Jenkinson, 2019-01-03 The realm of He aeven has always been influenced by prophecies but when one speaks of the end of everything it will be a race against time to interpret what is written and to save the multiverse When Ezekiel an Erelim angel of light finds out that he may be a part of the prophecy his whole life is thrown into chaos But before he can answer the questions of his fate he is thrust into the middle of an ancient war one that he never wanted to be a part of On the run he will try to find the truth Meanwhile seven Archangels legends and survivors of their own prophecy are trying to save their world and a universe in peril while an army of demons move against them Including Envy a member of the elite group of demons known as the Seven Deadly Sins He enacts his own plans to interpret the prophecy and change his own fate They will fight to avoid fix or change their destinies But can prophecy be changed Or are their fates written in stone Also available as a digital Ebook The Long Road Home and Other Short Stories from the Silences in the Gospel of Mark James S. Lowry, 2013-05-17 Borrowing from the ancient rabbinic use of midrash as a means of opening Scripture to students James Lowry has chosen six texts from among those in which he believes Mark deliberately left silences The author is convinced Mark hoped his readers would be encouraged to raise a variety of possibilities as to what the evangelist left unsaid Beginning with Mark choosing not to name the temptations of Jesus Mark 1 12 13 and concluding with Mark choosing to conclude his narrative with the women leaving the tomb of Jesus in stunned silence Mark 16 8 Lowry spins short stories that suggest several alternative ideas as to how the biblical narrative might have played In half of the tales Lowry enters the text and adds fictitious material to Mark s narrative In the other half his stories are set in the small textile town of Great Falls South Carolina where the author grew up in the 1950s The hope is these stories will encourage readers of Mark and groups of his readers to raise other possibilities

Long Way Round to Rehab Lachlan Barker, 2025-05-12 Travel book mostly but with some emotional journey stuff along for the ride **The Spiritual Life** Tyler G. Walton, 2021-12-08 In our modern selfie and soundbite society so many of us struggle with connection and self acceptance We rely on our keyboards and screens and masks that hide who we really are

even from ourselves Rather than having character we become characters Rather than being grateful for what we have we feel entitled to all of it and more With this mindset it is easy to fool ourselves into thinking that we are fine the way we are and that they are the problem abdicating any responsibility for our failures or failings and remaining stuck in situations and circumstances that hurt ourselves and everyone around us Whether we are facing the rock bottom of homelessness and drug addiction or simply strained relationships with friends and loved ones an examination of our self defeating beliefs and habits can make a world of difference The Spiritual Life Finding Freedom From Homelessness Hunger and Heroin takes readers on a journey from the depths of despair and dejection to the rejuvenation of a life worth living all through an inward focus that helps nurture and develop a healthier outward look **Pride's Pursuit** Cat Kalen,2015-09-22 She defeated her master She released the enslaved shifters She was finally free But when Pride Logan Stone and the rest of the pack return to the

Canadian mountains only to discover their hope of a new home is destroyed Pride is ready for revenge But when her leadership is tested and a traitor emerges Pride pick between the two men who love her most and her choice will either put an end to war on the shifters or endanger the very existence of her kind The Long Way Home Reece Davis, After years spent chasing distant horizons what happens when the road finally leads you back In The Long Way Home acclaimed travel writer Reece Davis turns his compass inward exploring the idea of home through the lens of a lifetime spent in motion From the quiet streets of his childhood to the far corners of the world where he's found pieces of himself Davis weaves a tapestry of memory movement and meaning With the lyrical grace of a memoir and the keen observation of a traveler he asks what it means to belong in a world without fixed borders and whether returning home is ever the same as staying Poignant introspective and deeply human The Long Way Home is a meditation on distance identity and the timeless journey between leaving and arriving **The Long Way Home (Family Tree #2)** Ann M. Captive Tony Park, 2018-08-01 A woman's quest to save Africa's wildlife turns lethal. A very eager and rather naive Australian lawyer Kerry Maxwell flies into South Africa to volunteer at a wildlife orphanage run by notorious vet Graham Baird. Graham is as jaded and reckless as Kerry is law-abiding and optimistic. When Kerry arrives at the animal sanctuary it's to the news that Graham is imprisoned in Mozambique following a shootout with elephant poachers. In the gunfight he killed the brother of corrupt politician and poaching kingpin Fidel Costa. Kerry's earnest sense of justice takes her to Massingir to help Graham with his case and into a world of danger. Kidnapped, chased, attacked and betrayed, Kerry learns the bitter truth about the complexities and deadly nature of the war on poaching. Even the motivations of well-meaning charities, wealthy donors and private zoos are not all they appear. Kerry's perilous entanglement may be what Graham needs to shake off his drunken cynicism and rejoin the fight for Africa's animals but is it enough and in time to stop Costa's quest for revenge.

Myself When Young Daphne du Maurier, 2013-12-17 Both in her novels and her memoirs Daphne du Maurier revealed an ardent desire to explore her family's history. In *Myself When Young* based on diaries she kept between 1920 and 1932 du Maurier probes her own past beginning with her earliest memories and encompassing the publication of her first book and her marriage. Often painfully honest she recounts her difficult relationship with her father, her education in Paris, her early love affairs, her antipathy towards London life and her desperate ambition to succeed as a writer. The resulting self-portrait is of a complex, utterly captivating young woman. An intimate view of a creative personality as richly evocative as any of her novels. Los Angeles Times
