Secret Gardens A Study Of The Golden Age Of Childrens Literature

Humphrey Carpenter

Secret Gardens A Study Of The Golden Age Of Childrens Literature:

Secret Gardens Humphrey Carpenter,1985 Examines the lives and writings of the Golden Age authors from Alice in Wonderland to Winnie the Pooh *Secret Gardens* Humphrey Carpenter,1987-01-01 **Understanding Children's Literature** Peter Hunt,1999 This book provides an introduction to some of the critical theories useful in the study of children s literature The 14 chapters examine the context application and relevance to this area of concepts such as feminism ideology psychoanalysis and literacy studies *A Hundred Years of The Secret Garden* Marion Gymnich,Imke Lichterfeld,2012-11-20 Frances Hodgson Burnett published numerous works for an adult readership but she is mainly remembered today for three novels written for children *Little Lord Fauntleroy* 1886 *A Little Princess* 1905 and *The Secret Garden* 1911 This volume is dedicated to *The Secret Garden* The articles address a wide range of issues including the representation of the garden in Burnett s novel in the context of cultural history the relationship between the concept of nature and female identity the idea of therapeutic places the notion of redemptive children in *The Secret Garden* and *Little Lord Fauntleroy* the concept of male identity constructions of Otherness and the redefinition of Englishness film and anime versions of Burnett s classic Noel Streatfeild s *The Painted Garden* as a rewriting of *The Secret Garden* attitudes towards food in children s classics and Burnett s novel in the context of Edwardian girlhood fiction and the tradition of the female novel of development

Children's Literature Pat Pinsent,2016-04-08 This invaluable Guide surveys the key critical works and debates in the vibrant field of children s literature since its inception Leading expert Pat Pinsent combines a chronological overview of developments in the genre with analysis of key theorists and theories and subject specific methodologies **The Hidden Adult** Perry Nodelman,2008-09-30 What exactly is a children s book How is children s literature defined as a genre A leading scholar presents close readings of six classic stories to answer these questions and offer a clear definition of children s writing as a distinct literary form Perry Nodelman begins by considering the plots themes and structures of six works *The Purple Jar* *Alice in Wonderland* *Dr Doolittle* *Henry Huggins* *The Snowy Day* and *Plain City* all written for young people of varying ages in different times and places to identify shared characteristics He points out markers in each work that allow the adult reader to understand it as a children s story shedding light on ingrained adult assumptions and revealing the ways in which adult knowledge and experience remain hidden in apparently simple and innocent texts Nodelman then engages a wide range of views of children s literature from authors literary critics cultural theorists and specialists in education and information sciences Through this informed dialogue Nodelman develops a comprehensive theory of children s literature exploring its commonalities and shared themes *The Hidden Adult* is a focused and sophisticated analysis of children s literature and a major contribution to the theory and criticism of the genre *Kenneth Grahame's The Wind in the Willows* Jackie C. Horne,Donna R. White,2009-11-25 In 1908 Kenneth Grahame s *The Wind in the Willows* was published to surprisingly little critical fanfare But readers championed its cause and Grahame s novel of a riverbank life soon proved both

a commercial and ultimately critical success One hundred years after its first publication Grahame s book and its memorable characters continue their hold on the public imagination and have taken their place in the canon of children s literature However little academic criticism emerged in the wake of the book s initial publication Only after the appearance of Peter Green s biocritical study did the academy begin to wrestle with Grahame s complex work though many read it in terms of Grahame s often unhappy personal life The essays in Kenneth Grahame s *The Wind in the Willows* A Children s Classic at 100 focus on recent discussions of the book in regards to class gender and nationality but also examine issues previously not addressed by Grahame criticism such as the construction of heteronormative masculinity the appeal of this very English novel to Chinese readers and the meaning of a text in which animals can be human like pets servants and even food This volume also revisits some of the issues that have engaged critics from the start including the book s dual strand narrative structure the function of home and the psychological connections between Toad and Grahame Scholars of fantasy and children s literature will find great value in this collection that sheds new light on this enduring classic

Scholarly Resources for Children and Childhood Studies Vibiana Bowman, 2007-02-08 Editor Vibiana Bowman has drawn together contributions from some of the leading scholars in the interdisciplinary field of children and childhood studies CCS in this guided approach to literature searching in CCS The contributors to this book are both faculty currently teaching in the area of CCS and academic librarians The charge given to each contributor was to write a chapter that explained the process of scholarly research in his or her own particular area of expertise to a student unfamiliar with that discipline Towards this end the book provides background information about interdisciplinary study in general and children and childhood studies in particular as well as an outline of basic research practices Each contributor serves as a mentor and suggests a search strategy discusses significant concepts and vocabulary and lists the major resources that scholars in that area would be expected to use Not intended as an exhaustive list of in print research resources rather the emphasis throughout this guide is on useful resources and effective research methodologies As the field of CCS continues to evolve in the upcoming years *Scholarly Resources for Children and Childhood Studies* will serve as an excellent stepping stone for those just entering the area

Literature For Children Peter Hunt, 2003-09-02 Children s literature has recently produced a body of criticism with a highly distinctive voice The book consolidates understanding of this area by including some of the most important essays published in the field in the last five years demonstrating the links between literary criticism education psychology history and scientific theory It includes Peter Hollindale s award winning essay on Ideology and Children s Literature topics from metafiction and post modernism to fractal geometry and the examination of texts ranging from picture books to *The Wizard of Oz* and the the Australian classic *Midnight Sources* are as disparate as *Signal* and the Children s Literature Association Quarterly and the international community is represented by writers from Britain the USA Canada Australia and Germany Each essay is set in its critical context by extensive quotation from authoritative articles

Childhood Studies Jean

Mills, Richard Mills, 2002-03-11 The nature of childhood the consideration of whether a certain age denotes innocence or not and the desire to teach good citizenship to our children are all issues commonly discussed by today's media This book brings together a variety of perspectives on the study of childhood how this has been treated historically and how such a concept is developing as we move into the next century The book is divided into five main sections part one sets the scene and provides the reader with an overview of attitudes towards childhood part two surveys the contribution of literature from the nineteenth and twentieth centuries part three examines educational issues such as children's play language acquisition and spiritual development part four looks at the representation of children in film television and other mass media part five offers further help for study and research This book draws on a number of academic disciplines including education literature theology language studies and history It will be of particular use to those on Childhood studies courses and all those studying for a teacher qualification Teachers of children aged between 4-12 years old will find its contribution to their continuing professional development extremely helpful

FAQs About Secret Gardens A Study Of The Golden Age Of Childrens Literature Books

What is a Secret Gardens A Study Of The Golden Age Of Childrens Literature PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Secret Gardens A Study Of The Golden Age Of Childrens Literature PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Secret Gardens A Study Of The Golden Age Of Childrens Literature PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Secret Gardens A Study Of The Golden Age Of Childrens Literature PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Secret Gardens A Study Of The Golden Age Of Childrens Literature PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any

restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
