Seeing Christ In Sickness And Healing:

Seeing Christ in Sickness and Healing Peter Selg, 2005 For those who are in daily contact with people who are ill or in need there may be a tendency to forget the larger purpose of healing because of a need to focus on the day to day mechanics of healthcare Anthroposophic medicine however encompasses more than the physical body it is also concerned with the soul and individual biography of patients which brings a broader dimension to conventional medical care Peter Selg shows how anthroposophic therapies draw heavily on the Christian concept of healing as seen in the Christian Bible In practical terms he suggests that through meditation healers and caregivers can allow the healing power of Christ to work through them They must come to recognize that sickness is part of a person's destiny and that the healing process can help realize the purpose of the sickness for the person's individual life story Nurses caregivers social workers therapists counselors and doctors can all benefit from this insightful book the Man Behind the Myth Seeing Jesus as He Really is Rodney M. Howard-Browne,

The Once-And-For-All Truth About Sickness and Healing Ron Craig, 2009-01-15 Of more than twenty book titles the Lord has placed upon my heart to write this is the third The Body of Christ is in dire need of the message of each and every book this one being the most timely Many influential Christians are being taken out by sickness on a regular basis therefore something must be amiss in today's church The shortfall is evidently in the modern believers lack of true biblical knowledge of the sickness and healing subject This book fills in a multitude of gaps in the Christians understanding of one of Satan's most subtle weapons To my knowledge no other book on the market contains the revelation found in this work It will absolutely revolutionize your life *Seeing Jesus as He Really Is* Rodney Howard-Browne, 2008-05-04 Seeing Jesus as He Really Is takes you on a journey through the Gospels and along the way you'll see how Jesus really lived how He radically changed the world and how Jesus is portrayed through the word of God Seeing Jesus as He Really Is will help every reader know how to answer the questions that Jesus asked His disciples Whom do men say that I am and Who do you say that I am Chapters include Jesus and His Methods The Sweet Presence of Jesus The Name of Jesus Called to Do the Works of Jesus Pressing in to Jesus **Signs of Continuity** Greg Rhodea, 2019-06-11 For more than a century scholars have debated

whether Paul the apostle was a faithful follower of Jesus or a corruptor of Jesus's message and the true founder of Christianity Signs of Continuity intervenes in this debate by exploring a largely overlooked element of similarity between the two men the place of miracles in their ministries In his close analysis of the miracles performed by Jesus and Paul Greg Rhodea points to signs of continuity between these two historical figures of Christianity He argues that both Jesus and Paul understood their miracles as accompanying and actualizing a message of gracious inclusion of the marginalized resisted proving their ability to work miracles to those who asked for a sign despite the importance of miracle working to their personal authentication and interpreted miracles as proof of the presence of the eschatological kingdom Based on these similarities Rhodea concludes that Paul the apostle knew of Jesus's miracles and that he imitated Jesus in his own ministry of

miracle working In highlighting this previously unexplored area of continuity Rhodea makes a significant contribution to the debate over the relationship between Jesus and Paul Biblical scholars and students interested in this debate will find Signs of Continuity enlightening and informative

Jesus before Pentecost William P. Atkinson,2016-02-09 Jesus before Pentecost studies the history of Jesus ministry from William P Atkinson s Pentecostal perspective This perspective affects both his method and the book s content In terms of method Atkinson puts forward a strong argument for looking carefully at John s Gospel as well as the synoptic gospels as a reliable historical source for Jesus life And in terms of content his main areas of study follow key Pentecostal interests summed up in the foursquare Pentecostal rubric of Jesus as savior healer baptizer in the Spirit and soon coming king The picture that emerges offers fresh insights into Jesus life notably the symbolic meaning Jesus invested in the feeding of the five thousand the personal cost to Jesus of his approach to healing the sick the involvement of God s Spirit in his life and in the lives of those around him and lastly his enigmatic predictions of his future coming Overall the study is both academically rigorous and warmly engaging It will appeal to anyone who is seriously interested in Jesus whether or not they are Pentecostal

Illness, Pain, and Health Care in Early Christianity Helen Rhee,2022-10-22 What did pain and illness mean to early Christians And how did their approaches to health care compare to those of the ancient Greco Roman world In this wide ranging interdisciplinary study Helen Rhee examines how early Christians viewed illness pain and health care and how their perspective was influenced both by Judeo Christian tradition and by the milieu of the larger ancient world Throughout her analysis Rhee places the history of medicine Greco Roman literature and ancient philosophy in constructive dialogue with early Christian literature to elucidate early Christians understanding appropriation and reformulation of Roman and Byzantine conceptions of health and wholeness from the second through the sixth centuries CE Utilizing the contemporary field of medical anthropology Rhee engages illness pain and health care as sociocultural matters Through this and other methodologies she explores the theological meanings attributed to illness and pain the religious status of those suffering from these and other afflictions and the methods systems and rituals that Christian individuals churches and monasteries devised to care for those who suffered Rhee s findings ultimately provide an illuminating glimpse into how Christians began forming a distinct identity both as part of and apart from their Greco Roman

world **The Sophiology of Death** Sergius Bulgakov, James Clarke & Co, 2023-10-26 In this book called *The Sophiology of Death: Essays on Eschatology* you can find the answer of these questions: What will be the final destiny of humanity? At God's final judgement will all be saved or only a few? How does Christian eschatology affect Christian political action in the here and now? And what is the destiny of each individual facing the prospect of earthly death? In these essays Sergius Bulgakov brings the resources of scripture and tradition to bear on these vital questions, arguing for the magnificent final restoration of all creatures to union with God in a universal salvation worthy of the infinite scope of Christ's redemption. Combining practical theology with doctrinal questions, Bulgakov provides on the one hand insight into how Christians can strive to bring God's kingdom to earth in anticipation of the peace and justice of the heavenly Jerusalem. On the other, he offers profound theological reflections on the nature of human death and Christ's accompaniment of all humans in their dying, based on his own near-death experience. Although originating firmly within the Russian Orthodox tradition, Bulgakov's sensitive and incisive writing will shed new light for all on eschatology in all its facets: personal, political, and universal. In *Sophiology of Death* *The Complete Book of Everyday Christianity* R. Paul Stevens, Robert Banks, 2018-12-01 I am thrilled to know that *The Complete Book of Everyday Christianity* is being relaunched. A well-worn first edition of this book sits next to my office desk, and I consult it often. There is no better collection of everyday issues examined from a Christian perspective. A wide variety of topics are addressed with a cleverly balanced combination of academic and practical perspectives, informed by thoughtful biblical and theological reflection. This is a wonderfully useful tool. I am pleased that it will be available to resource a new generation of Christians who are eager to understand more about what it means to follow Christ in every aspect of life. Alistair Mackenzie, Senior Lecturer, School of Theology, Mission and Ministry, Laidlaw College, Christchurch, New Zealand. Also Director of Faith at Work NZ.
