Takeyama, 2016-03-09 In the host clubs of Tokyo's Kabuki ch red light district ambitious young men seek their fortunes by selling love romance companionship and sometimes sex to female consumers for exorbitant sums of money Staged Seduction reveals a world where all intimacies and feigned feelings are fair game for the hosts who employ feathered bangs polished nails fine European suits and the sensitivity of the finest salesmen to create a fantasy for wealthy women seeking an escape from the everyday Akiko Takeyama's investigation of this beguiling underground love business provides an intimate window into Japanese host clubs and the lives of hosts clients club owners and managers The club is a place where fantasies are pursued and the art of seduction isn't merely about romance a complex set of transactions emerges Like a casino of love the host club is a site of desperation aspiration and hope in which both hosts and clients are eager to roll the dice Takeyama reveals the aspirational mode not only of the host club but also of a Japanese society built on the commercialization of aspiration seducing its citizens out of the present and into a future where hopes and dreams are imaginable and billions of dollars can be made North Carolina Reports North Carolina. The Steppes of Paris Helen Harris, 2014-07-21 I prefer autumn In autumn I am at my best It will be one of my lasting regrets when you are gone that we won't have known each other in autumn Edward had hoped for Latin America but the newsdesk sent him to Paris In Paris there were no machine gun toting revolutionaries with faces like icons Instead there was Irina exotically Russian desirably statuesque and ten years older than Edward In an icy Paris winter Edward and Irina are drawn together The Steppes of Paris is an elegant and bittersweet story of unpredictable

love in the City of Light from the highly acclaimed author of *Angel Cake* and *Playing Fields in Winter* I have never read a novel that describes so well the plight of the ex pat in Paris the fraught progress of the affair is described with sharply wry observation Sunday Express A breath of spring although with two acclaimed novels already to her credit Helen Harris's talents are well past the budding stage wry beautifully exact and bubbling with life Christopher Wordsworth The Guardian The couple's story is colourful often funny and absorbing Eastern Daily Express An attractive well written portrait of a young man and elderly Russian family well worth reading The Bookseller Excellent an intriguing tale ultimately leaving the reader with the slow cringing sense of horror as the book reaches its climax Jane Yelland The Huddersfield Daily Examiner

Cartesian Poetics Andrea Gadberry, 2020-11-10 What is thinking What does it feel like What is it good for Andrea Gadberry looks for answers to these questions in the philosophy of Ren Descartes and finds them in the philosopher's implicit poetics Gadberry argues that Descartes's thought was crucially enabled by poetry and shows how markers of poetic genres from love lyric and elegy to the puzzling forms of the riddle and the anagram betray an impassioned negotiation with the difficulties of thought and its limits Where others have seen Cartesian philosophy as a triumph of reason Gadberry reveals that the philosopher accused of having slashed poetry's throat instead enlisted poetic form to contain thought's frustrations Gadberry's approach to seventeenth century writings poses questions urgent for the twenty first Bringing literature and philosophy into rich dialogue Gadberry centers close reading as a method uniquely equipped to manage skepticism tolerate critical ambivalence and detect feeling in philosophy Helping us read classic moments of philosophical argumentation in a new light this elegant study also expands outward to redefine thinking in light of its poetic formations *THE INNOCENTS CLUB* Taylor Smith, 2014-10-15 Senior CIA analyst Mariah Bolt remembers her late father as the man who abandoned his family to run off to Europe with another woman Ben Bolt's fans remember him somewhat differently and revere him as a literary genius But like it or not Mariah has become the reluctant guardian of his legacy never suspecting she has also inherited a ticking time bomb As she is about to depart on a much needed vacation with her teenage daughter Mariah is called in on an urgent assignment to lure a man into betraying his country There's only one hitch to get to this man she has to cross paths with her father's old lover Suddenly the past is back with a vengeance One old friend will betray her and another will be murdered as Mariah discovers how little she really knows about her father's life and his death And when her fifteen year old daughter goes missing Mariah will be reminded once more that there are no limits in the terrifying game of international espionage
