The Known Citizen Sarah E. Igo, 2020-03-10 A Washington Post Book of the Year Winner of the Merle Curti Award Winner of the Jacques Barzun Prize Winner of the Ralph Waldo Emerson Award A masterful study of privacy Sue Halpern New York Review of Books Masterful and timely A marathon trek from Victorian propriety to social media exhibitionism Utterly original Washington Post Every day we make decisions about what to share and when how much to expose and to whom Securing the boundary between one s private affairs and public identity has become an urgent task of modern life How did privacy come to loom so large in public consciousness Sarah Igo tracks the quest for privacy from the invention of the telegraph onward revealing enduring debates over how Americans would and should be known The Known Citizen is a penetrating historical investigation with powerful lessons for our own times when corporations government agencies and data miners are tracking our every move A mighty effort to tell the story of modern

America as a story of anxieties about privacy Shows us that although we may feel that the threat to privacy today is unprecedented every generation has felt that way since the introduction of the postcard Louis Menand New Yorker Engaging and wide ranging Igo s analysis of state surveillance from the New Deal through Watergate is remarkably thorough and insightful The Nation

Teaching Lives: Contemporary Pedagogies of Life Narratives Laurie McNeill, Kate Douglas, 2018-12-07 The contemporary boom in the publication and consumption of auto biographical representation has made life narratives a popular and compelling subject for twenty first century classrooms The proliferation of forms media terminologies and disciplinary approaches in a range of educational contexts invites discussion of how and why we teach these materials Drawing on their experiences in disciplines including creative writing language studies education literary studies linguistics and psychology contributors to this volume explore some of the central issues that inspire enable and complicate the teaching of life writing subjects and texts examining the ideologies issues methods and practices that underpin contemporary pedagogies of auto biography The collection acknowledges the potential perils that life writing texts and subjects represent for instructors with a series of short essays by leading auto biography scholars who reflect on their failed experiences teaching life narratives and share strategies for negotiating the particular challenges these texts can present Exploring issues including teaching across genres analyzing writing about trauma decolonizing pedagogies and challenging assumptions our own our students and our colleagues Teaching Lives illuminates what makes the teaching of life narratives different from teaching other kinds of subjects or texts and why auto biography has such a critical role to play in contemporary education This book was originally published as a special issue of a b Auto Biography Studies

Writing Feminist Lives Malin Lidström Brock, 2017-05-05 This book draws attention to the controversy that surrounds Betty Friedan Germaine Greer Gloria Steinem and Simone de Beauvoir s lives and the important role that their life stories have played in their feminist writing Directly and indirectly the four women have contributed to battles over feminism s meaning through autobiographically informed political writing Inevitably therefore their biographers are also participants in these battles yet not always on the same side as their subjects Writing Feminist Lives introduces a further fold of nuance into considerations of biography and feminism by showing that the biographers of the four women have made methodological choices that reflect their loyalty to or their scepticism towards competing ideological definitions of the exemplary feminist life

The Biographical Turn Hans Renders, Binne de Haan, Jonne Harmsma, 2016-09-13 The Biographical Turn showcases the latest research through which the field of biography is being explored Fifteen leading scholars in the field present the biographical perspective as a scholarly research methodology investigating the consequences of this bottom up approach and illuminating its value for different disciplines While biography has been on the rise in academia since the 1980s this volume highlights the theoretical implications of the biographical turn that is changing the humanities Chapters cover subjects such as gender religion race new media and microhistory presenting biography as as a research methodology suited not only for historians

but also for explorations in areas including literature studies sociology economics and politics By emphasizing agency the use of primary sources and the critical analysis of context and historiography this book demonstrates how biography can function as a scholarly methodology for a wide range of topics and fields of research International in scope The Biographical Turn emphasizes that the individual can have a lasting impact on the past and that lives that are now forgotten can be as important for the historical narrative as the biographies of kings and presidents It is a valuable resource for all students of biography history and historical theory **The Politics of Contested Narratives** Ilse Lazaroms, Emily Gioielli, 2016-03-17 The twentieth century in Europe was characterized by great moments of rupture such as two world wars ideological conflict and political polarization In these processes as well as in the historical writing that followed in its wake the individual as an historical entity often appeared crushed In line with contemporary theories about the precariousness of historical writing and the self this volume seeks to understand the important developments in modern Europe from the perspective of the single sometimes isolated but always original viewpoint of individuals inhabiting the space at the other side of the traditional grand narratives Including theoretical chapters as well as detailed case studies this volume takes a biographical approach to dystopian events the Holocaust Fascism Communism and collectivization by starting with the voices of unknown historical actors and relating their experiences to larger processes in modern European history such as the emergence of the national collective memory and state formation as well as changes in the understanding of modern identities and the re formulation of the self This book was originally published as a special issue of the European Review of History How to Make It as a Woman Alison Booth, 2004-11-25 Publisher Description The Text is Myself Miriam Fuchs, 2004 German Jewish novelist Grete Weil fled to Holland but her husband was arrested there and murdered by the Nazis Chilean novelist Isabel Allende fled her country after her uncle Salvador Allende was assassinated and she later lost her daughter to disease

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
