Our Spiritual Journey Charles Milton Smith, 2009-07 The spirits or vibrations of nature are the instincts that keep the world functioning the human the animal the plant and the material instincts or life forces They can have a drastic affect on the human soul why for instance do religions pass through a phase during which they seem to condone cruelty and violence In mythological terms we have all descended from Eden to the very gates of Hades and this book tells in practical terms how we can make the return journey carrying the benefits of materiality with us

"All Authority Has Been Given To Me" Tim Lehman, 2019-11-20 For much of Christian history greater focus has been paid to Jesus death than to his three years of ministry and his crucifixion has often been understood primarily as a means to salvation in heaven But retired pastor Tim Lehman contends

that we've drastically missed the point by not looking closely at and learning from Jesus words and actions before his death. As a result we lose out on the joy and freedom of living fully as his disciples and experiencing salvation already in this life on earth. In this broad study of Matthew's Gospel Lehman challenges readers to view Jesus death in light of his life. He urges us not just to believe in Jesus but to believe Jesus to take seriously all that he taught and how he lived. As Lehman leads readers along a carefully laid path Christians and non Christians alike will have to rethink long held assumptions the place of violence in the Christian life the givenness of division in our modern world the meaning of atonement salvation and the kingdom of heaven and more. But along the way we are sure to learn grow and hopefully come to know more deeply God's unconditional love for all.
