Seeing The Sacred In Life A Guide To Living Each:

Seeing The Sacred In Life David D. Dameron, 2004-10 This book should and must be owned by anyone who ever had an interest in the musical culture of not only Jamaica but also America and Europe. It is the kind of book that could be compared to the family Bible which is passed on to the next of kin. It is educational and some might find it entertaining. With phrases being made like "I didn't know that" I always wondered "That is telling the truth" That's what happened in those days. How could they have done that? Why? The rest of books on this subject did not have the true facts. The facts in this book will assist the students all over the world in any historical proportion to bring them up to date on the culture history of not only Reggae Heritage but other music of America and Europe.
