Seeing It Was So:

How Can I See the Light When It's So Dark? Linda Douty, 2007-11-01 Gratitude is vitally important in our journey toward wholeness This book looks at the scriptural and psychological foundations of gratitude and the barriers to developing a thankful heart Specific tools and techniques are offered to facilitate gratitude Reflection questions and creative individual and group activities conclude each chapter

Seeing Slowly Michael Findlay, 2017-09-26 When it comes to viewing art living in the information age is not necessarily a benefit So argues Michael Findlay in this book that encourages a new way of looking at art Much of this thinking involves stripping away what we have been taught and instead trusting our own instincts opinions and reactions Including reproductions of works by Mark Rothko Paul Klee Joan Mir Jacob Lawrence and other modern and contemporary masters this book takes readers on a journey through modern art Chapters such as What Is a Work of Art Can We Look and See at the Same Time and Real Connoisseurs Are Not Snobs not only give readers the confidence to form their own opinions but also encourages them to make connections that spark curiosity intellect and imagination The most important thing for us to grasp writes Findlay is that the essence of a great work of art is inert until it is seen Our engagement with the work of art liberates its essence After reading this book even the most intimidated art viewer will enter a museum or gallery feeling more confident and leave it feeling enriched and inspired

Seeing Differently Br Samuel ssf, Br Nicolas Alan ssf, Simon Cocksedge, 2021-01-30 This timely book brings together the stories of St Francis his preaching to birds rejection of wealth caring for lepers befriending animals and living simply his poetry and hymnody in praise of creation that is still sung today and the influential writings and examples of inspiring Franciscans who have followed him such as Clare Bonaventure Duns Scotus and Angela of Foligno and draws them into conversation with contemporary concerns for our planet It gathers 800 years of accumulated wisdom and practical examples of how Franciscans have found ways to live at home and at peace with creation It explores that long tradition and experience to ask what lessons can be drawn for today to challenge and enable readers to re visit their own relationship with creation

Seeing Eye Girl Beverly J. Armento, 2025-07-30 As the Seeing Eye Girl for her blind artistic and mentally ill mother Beverly Armento was intimately connected with and responsible for her even though her mother physically and emotionally abused her She was Strong Beverly at school excellent in academics and mentored by caring teachers but at home she was Weak Beverly cowed by her mother's rage and delusions Beverly's mother regained her sight with two corneal transplants in 1950 and went on to enjoy a moment of fame as an artist but these positive turns did nothing to stop her disintegration into her delusional world of communists radiation and lurking Italians To survive Beverly had to be resilient and hopeful that better days could be ahead But first she had to confront essential ethical issues about her caregiving role in her family In this emotional memoir Beverly shares the coping strategies she invented to get herself through the trials of her young life and the ways in which school and church served as refuges over the course of her journey Breaking the psychological chains that

bound her to her mother would prove to be the most difficult challenge of her life and ultimately the most liberating one
