Seeing With Your Ears Spirituality For Those Who:

The Complete Works of Zacharias Tanee Fomum on Prayer (Volume 2) Zacharias Tanee Fomum, The Complete Works of Zacharias Tanee Fomum on Prayer Volume 2 contains the following books 1 The Art of Intercession 2 The Practice of Intercession 3 Practical Spiritual Warfare Through Prayer 4 Life Changing Thoughts on Prayer Volume 1 5 The Overthrow of Principalities and Powers 6 The Prophecy of the Overthrow of the Satanic Prince of Douala 7 The Prophecy of the Overthrow of the Prince of Cameroon Having left the ABCs of prayer behind this volume deals with the intricacies of intercession spiritual warfare and the overthrow of satanic princes ruling entire nations behind the scenes It tackles both the art and practice of intercession Simply put intercession is both the art and practice by a righteous blameless and absolutely consecrated person to accept stand in the gap and defend a person or people that God has targeted for destruction due to their brazen and sustained violation of His will The Lord s response to Moses intercession and entreaty for the children of Israel was swift and dramatic The Bible says Then the Lord relented and did not bring on his people the disaster he had threatened Exodus 32 14 That was intercession in both its art and practice So many advanced believers in Christ don t even believe that satanic princes exist They exist They are so real so devastating in their work and so strangulating in their grip of people and their affairs that you can only ignore them to your own undoing Daniel battled these satanic princes all his adult life in exile in the Babylonian Persian and Median realms He did so through strategic prevailing and sustained prayer and fasting Daniel 10 1 21 11 1 He battled in prayer and fasting until the satanic princes of Persia and Greece which were opposing God s purposes were overcame overturned and overthrown We send this second prayer volume out with a cry to the Lord that He should use it to teach the church of the Firstborn the intricacies of intercession and spiritual warfare In this age of atheism agnosticism humanism espionage robots sophisticated gadgets and the Internet there was never a time we needed intercession and spiritual warfare like now **Amplify Your Ministry with Miracles & Manifestations of the Holy Spirit** Dag Heward-Mills, 2008-12-10 Does the Supernatural exist today Can I operate in the Supernatural Does God still heal people If he does why doesn t He heal everyone How can I receive the healing anointing Discover the answers to these and many more questions on the manifestations of the Holy Spirit through the pages of this exciting book by the famous healing evangelist Dag Heward Mills A Plain Commentary on the First Gospel , 1891 *An Illustrated Commentary on the Gospel According to Matthew* Lyman Abbott, 1878 Secrets of Victory Carrie Judd Montgomery, 1921 A Scriptural View of the Office of the Holy Spirit Robert Richardson, 1875 **An Illustrated Commentary on the Gospel According to Matthew for Family Use and Reference ...** Lyman Abbott, 1875 **All Things Spiritual** Phillip Eldridge Williams, 2022-01-12 This short quip referred to in conversation and seen often in descriptive writing as well as various and sundry speeches is in reality on shaky ground when taken apart The truth has been the object of the search of man since he became serious with his ontology from earliest recorded history and finds its way in most academic institutions with each Latin phrase in its logo

Matter has always been taken for granted but until recently 1939 with the declaration of the Physicists community in Copenhagen Denmark has acknowledged that indeed there is no final field theory for locating reality In this book I will attempt to speak to this lack of reality by delving into the state of being or lack thereof I will refer to as spirituality and the Native American priority given to the Great Spirit and the answer they give to one s ontology why one is here known as their vision quest We will investigate spirituality as that encounter we all must deal with in our religious medium for finding some sense of meaning and its answer to our need for respect I ll look at the Judeo Christian offering of the image of God and the spooky goings on at a distance stipulated by Albert Einstein as well as the implications of Galileo s insightful declaration in the 17th century that all meaning begins with experience spirituality and ends with experience that spirituality is all that there is and to offer proposals based upon purely logic alone is meaningless as regards reality Spirituality in the best sense of the word is your taking serious your honor as well as that of others This could be seen as the First and Greatest Commandment and the Second like unto it Thy neighbor as thyself This work is the culmination of 15 years of writing and a lifetime of seeking first the kingdom of God and his righteousness having all these things being added unto me Matthew 6 33 Now to have all these things added unto you is to be quickened with eyes to see and ears to hear things matter as they are and not from the might makes right syndrome or the what s in it for me modus operandi This quickening power is the mighty hand of God as opposed to the hand of God revealing the nature of truth God s righteousness as being no respecter of persons time place or thing and doing so unconditionally This is indeed the Final Field or the Truth of the Matter
