Seeking Heart:

Honest - Seeking - Hearts Janet Whitehead, 2021-11-03 We humans find it hard to believe God has our best in mind when life gives us painful experiences This book is about a terrible tragedy that happened to my family God used this tragedy to reveal precious truths about Himself and in the process I learned a lot about myself There are many hinderances to fellowship with God but they are all on our side Only embracing the mystery of life and allowing God to have His way will give us peace I have been inspired by other authors I pray this book will inspire its readers to get honest with God about themselves and seek Him with all their heart

Say Yes to God Kay Warren, 2010-10-05 You have a plan for the rest of your life God has a plan for the rest of your life Are they the same Say Yes to God formerly titled Dangerous Surrender will help you find the answer You have expectations for how your life will play out and you hope those plans will become realities But what if God's plan for your life is far different from what you had in mind Can you accept that Will you surrender your goals for God's Kay Warren had a plan Together with her husband Rick Warren author of the megaseller The Purpose Driven Life she planned that after her kids were grown she'd travel the world teaching and encouraging couples in ministry It was a good plan But it wasn't what God had in mind for her In her own startling wake up call Kay discovered the shocking realities of the AIDS pandemic in Africa while reading a magazine I want to use you she heard God say That began the struggle first to avoid God's call and then to surrender herself to God She cried out to God Why are you bothering me with this There's nothing I can do about it I'm just an ordinary person What could one person do about such a gigantic problem But God had grabbed her attention and wouldn't let go If you've ever struggled with knowing and doing God's will this book is for you With raw honesty Kay goes straight to the heart of the matter the bottom line is surrender Will you say yes to God Along the way she'll introduce you to others people like you who have said yes to God and have made a difference in the world Using their skills energy faith and a willingness to take risks they became powerful instruments of change and tools in God's hands Giving in to God isn't easy It's not for cowards It's the boldest riskiest step you'll ever take This dangerous surrender can bring both joy and pain both heartache and ecstasy but it enables you to know God in a far deeper way than ever before I had to make a conscious decision Would I retreat to my comfortable life and to my settled plans Or would I surrender to God's call and let my heart engage with the cause to which he called me one that I was pretty sure would include buckets of pain and sorrow I felt like I was standing on the edge of a giant precipice I couldn't go back and yet the way forward looked like stepping into a void Kay Warren took that step choosing to say yes to God That decision transformed her life and reshaped her future She invites you to do the same You'll benefit most by discussing this book with others A Readers Group Discussion Guide is provided in the back of the book Additional help can be found at www.kaywarren.com

The Listening Heart Judy Gordon Morrow, 2013-12-09 More Life is full to overflowing but we crave an illusive more Via social networking airwaves and TV our culture tells us to strive for more stuff more activities more adventure you name it Yet we are often left

unfulfilled and wanting Empty even With so many demands for our attention it is difficult to quiet our minds long enough to hear the still small voice of our loving Father and to listen to the One who desires to bring us so much more than the noise of everyday life Judy Gordon Morrow discovered the more when her world was turned upside down and she knelt before God to seek Him and ask for His help More than a decade ago in tear stained notebooks she began to pen God s responses to her desperate prayers Now in *The Listening Heart* Judy invites you to spend a year hearing from the God Who Speaks the God who wants to speak to you Each daily devotion echoes the Father s love and care for you offering hope comfort encouragement and more a rich closeness with God that will satisfy the longings of your heart **Your Beautiful Heart**

have to do with giving While it is clear from Scripture that God desires to prosper His children materially the Word s emphasis is not on amassing personal wealth but on having a generous heart like the Father s Ch Ahn believes that God desires to prosper His people and that He will do so as they trust His grace to provide for their needs and seek to reflect His giving blessing image This happens as believers repent of the hindrances of mind and heart that motivate them to grasp at wealth in unhealthy and self defeating ways *The Grace of Giving* guides readers to tear down the idols of wealth and poverty and to flourish in God s presence and provision **Proverbs** Dr. Jim Leggett,2025-01-03 Wisdom It s something we all need

It doesn t come automatically And it doesn t always come from experience Solomon tells us it is directly related to the fear of the Lord 1 7 James tells us it comes from God and it must be sought James 1 5 The book of Proverbs was written for just that purpose so that we might know wisdom so that we might receive instruction for wise living and so that we might perceive the words of understanding 1 2 That s what this book is all about It will change our attitudes It will affect the way we respond to others It will show us the best way to honor God in the everyday experiences of our lives It will help us to avoid pitfalls and choose the best course of action to benefit ourselves and others The wisdom we are able to glean from this book will keep us on the right path as we ride along the trail of our lives As a devotional commentary the purpose of this book is threefold 1 to help us learn what the Bible says 2 to make us aware of its relevance and 3 to see how befittingly it applies to our own struggles and the everyday experiences of our personal lives *Of Martyrs, Monks, and Mystics* Charles R.
