Marking Time In The Golden State Womens Imprisonment In California:

Marking Time in the Golden State Candace Kruttschnitt, Rosemary Gartner, 2005 In recent decades the nature of criminal punishment has undergone change in the United States This case study of women serving time in California in the 1960s and 1990s examines key points in this recent history The authors begin with a look at imprisonment at the California Institution for Women in the early 1960s when the rehabilitative model dominated official discourse They compare women s experiences in the 1990s at the California Institution for Women and the Valley State Prison when the recent get tough era was near its peak Drawing on archival data interviews and surveys their analysis considers the relationships among official philosophies and practices of imprisonment women s responses to the prison regime and relations between women prisoners The experiences of women prisoners reflected the transformations Americans have witnessed in punishment over recent decades but they also mirrored the deprivations and restrictions of imprisonment

Marking Time in the Golden State Candace Kruttschnitt, Rosemary Gartner, 2004-11-08 The nature of criminal punishment has undergone profound change in the United States in recent decades This case study of women serving time in California in the 1960s and 1990s examines this recent history Drawing on archival data interviews and surveys the authors analysis considers the relationships among official philosophies and practices of imprisonment women s responses to the prison regime and relations between women prisoners

A Comprehensive Study of Female Offenders Martin Guevara Urbina, 2008 Few empirical studies have focused on women in prison In the last few years though a number of studies have demonstrated that there are fundamental differences between male and female prisoners in an ever changing penal system Consequently there has been a need for more comprehensive studies of female offenders for three primary reasons 1 imperative research gaps remain to be bridged 2 the female prison experience is not constant and 3 prison rates for female offenders especially minority offenders have increased considerably in the last few years A central goal of this book then is to provide a balance to the existing literature and research on female prisoners in the United States and to an extent abroad focusing primarily on female offenders and using data gathered from the Wisconsin Department of Corrections The book utilizes a comprehensive investigative approach by equating the experience of female offenders by the totality of circumstances within an historical institutional political and ideological context The critical objective is to offer an inclusive analysis of the things that are considered by female inmates to be the most significant before during and after their incarceration as a way of better understanding the reasons that lead to their first incarceration as well as subsequent incarcerations By reading this book the reader will have a greater understanding of the many challenges facing female inmates as well as the relationship between inmates correctional officers and by extension society in general Also provided is a series of policy recommendations throughout the book particularly in the concluding chapter and epilogue

Handbook on Prisons Yvonne Jewkes, Ben Crewe, Jamie Bennett, 2016-02-23 The second edition of the *Handbook on Prisons* provides a completely revised and updated collection of essays on a wide range of

topics concerning prisons and imprisonment Bringing together three of the leading prison scholars in the UK as editors this new volume builds on the success of the first edition and reveals the range and depth of prison scholarship around the world The Handbook contains chapters written not only by those who have established and developed prison research but also features contributions from ex prisoners prison governors and ex governors prison inspectors and others who have worked with prisoners in a wide range of professional capacities This second edition includes several completely new chapters on topics as diverse as prison design technology in prisons the high security estate therapeutic communities prisons and desistance supermax and solitary confinement plus a brand new section on international perspectives The Handbook aims to convey the reality of imprisonment and to reflect the main issues and debates surrounding prisons and prisoners while also providing novel ways of thinking about familiar penal problems and enhancing our theoretical understanding of imprisonment The Handbook on Prisons Second edition is a key text for students taking courses in prisons penology criminal justice criminology and related subjects and is also an essential reference for academics and practitioners working in the prison service or in related agencies who need up to date knowledge of thinking on prisons and imprisonment

Prison Stories Jennifer Schlosser, 2020-12-10 This book looks deeply at women researchers personal stories struggles and successes within the context of conducting research in the male dominated sphere of prison studies Their insights provide an analytical resource from which readers can better understand the context of doing prison research and the theoretical and methodological challenges that come with it Their autoethnographic stories shed light on the unique issues faced by women prison researchers and provide a roadmap for understanding the novel strategies methodological landmines and epistemological challenges for those who will come after them Their experiences as women investigators are couched in a distinct set of challenges This book is intended to highlight those researchers challenges and also to celebrate their successes

The American Prison Francis T. Cullen, Cheryl Lero Jonson, Mary K. Stohr, 2013-04-11 For the first time in four decades prison populations are declining and politicians have reached the consensus that mass imprisonment is no longer sustainable At this unique moment in the history of corrections the opportunity has emerged to discuss in meaningful ways how best to shape efforts to control crime and to intervene effectively with offenders This breakthrough book brings together established correctional scholars to imagine what this prison future might entail Each scholar uses his or her expertise to craft in an accessible way for students to read a blueprint for how to create a new penology along a particular theme For example one contributor writes about how to use existing research expertise to create

a prison that is therapeutic and another provides insight on how to create a feminist prison In the final chapter the editors pull together the lessons learned in a cohesive comprehensive essay **The Effects of Imprisonment** Alison Liebling, Shadd Maruna, 2013-06-17 As the number of prisoners in the UK USA and elsewhere continues to rise so have concerns risen about the damaging short term and long term effects this has on prisoners This book brings together a group of leading authorities in this field both academics and practitioners to address the complex issues this has raised to assess the implications and results of research in this field and to suggest ways of mitigating the often devastating personal and psychological consequences of imprisonment Explaining U.S. Imprisonment Mary Bosworth, 2010 Explaining U S Imprisonment builds on and extends some of the contemporary issues of women in prison minorities and the historical path to modern prisons as well as the social influences on prison reform The Oxford Handbook of Prisons and Imprisonment John D. Wooldredge, Paula Smith, 2018-03-09 Research on prisons prior to the prison boom of the 1980s and 1990s focused mainly on inmate subcultures inmate rights and sociological interpretations of inmate and guard adaptations to their environment with qualitative studies and ethnographic methods the norm In recent years research has expanded considerably to issues related to inmates mental health suicide managing special types of offenders risk assessment and evidence based treatment programs The Oxford Handbook of Prisons and Imprisonment provides the only single source that bridges social scientific and behavioral perspectives providing graduate students with a more comprehensive understanding of the topic academics with a body of knowledge that will more effectively inform their own research and practitioners with an overview of evidence based best practices Across thirty chapters leading contributors offer new ideas critical treatments of substantive topics with theoretical and policy implications and comprehensive literature reviews that reflect cumulative knowledge on what works and what doesn t The Handbook covers critical topics in the field some of which include recent trends in imprisonment prison gangs inmate victimization the use and impact of restrictive housing unique problems faced by women in prison special offender populations risk assessment and treatment effectiveness prisoner re entry and privatization The Oxford Handbook of Prisons and Imprisonment offers a rich source of information on the current state of institutional corrections around the world on issues facing both inmates and prison staff and on how those issues may impede or facilitate the various goals of incarceration Offending Women Lynne Haney, 2010-02-10 Offending Women is an eye opening journey into the lived reality of prison for women in the United States today Lynne Haney looks at incarcerated mothers housed together with their children who are serving terms in alternative community based prisons a type of facility that is becoming increasingly widespread Incorporating vivid sometimes shocking observations of daily life she probes the dynamics of power over women s minds and bodies that play out in two such institutions in California She finds that these alternative prisons contrary to their aims often end up disempowering women transforming their social vulnerabilities into personal pathologies and pushing them into a state of disenfranchisement Uncovering the complex gendered underpinning of methods of

control and intervention used in the criminal justice system today *Offending Women* links that system to broader discussions on contemporary government and state power asks why these strategies have arisen at this particular moment in time and considers what forms of citizenship they have given rise to

Lives of Incarcerated Women Candace Kruttschnitt, Catrien Bijleveld, 2015-07-24 Drawing on qualitative and quantitative research from around the world this book brings together renowned international scholars to explore life course perspectives on women's imprisonment Instead of covering only one aspect of women's carceral experiences this book offers a broader perspective that encompasses women's pathways to prison their prison experiences and the effects of these experiences on their children's well being as well as their subsequent chances of desisting from crime Encompassing perspectives from the Netherlands Belgium Denmark Scotland the United States Ukraine and Sri Lanka this book uncovers the similarities across time and space in women offenders' life histories and those of their children and examines the differences in women's experiences and trajectories by shedding light on the moderating effects of particular cultural contexts *Lives of Incarcerated Women* will be of interest to academics and students engaged in the study of punishment penology life course criminology women and crime and gender studies It will also be of great interest to practitioners

The Prisoner Ben Crewe, Jamie Bennett, 2012-03-12 Little of what we know about prison comes from the mouths of prisoners and very few academic accounts of prison life manage to convey some of its most profound and important features its daily pressures and frustrations the culture of the wings and landings and the relationships which shape the everyday experience of being imprisoned *The Prisoner* aims to redress this by foregrounding prisoners' own accounts of prison life in what is an original and penetrating edited collection Each of its chapters explores a particular prisoner sub group or an important aspect of prisoners' lives and each is divided into two sections extended extracts from interviews with prisoners followed by academic commentary and analysis written by a leading scholar or practitioner This structure allows prisoners' voices to speak for themselves while situating what they say in a wider discussion of research policy and practice The result is a rich and evocative portrayal of the lived reality of imprisonment and a poignant insight into prisoners' lives The book aims to bring to life key penological issues and to provide an accessible text for anyone interested in prisons including students practitioners and a general audience It seeks to represent and humanize a group which is often silent in discussions of imprisonment and to shine a light on a world which is generally hidden from view

The Oxford Handbook of Ethnographies of Crime and Criminal Justice Sandra M. Bucerius, Kevin D. Haggerty, Luca Berardi, 2022 The *Oxford Handbook of Ethnographies of Crime and Criminal Justice* provides critical and current reviews of key research topics issues and debates that crime ethnographers have been grappling with for over a century This volume brings together an outstanding group of scholars to discuss various research traditions the ethical and pragmatic challenges associated with conducting crime related fieldwork relevant policy recommendations for practitioners in the field and areas of future research for crime ethnographers

The Palgrave Handbook of Prison Design Dominique

Moran, Yvonne Jewkes, Kwan-Lamar Blount-Hill, Victor St. John, 2022-12-03 This handbook brings together expertise from a range of disciplinary perspectives and geographical contexts to address a key question facing prison policymakers architects and designers what kind of carceral environments foster wellbeing i e deliver a rehabilitative therapeutic environment or other positive outcomes The Palgrave Handbook of Prison Design offers insights into the construction of custodial facilities alongside consideration of the critical questions any policymaker should ask in commissioning the building of a site for human containment Chapters present experience from Australia Chile Estonia Ireland New Zealand Norway Russia the United Kingdom and the United States jurisdictions which vary widely in terms of the history and development of their prison systems their punitive philosophies and the nature of their public discourse about the role and purpose of imprisonment to offer readers theories frameworks historical accounts design approaches methodological strategies empirical research and practical approaches

Also Serving Time Rosemary Ricciardelli, 2019-11-04 Also Serving Time informs readers about the realities of provincial and territorial prison work in Canada Exploring the nuances of the job Rosemary Ricciardelli shows how officer orientations and attitudes toward prisoners are interconnected and foundational in shaping their own experiences as well as those of managerial and administrative staff and prisoners themselves Drawing on interviews with one hundred correctional officers with experience in a range of provincial and territorial prisons Ricciardelli provides theoretical and applied explorations of officer orientations interpretations and risk propensity to show how perceptions attitudes and beliefs both at the individual and structural levels shape prison practices Detailing officers experiences working with male and female adult prison populations Also Serving Time unpacks how gender informs the actions and self presentation of correctional officers Ricciardelli confirms that tasks of daily living underpinned by pervasive risk potential shape prison work Through the officer accounts presented the book provides an opportunity for readers to explore how punishment and rehabilitation gender and the hierarchical structure of prison management together shape officers daily realities

Parole in Canada Sarah Turnbull, 2016-10-25 Just as Canada s population has changed in the past four decades so too has its prison population The increasing diversity among prisoners raises important questions about how we punish those who break the law Parole in Canada is the first book to explore how concerns about Aboriginality gender and the multicultural ideal of diversity have been interpreted and used to alter federal parole policy and practice Using the Parole of Board of Canada as a case study this book shows how certain facets of offender differences are selectively included for accommodation while fundamental institutional structures practices and power arrangements remain unchanged Sarah Turnbull argues that as the current approach fails to challenge outdated notions about gender race and aboriginality within the penal system instead of addressing concerns around diversity these measures end up contributing to further exclusion and discrimination within the system

Gender and Crime Karen Heimer, Candace Kruttschnitt, 2006 Resource added for the Criminal Justice Law Enforcement 105046 and Professional Studies 105045 programs

Addicted to Rehab Allison McKim, 2017-07-03 After

decades of the American war on drugs and relentless prison expansion political officials are finally challenging mass incarceration Many point to an apparently promising solution to reduce the prison population addiction treatment In Addicted to Rehab Bard College sociologist Allison McKim gives an in depth and innovative ethnographic account of two such rehab programs for women one located in the criminal justice system and one located in the private healthcare system two very different ways of defining and treating addiction McKim s book shows how addiction rehab reflects the race class and gender politics of the punitive turn As a result addiction has become a racialized category that has reorganized the link between punishment and welfare provision While reformers hope that treatment will offer an alternative to punishment and help women McKim argues that the framework of addiction further stigmatizes criminalized women and undermines our capacity to challenge gendered subordination Her study ultimately reveals a two tiered system bifurcated by race and class

Understanding and Reducing Prison Violence Benjamin Steiner, John Wooldredge, 2019-12-06 Understanding and Reducing Prison Violence considers both the individual and prison characteristics associated with violence perpetration and violent victimization among both prison inmates and staff Prison violence is not a random process rates of violence vary across prisons and the odds of perpetrating violence or experiencing violent victimization vary across inmates and staff A comprehensive understanding of the causes of prison violence therefore requires consideration of both individual and prison characteristics Building on large dataset comprising 5 500 inmates and 1 800 officers across 45 prisons located across two of the United States Ohio and Kentucky this book showcases one of the largest and most comprehensive studies of prisons carried out to date It considers both the implications of the study for theories of prison violence and the implications of the study for preventing violence in prisons It will be of interest to academics practitioners and policy makers alike
