on the eve of His death with some of the most poignant powerful teaching in His entire ministry During those hours He taught His apostles and consequently all believers throughout history How To Survive in a World of Unbelievers Respected pastor teacher and author John MacArthur plumbs the depths of Jesus final words of encouragement

to us based on John 13 16 By studying this valuable book you will find answers to these and other difficult questions How can you remain pure hearted and spiritually sound in a church seemingly full of hypocrites How do you help your children stay morally pure when they want to fit in with school friends who prefer objectionable activities How can you keep your family anchored to Christ in a society that is drifting far away from His teaching on family issues such as divorce homosexuality and abortion How do you retain your Christian ethics when your boss asks you to lie or cheat How can you keep your life focused on glorifying Christ in a society that proclaims self pride and personal achievement as marks of success On the Via Dolorosa with Christ Paul Ciholas,2004 After two millennia the death and resurrection of Jesus Christ remain the foundation of Christian faith No matter how often the story of Easter is told and how much it is explained we are awed by the inscrutability of God's incarnation in Christ and find ourselves caught up in an event that transcends our understanding and surrounds us in a sea of divine love that belongs to the realm of mystery These forty meditations invite the reader to reflect on Christ's walk on the Via Dolorosa the path of suffering that a bruised and exhausted Jesus had to trudge from the place of his condemnation to the site of his crucifixion It is a sobering journey It is also a holy path toward God With the author the reader can walk from sacred place to sacred place and feel the transforming power of the presence of Christ In this pilgrimage we encounter a tormented Judas a bewildered Peter a transformed Thomas and two startled disciples on the road to Emmaus The passion story leads believers and readers through the tragic disintegration of moral and spiritual claims to a fresh reaffirmation of the promise of transfiguration and resurrection **Living in the Shadow of the Cross** Lynda L. Schultz,2018-03-02 This is the heart of Living in the Shadow of a Cross a series of meditations on the cross It calls us back to the foundation of our faith as believers in Jesus Christ It reminds us of what we were who we are and where we are headed
