Select Poetry Prose By Coleridge

Edgar Allan Poe

Select Poetry Prose By Coleridge:

Coleridge, 1950 *Selected Poetry* Samuel Coleridge, 2003-06-26 Living in a revolutionary age Coleridge's poetry was written in a spirit of moral and emotional inquiry into the absolutes of the human condition. He is best known for his visionary poetry *Kubla Khan* and his ballads *The Rime of the Ancient Mariner* but he used and transformed a variety of verse forms from the sonnet to the conversation poem on subjects as diverse as nature, love and politics. This selection calls attention to the range of Coleridge's work, its strong autobiographical content and its artistic development throughout his career. The old chronological form has been abandoned and the poems are organised according to genre, with each section displaying its own individual development in craft and theme. **The poetry of Samuel Taylor Coleridge [a selection] ed. by R. Garnett**

Samuel Taylor Coleridge, Samuel Taylor [poetical works Coleridge (selections)], 1898 **Anna Letitia Barbauld: Selected Poetry and Prose** Anna Letitia Barbauld, 2001-09-24 At her death in 1825 Anna Letitia Barbauld was considered one of the great writers of her time. Distinguished as a poet and essayist, she was also an innovator in children's literature, an eloquent supporter of liberal politics and a literary critic of stature. This edition includes a generous selection of her poetry and the first comprehensive body of her prose in more than a century, with essays some never before reprinted on literature, religion, education, prejudice, women's fashions and class conflict. *Coleridge: Selected Poetry and Prose* Samuel Taylor

Coleridge, 1971 **Edgar Allan Poe: Selected Poetry and Tales** Edgar Allan Poe, 2012-07-25 Edgar Allan Poe's stories and poems are among the most haunting and indelible in American literature, but critics for decades persisted in seeing Poe as an anomaly or even an anachronism. His works, with their bizarrely motivated characters and mysterious settings, did not seem to be a part of the literature of early nineteenth-century America. Critics realize now though that Poe was even more a part of the contemporary American literary scene than many of his more nationalistic peers and that in much of his work Poe was making commentaries on slavery and Southern social attitudes, technology, the urban landscape, political economy and other subjects. This Broadview Edition includes a selection of Poe's poems, tales and sketches in such diverse modes of writing as tales of the supernatural and psychic conflict, satires and hoaxes, science fiction and detective fiction, and nonfiction essays on literary and social topics. These are supplemented by a selection of contextual documents, newspaper and magazine articles, treatises and other historical texts that will help readers understand the social, literary and intellectual milieu in which Poe wrote. Selected Poems William Wordsworth, 2004-07-29

One of the major poets of Romanticism, Wordsworth epitomized the spirit of his age with his celebration of the natural world and the spontaneous expression of feeling. This volume contains a rich selection from the most creative phase of his life, including extracts from his masterpiece *The Prelude* and the best loved of his shorter poems such as *Composed Upon Westminster Bridge*, *Tintern Abbey*, *I Wandered Lonely as a Cloud*, *Lucy Gray* and *Michael*. Together these poems demonstrate not only Wordsworth's astonishing range and power but the sustained and coherent vision that informed his work. Coleridge Stephen Potter, 1950 **Felicia Hemans: Selected**

Poems, Prose and Letters Felicia Hemans, 2002-01-22 Felicia Hemans was the most widely read woman poet in the nineteenth century English speaking world Broadview's edition shows why she was one of the few standard poets to be found in middle class homes on both sides of the Atlantic despite being routinely disparaged as a merely feminine poet Included here is poetry representative of her entire career from often anthologized works such as *The Homes of England* and *Casabianca* to several long poems in their entirety such as *The Forest Sanctuary* Also included are selections of her prose and letters a comprehensive introduction and selections of views and reviews showing her changing and controversial place in culture into the twentieth century All selections are edited annotated and introduced

Nineteenth Century Religious Thought in the West Ninian Smart, 1988 Now available in paperback the successful three volumes of *Nineteenth Century Religious Thought in the West* provide a fresh appraisal of the most important thinkers of that time Some essays centre on major figures of the period others cover topics trends and schools of thought between the French Revolution and the First World War The contributors are among the leading scholars in their field and analyse not only what was said but also why it was said and explore what is of lasting value in it Contributions are sufficiently clear to be of use to students in religious studies and cognate disciplines but have enough depth and detail to appeal to scholars
