OF 1918**

See How They Ran British Retreat Of 1918

Walter Reid

See How They Ran British Retreat Of 1918:

Five Days From Defeat Walter Reid, 2017-11-02 On 21 March 1918 Germany initiated one of the most ferocious and offensives of the First World War During the so called Kaiserschlacht German troops advanced on allied positions in a series of ferocious attacks which caused massive casualties separated British and French forces and drove the British back towards the Channel ports Five days later as the German advance continued one of the most dramatic summits of the war took place in Doullens The outcome was to have extraordinary consequences For the first time an allied supreme commander the French General Foch was appointed to command all the allied armies while the statesmen realized that unity of purpose rather than national interest was ultimately the key to success Within a few months a policy of defence became one of offence and paved the way for British success at Amiens and the series of unbroken British victories that led Germany to plea for armistice Victory in November 1918 was a matter for celebration what was excised from history was how close Britain was to ignominious defeat just eight months earlier

Battle Scarred Craig Deayton, 2011-03-07 The dead and wounded of the 47th lay everywhere underfoot With these words Charles Bean Australia's Official War Historian described the battlefield of Dernancourt on the morning of the 5th of April 1918 strewn with the bodies of the Australian dead It was the final tragic chapter in the story of the 47th Australian Infantry Battalion in the First World War One of the shortest lived and most battle hardened of the 1st Australian Imperial Force's battalions the 47th was formed in Egypt in 1916 and disbanded two years later having suffered one of the highest casualty rates of any Australian unit Their story is remarkable for many reasons Dogged by command and discipline troubles and bled white by the desperate attrition battles of 1916 and 1917 they fought on against a determined and skilful enemy in battles where the fortunes of war seemed stacked against them at every turn Not only did they have the misfortune to be called into some of the A I F's most costly campaigns chance often found them in the worst places within those battles Though their story is one of almost unrelieved tragedy it is also story of remarkable courage endurance and heroism It is the story of the 1st A I F itself punished beaten sometimes reviled for their indiscipline they fought on fewer leaner and harder until final victory was won And at its end in an extraordinary gesture of mateship the remnants of the 47th Battalion reunited Having been scattered to other units after their disbandment the survivors gathered in Belgium for one last photo together Only 73 remained

The Hindenburg Line Peter Oldham, 1997-01-28 A deep dive into the genesis development and occupation of the Hindenburg Line as well as detailed guides to the actions and battles in each sector When the Hindenburg Line Germany's legendary defence system was pierced at Cambrai in November 1917 the British were so pleased and delighted that church bells were rung But that initial elation was followed by disappointment when the Germans used defence in depth and elastic defence to retake the Hindenburg defences This book examines the reasons for the German's decision to fall back to a strong defence line while their Navy starved Britain into submission and the burnt earth policy of devastation in the area evacuated The design and layout of the Hindenburg Line and the Battles for

its possession in 1917 and 1918 are given with numerous maps covering different sectors and the struggles for each village and farm together with the part played by many British Regiments The maps contain information on how to find all remaining vestiges of both German and British defences in the region most of which are rarely visited and many of which have not been seen by British eyes for many years No book since the Great War has examined this area in such detail nor has any single account contained so much for the battlefield visitor to see The sites of individual acts of bravery including the winning of many Victoria Crosses are featured and existing locations of battle lines headquarters artillery observation and machine gun posts are also included together with an absorbing narrative which also guides the armchair reader Last Stand Bryan Perrett,2012-10-11 What do soldiers do when all is lost They keep fighting In this best selling anthology Bryan Perrett provides gripping accounts of close quarter battles and hard fought victory against all the odds His journey from Napoleonic Europe through to the Korean War highlights thirteen episodes of incredible bravery and sacrifice in unbelievable actions The book begins with the gallant fight of Napoleon s Old Guard at Waterloo It examines the famous actions at the Alamo against the Zulus at Rorke s Drift and the Bridge Too Far at Arnhem The adventure concludes with the desperate last stand of the Gloucesters at Imjin during the Korean War Last Stand is the breathtaking story of ultimate sacrifice and glorious victory **The Unwanted** John McKendrick Hughes,2005-05-20 The Unwanted is the personal memoir of John McKendrick Hughes a Canadian farmer who also happened to be an Major in the local militia who joined the army in 1915 Upon his arrival in England in the fall of 1916 John discovered that the British Army did not want Canadian militia officers whom they considered to be rank amateurs Unwanted by the British Army but not allowed by the Canadian government to return home John determined to serve his country in any way he could He did this by becoming an Agricultural Officer for the British 2nd Army one of many unwanted Canadian officers who served in ways they could not have imagined when they enlisted Working at Army Headquarters John rubbed shoulders on a daily basis with dozens of high ranking officers many of whom were members of the British upper class As an outsider he was able to see them simply as men not as lords dukes and earls yet by virtue of his HQ posting and his own skills as a farmer and organizer he was often treated as an insider one of the club The work John was doing raising food for the Army immediately behind the front lines was new to everyone involved There were no regulations detailing how it was to be done and he often had to improvise as he went along breaking the rules that applied to other military operations aided and abetted by his commanding officers who often made sure he didn t know the rules After the war John was seconded to the Armistice Commission and posted to Cologne Germany where he inspected agricultural equipment and enjoyed a season of opera He returned to Canada in 1919 **See how They Ran** William Moore,1970 Forfatteren der er Senior Executive ved et Fleet Street nyhedsmagasin har unders gt hvad der egentlig skete i 1918 Han har benyttet de samme metoder som en journalist benytter i forbindelse med research af et emnt Resultatet er denne bog om den tyske offensiv the Kaiserschlacht den 21 marts 1918 som i l bet af 10 dage f rte til at den engelske 5 og 3

Army m tte tr kkes sig tilbage fra de omr der som var erobret i l bet af 1916 og 1917 **Decisive Battles of the Twentieth Century** Noble Frankland, Christopher Dowling, 1976 **British History For Dummies** Seán Lang, 2011-01-13 Royally confused about kings and queens Never sure what happened when Or where England Scotland Ireland or Wales Learn the people and events that shaped British history British History For Dummies 3rd Edition is full of rip roaring stories of power mad kings executions invasions high treason global empire building and forbidden love not bad for a nation of stiff upper lips Engaged travelers lifelong learners history buffs and students will all enjoy this friendly and accessible guide written in well plain English This book is for you if you studied British History in school perhaps a while ago or learned only a bit about Wales or Scotland or Ireland and want to know more And if you ve ever asked yourself What kingdoms are part of the United Kingdom or Exactly how was the UK formed or Which people make up the UK you ve come to the right place to get those answers and so much more With an 8 page color insert so you can see who what and where the ensuing historical action takes place you ll learn about the following people and events and more What led to the Roman invasion and about the Britons who resisted it How Britain was divided into Saxon and Celtic kingdoms How the Roman Church converted Celtic and British Christians When the Vikings arrived and what other invaders followed The many battles of Henry II The forming of England s parliament How the Black Death affected Britain The Tudors vs The Stuarts How the Industrial Revolution helped push advancements in farming and infrastructure All about the Victorians everyone s favorite Britain s involvement in the Great War and World War II Additionally this edition is revised and expanded to include the historical parliamentary elections of 2010 and the British mission in Afghanistan and you don t want to miss out Pick up your copy of British History For Dummies 3rd Edition today *A Subject Bibliography of the First World War* A. G. S. Enser, 1990 This is a bibliography of books published in English between 1914 and 1987 on the First World War There are approximately 6800 entries indexed by author or title listed under 350 subject headings The subject headings range in alphabetical order from addresses and speeches to Zimmerman Each entry gives bibliographical details where possible any changes in title between United Kingdom and United States of America editions and cross references to other relevant subject headings For quick reference there is an index of authors and an index of subject headings While this bibliography aims to be a reference work for the scholar and researcher it is also intended to be for more general use **The Publishers Weekly** ,1970
