Edwards, 2015-12-26 There are sincere worshippers of Christ who are quite ignorant of how to deal with difficult passages in the Bible that might be used by God s enemies to paint a false picture of Him Many remain confused as to how to deal with passages that seem to go against what they know by their experience is a loving God I believe that these daily devotions can assist believers in this endeavor When one meditates daily on the truth of God s character then they will not be easily swayed by those who speak against it They will see that there are better ways to understand the passages often presented by those who choose to denigrate God s character

Seven Seeds Frank Hackett, 2022-11-03 Are you happy with where you currently are in life Do you want more out of life Do you seek to be fulfilled and have a greater sense of purpose and understanding Most people don t realize that their thoughts words and actions determine their future You are where you are right now in life good or bad because of everything you ve thought said and done in the past The purpose of this book is to simplify seven key biblical principles to help the reader discover and understand that they have control over their future However the key to understanding these biblical principles is to awaken the spirit within in order to live an emotionally stable blessed and prosperous life We live life through the seeds we plant each day in our thoughts words and actions Begin to understand the true power and importance of your thoughts words and actions and the role each plays in manifesting your future Have a clear understanding of certain biblical principles that as Christians we cannot ignore if we truly wish to live a faith filled abundant life Learn that everything comes from God and that developing a relationship with God is the key to everything Be drawn closer to God and have a new perspective in your thinking with an open heart and a clear mind More importantly awaken your inner spirit to the simple truths that God has laid out for every one of us to live by **Seeds of Sin**

Living in the Shadow of Reality Dr. Silas Gaines,2022-12-18 Westerners often make the mistake of discounting the spiritual aspects of life as not real imaginary a mere reflection of what is experienced in the real world by which they usually mean the physical world that we experience with our five senses Many claim that the concept of angels and demons are creations of our imagination that God or the gods of other religions are mere projections that we create for ourselves The argument goes like this Humans look at physical reality and then create imagine a shadow world the spirit world based upon our experience of real life But what if the opposite is true What if what we are experiencing with our five senses is really just a reflection in a pond What if the real begins with the spiritual and then is reflected into the physical If this hypothesis is true if indeed what we see happening around us in the physical world begins in the spiritual world and is only later manifested where we can perceive it with our five senses then that has profound implications for us in a practical sense If true this would mean that individual crimes acts of evil and aggression and perhaps even larger events armed conflicts terrorist strikes or man made catastrophes that occur in our physical world might be avoided altogether if we can stop them at the spiritual level Likewise what if good might blossom in our physical world as a result of intervention at the spiritual level It certainly seems that we have evidence for both in human experience and in the scriptures Join Dr Silas Gaines as he walks his readers through a scriptural historical and personal journey to identify spiritual laws and principles that govern our current reality Gaines aids us in highlighting spiritual laws woven into the Created Order of which we are often dangerously ignorant and which often hold the keys to humanity flourishing in God's plans and purposes Gaines invites us to join in a journey that will open our eyes to new realities around us and empower us to walk into our God given destinies impacting people and the world around us as we were born to do **Plant Inventory** ,1985 *Becoming Who I Was Destined to Be* Michelle R. West,2013-06-03 *Becoming Who I Was Destined To Be* is both a practical and spiritual guide designed for those who want to know the foundational truths of the Gospel of JESUS CHRIST Who is not only the Door to the Kingdom of God but He is also King of the Kingdom As you read you will learn Who JESUS Is and Who you are in Him
